As Americans we serve together to honor the lives we lost, the heroes who responded in our hour of need, and the brave men and women in uniform who continue to protect our country at home and abroad. Giving service to honor the memory of those lost in the 9/11 terrorist attacks is a unique and personal memorial expression of our love for them and their sacrifice for our country. This is a family day of service, where we can teach our children the importance of service and sacrifice.
