

Fence Diagram

City Street

Fence Diagram Legend:

Green = Right of Way. One foot setback to property line from sidewalk.

Red Line = fence eight: Wood Fence 36" (three feet) or Chain-Link with NP clats 48" (four feet).

Yellow Line = Maximum Fence Height of 6' (six feet) wood or chain-link

Note: Gates must comply with allowable fence heights for location. Do not obstruct access to underground utilities and/or Gray represents sidewalk
