NEW BUSINESS:

Request Moving of
Written Test Date

Chairperson Robson reported that Secretary Beckie Meek received an email requesting to move the written test date from April 23rd as the candidates' son was getting married on that date and could not attend the written test. The options were to not allow the date to be moved or to move the written test date. They wanted the process to be fair and impartial. Secretary Beckie Meek did call other agencies to see what they would do and some would not move the test date but some would. They understood that it was his son's wedding but also took into consideration if in the future this was to come up again or any other date issues there is a precedence set. After a long hard discussion Commissioner Jones moved to keep the test date on April 23rd, 2016 at 10am at the Public Safety Building. Commissioner Dannat seconded the motion. Motion carries 3-0.
