Special Provisions	
Special Provisions.....	SP-1
Division 1A – Public Works Projects Contract with City	
Division 1B – Developer Extensions and Plat Improvement Projects	
Standard Details	
Concrete Curb and Gutter	T-1A
Location and Width of New Driveways	T-2A
Cement Concrete Approach.....	T-2B
Sidewalk with Planter Strip	T-3A
Sidewalk with Planter Strip Notes	T-3B
Sidewalk.....	T-3C
Sidewalk Ramp Plans and Sections.....	T-4A
Sidewalk Ramp Details and Notes	T-4B
Minimum Sidewalk Width at Obstructions.....	T-4C
Typical Road Section.....	T-5A
Typical Road Section Notes	T-5B
Public and Private Alley Cross Section	T-5C
Private Roadway Minimum Cross Section.....	T-5D
Private Roadway Minimum Cross Section Notes	T-5E
Poured In Place Monument.....	T-6A
Monument Frame and Cover	T-6B
Fire Access Requirements.....	T-7
Dead End Private Road Requirements	T-8A
Cul-De-Sac Bulb Neighborhood Street	T-8B
Cul-De-Sac Private Access Road	T-8C
“T” Intersection.....	T-8D
Neighborhood Street Knuckle	T-8E
Typical Roadway Utility Layout	T-9
Thermoplastic Crosswalk.....	T-10
Pavement Replacement.....	T-11A
Concrete Pavement Replacement	T-11B
Concrete Pavement Replacement Notes.....	T-11C
Asphalt Pavement Replacement	T-11D
Adjustment of New and Existing Utility Structures to Finish Grade.....	T-12
Typical Trench and Bedding Section for DIP Watermain	W-1A
Water Service and Bedding Within Right-of-Way	W-1B
5/8" x 3/4" Double and Single Meter Service	W-2A
5/8" x 3/4" Double and Single Meter Service Notes.....	W-2B

TABLE OF CONTENTS

	<u>Page</u>
1½" and 2" Meter Service	W-3
Standard Fire Hydrant.....	W-4A
Standard Fire Hydrant Notes	W-4B
Fire Hydrant Guard Post	W-4C
Fire Hydrant Street Markings	W-5
Valve Box and Operating Nut Extender.....	W-6
Mid-Run 2" Blowoff Assembly.....	W-7A
End of Main 2" Blowoff Assembly	W-7B
Blow-Off Hydrant.....	W-7C
Thrust Blocking.....	W-8
Water Main Blocking.....	W-9
Water Main 2" Air Release Valve Assembly	W-10A
Water Main 2" Air Release Valve Assembly	W-10B
Water Sampling Station	W-11A
Water Sampling Station Details.....	W-11B
2" and Smaller Double Check-Valve Assembly	W-12
2" and Smaller Reduced Pressure Backflow Assembly	W-13A
2" and Smaller Reduced Pressure Backflow Assembly Notes.....	W-13B
3" to 6" Domestic Meter Installation	W-14A
3" to 6" Domestic Meter Installation Notes.....	W-14B
Tapping Sleeve and Valve Assemblies	W-15
Valve Marker Post	W-16
Pressure Reducing Valve with Box for ¾", 1", 1½" or 2" Service Lines	W-17
Double Detector – Check Valve Assembly Installation.....	W-18A
Double Detector – Check Valve Assembly Installation Notes	W-18B
Fire Department Connection.....	W-19
24" Watertight Manhole Frame and Cover	S-1A
24" Locking Manhole Frame and Cover	S-1B
Standard 24" Manhole Frame and Cover	S-1C
Sanitary Sewer or Storm Trench.....	S-2
Type 1 Manhole	S-3A
Manhole Ring and Safety Steps.....	S-3B
Ductile Iron Drop Connection	S-3C
Manhole Inside Drop Detail.....	S-4A
Outside Manhole Drop Connection	S-4B
Side/Building Sewer	S-5A
Side Sewer Cleanout	S-5B
Typical Split Side Sewer Detail.....	S-5C
Typical A/C Watermain Crossing Replacement	S-6
Exterior Grease Interceptor Detail.....	S-7A

TABLE OF CONTENTS

	<u>Page</u>
Exterior Grease Interceptor Notes	S-7B
Interior Grease Interceptor Notes.....	S-7C
Sanitary Sewer Forcemain Air Inlet Valve Chamber (FM)	S-8
Combination Air Valve and Chamber (W & RCL)	S-9
Control Structure.....	D-1A
Flow Restrictor (FROP-T) (Tee) Details.....	D-1B
Catch Basin Type 1	D-2A
Catch Basin Type 1 Placement	D-2B
Catch Basin Type 1 Placement	D-2C
Catch Basin Type 2.....	D-3A
Catch Basin Type 2 Notes.....	D-3B
Catch Basin Type 2 Placement	D-3C
Catch Basin Type 2.....	D-3D
Oil Spill Control Device (Not for Oil Treatment)	D-4
Infiltration Trench	D-5
Trash Rack	D-6
Single Family Lot Erosion and Sediment Control	X-1
Temporary Construction Access.....	X-2A
Temporary Construction Access Notes	X-2B
Silt Fence.....	X-3

Appendices

- Appendix A – Developer Checklist
- Appendix B – Developer Extension Agreement
- Appendix C – Bill of Sale
- Appendix D – Plan Requirements
- Appendix E – As-Built Requirements
- Appendix F – Erosion Control Practices for Single Family Residences and Small Sites
