THE MAYOR, AND THE FINANCE DIRECTOR, OF THE CITY OF ORTING WISH TO RECOGNIZE

FREDA BINGHAM

The Following Statements Were made by the Finance Director:

Freda Bingham started working for the City in November 2001. Her extensive knowledge of vendors, projects and processes have been instrumental in answering data requests for the State Auditor. Her attention to detail has ensured that all payments and reconciliations meet the highest standard which was noted by the current State Auditor. During the last quarter she continued to manage her normal day to day duties, unpacked boxes upon boxes of supplies and paperwork, and answered at least a million questions from her new supervisor. She does this with a sense of humor which makes the office a joyful place to work.

Freda has a very compassionate heart for the citizens of Orting. One of the ways this shows is in how she assists grieving families with the set-up of burial services in Orting's cemetery. Her kindness to these families and her ability to schedule everything properly; ensures that the families are able to say goodbye without undue stress or details. Freda is an employee who loves to perform quietly behind the scenes but her accomplishments and her outstanding service merit recognition. We value your contributions to the City of Orting and appreciate all that you do supporting the team and the City.

Thank You Freda for Your Dedication to Making Orting a Great Place to Live, Work, Play, & Do Business!

### THE MAYOR AND THE PUBLIC WORKS DIRECTOR OF THE CITY OF ORTING WISH TO RECOGNIZE

BRETT SPEARS

The Following Statements Were made by the Public Works Director:

It's my pleasure and honor to recognize Brett Spears and the hard work he does for our community. Brett oversees the Storm Water Drainage system and follows the guidelines established for our National Pollution Discharge Elimination System (NPDES) permit. Brett's goal is to keep our waterways free of pollutants; it's really important for Orting as our storm system drains into either the Puyallup or the Carbon River. Brett came to Orting with ten years of experience in Storm Drainage and he also has a good understanding in concrete finishing, pavement restoration, water distribution and the sewer collection system. He's kept our outfalls clear to ensure proper drainage and help avoid backups within our drainage system. He does an amazing job helping residents resolve drainage issues.

Brett is one of those individuals who looks for ways to improve a process or work flow; it's evident when you look at our storm drainage ponds, they're getting maintained better than ever before, and the noxious weeds have been greatly reduced due to Brett's proactive work style. Brett really enjoys helping others, be it a customer or a co-worker. Brett was once a professional Chef; I mention this because like Public Works you have to thrive on helping others by providing them with excellent service or products. Brett does just that, and he does it with passion. Brett is quick to step up and help out in committees or recognition events, and is one of the hardest workers I've had the pleasure to work with. I know when Brett completes a task it will be done right. Brett's an individual with the utmost integrity and you can see the pride he has by the quality and integrity of his work. Brett has expressed his enjoyment in serving in the community in which he lives. Orting is fortunate to have employee of Brett's caliber and dedication.

Thank You Brett for Your Dedication to Making Orting a Great Place to Live, Work, Play, & Do Business!

HONORED AT THE MANAGEMENT MEETING ON THE 30™ OF MARCH 2021 AND AT A CITY COUNCIL MEETING ON APRIL 28™, 2021

## THE MAYOR AND THE CHIEF OF POLICE OF THE CITY OF ORTING WISH TO RECOGNIZE DEVON GABRELUK

The Following Statements Were made by the Chief of Police:

Lieutenant Gabreluk exceedingly strives to look for new, innovative ways to improve both basic and technical functions within the Orting Police Department. Selflessly, Lieutenant Gabreluk always offers his sharp insights and unique skill sets to help other City departments as well. Throughout the COVID pandemic, each City department was regularly forced to adapt to new protocols while striving to minimize day-to-day impacts.

In an effort to keep the Orting Municipal Court's required efforts to sustain uninterrupted workflow, Lieutenant Gabreluk graciously offered his technical expertise to establish a virtual courtroom. This comprehensive, technical endeavor safeguarded our court staff while keeping the Orting Municipal Court in session, without interruption. Lieutenant Gabreluk even offered to switch his hours on court days so he could keep his keen eye on the virtual environment, just in case he needed to mitigate unsuspecting challenges that might occur at a virtual meeting. Lieutenant Gabreluk's commitment to produce impactful work for the betterment of our interdepartmental teams makes all of our jobs much easier, and we are especially grateful for it.

Thank You Devon for Your Dedication to Making Orting a Great Place to Live, Work, Play, & Do Business!

A. AB 21-20- Comcast Franchise Agreement, Ordinance No. 2021-1076, An Ordinance Of The City Of Orting, Washington, Approving And Adopting A New Franchise Agreement With Comcast Cable Communications Management, LLC.

Attorney Archer briefed on the Proposed Ordinance which would approve and adopt a franchise agreement with Comcast Cable Communications Management, LLC. Council discussion followed. If passed the City Council would authorize the Mayor to execute a non-exclusive cable television franchise agreement with Comcast Cable to govern the terms and fees for Comcast's presence in the City's rights of ways. The term of the new franchise is 10 years from the date of mutual acceptance. The new agreement has a change in the rate structure. Currently Comcast Cable customers pay a flat fee of \$0.25 per month to subsidize public access channels. This agreement changes the fee structure to a percent of gross revenue model, and in this case the rate is 0.375%. Based on Rainier Communication Company's (RCC) analysis the average cable customer currently has a bill of about \$88.00 per month. This would mean an increase in the bill from \$0.25 per month to approximately \$0.33 per month or a total of \$0.96 per year. These fees pay for the services of Pierce County Television, an arm of RCC.

Deputy Mayor Hogan Made A Motion To Adopt Ordinance No 2021-1076, An Ordinance Of The City Of Orting, Washington, Approving And Adopting A New Franchise Agreement With Comcast Cable Communications Management, LLC. Staff reached out to Pierce Conservation District and they have agreed to help the city with wetland plantings for Gratzer ballfield. This Interlocal Agreement allows the City to acquire the plantings at a discount. The price is for mitigation plantings on Phase 1 (the two baseball fields), and additional plantings to mitigate Phase 2 (soccer/football field currently out for construction) will be purchased at a later date for an additional cost. Staff does not expect the total price of mitigation plantings to exceed the approved budget.

#### **SUMMARY STATEMENT:**

Council committees have been discussing 2021 goals since January and the whole council met at a Special Meeting in March to discuss all submitted goals. Goals were further refined at April committee meetings. Currently there are 16 goals that have been agreed on with timelines to complete the goals by the end of 2021 or early 2022. The creation of goals allows committee work to be planned and provides expectations to staff on what we should be focusing our time on. The goals also allow us to be accountable to the council and focus on the agreed upon policy priorities. Staff will provide committees with periodic updates on progress through the end of the year.

RECOMMENDED ACTION: MOTION: To Adopt Resolution No. 2021-05, A Resolution Of The City Of Orting Establishing 2021 Goals.

#### SUMMARY STATEMENT:

The City Council made a rule change on March 31st, 2021 by adding a Committee outline report to section 4. 4.1 (8). The change allows Committee chairs to advise the citizens of agenda items that will be moving forward to the next study session from the committee level at the first meeting of the month.

The original proposal was brought forth by Councilmember Kelly who feels that the language agreed upon at the meeting on the 31st of March, 2021, falls short of explaining his intent. His intent was that each committee chair would report the agenda bill titles of agenda items that would be moving out of committee to the next study session.

The proposed change in language is attached for Council review and discussion.
