I hereby make application for utility services from the City of Orting, Washington, subject to all of the provisions of City Ordinances now existing or hereafter adopted and agree to pay all charges as provided for therein and that the obligations of the parties are covered thereby. This application shall automatically grant the City of Orting the right to access the property for performance of the City's services. I hereby certify that I am the legal property owner and have the authority to establish utility services at the above service location.

I understand the City of Orting shall have a lien against the property in accordance with RCW 35.21 and RCW 35.67 of charges which shall be the obligation of the owner of the property, its heirs, successors and assigns, until the same is paid in full. The City may enforce the lien by shutting off and not restoring water and/or sewer until all delinquent and unpaid charges are paid in full. The City of Orting may also employ other legal remedies such as collection agencies, small claims court or an attorney to collect the unpaid amount for the property owner.

I understand if I put the billing in the name of my tenant and if the tenant fails to pay the utility bill I will be responsible for all charges including but not limited to utility bill, penalties and any other utility billing fees. A \$150 utility deposit is required before a utility account will be set up in the tenant's name.
