ORTING CITY COUNCIL Regular Business Meeting Minutes

Virtual, Orting, WA ay 12th, 2021, 7pm.

JOSHUA PENNER, MAYOR, CHAIR

1. CALL MEETING TO ORDER, PLEDGE OF ALLEGIANCE, AND ROLL CALL.

Mayor Penner called the meeting to order at 7:00pm. Councilmember Drennen led the pledge of allegiance, and then roll call was taken.

Councilmembers Present: Deputy Mayor Greg Hogan, Councilmembers Tod Gunther, John Williams, Scott Drennen, Tony Belot, and Gregg Bradshaw. Councilmember Kelly joined the meeting at 7:43pm. **Staff Present:** Scott Larson, City Administrator, Jane Montgomery, City Clerk, Gretchen Russo, Finance Director, Charlotte Archer, City Attorney, JC Hungerford, Engineer, Emily Adams, City Planner, Kim Agfalvi, Acting City Clerk

Councilmember Hogan made a motion to excuse Councilmember Kelly. Second by Councilmember Bradshaw. Motion passed (6-0)

Mayor Penner read the following announcement:

*The City utilized remote attendance for Councilmembers and City employees. Please note: OPMA rules regarding provision for the public in a space were suspended by proclamation of the Governor. The meeting was available to the public by a computer link or by phone.

REQUEST FOR ADDITIONS OR MODIFICATIONS TO THE AGENDA.

No requests were made.

2. Presentation

A. Granicus - New City Website

Scott Larson, City Administrator briefed on the new City website. Brian Pope from Granicus provided an overview of the new City website. Brian was unable to utilize screen share due to technical difficulties, and ongoing issues with Blue Jeans. The presentation will be rescheduled to a future meeting.

3. COMMITTEE REPORTS ON TITLES OF AGENDA BILLS MOVING TO STUDY SESSION FROM COMMITTEE.

A. Public Works Committee – Councilmember Drennan briefed on the SR 162 Ad Hoc Committee. A date has been set to give input on the final design of the bridge. Councilmember Drennan also briefed that on call professional services extended the contract with Parametrix. He also stated that one bid proposal was received on sidewalk reconstruction for Calistoga Place, and will be moving forward to study session.

- **B. Community and Government Affairs** Councilmember Williams briefed on the possible acquisition of property from Pierce County for another City Park.
- **C. Public Safety Committee** Councilmember Belot briefed that Public Safety Meeting was moved to Friday, May 14th so no report was made.

4. PUBLIC COMMENTS

No public comments were made

5. CONSENT AGENDA

- **A.** Study Session Meeting Minutes of April 21st, 2021.
- **B.** Regular Meeting Minutes of April 28th, 2021.
- C. Payroll and Claims Warrants

Councilmember Belot made a motion to approve Consent Agenda as prepared. Second by Councilmember Williams. Motion passed (6-0)

6. NEW BUSINESS

A. AB21-37-2020 Audit Reports

Gretchen Russo, Finance Director, briefed the Council on the 2020 Audit reports. She stated there were no instances of non-compliance for internal controls or material misstatements. Auditors found no internal control issues and financial statements are a fair representation of our financial position as of December 31, 2019. Each year auditors target different areas, and they had targeted restrictive funds called REET (Real Estate Excise Tax) funds. This revenue is split into different categories. REET one can be used for capital improvements or maintenance of those capital projects. REET two is more restrictive and can only be used for capital projects. The City previously decided that these restrictive funds should be used for improvements for streets and parks. The City must ensure that these expenditures are in alignment with our street and parks plan.

7. EXECUTIVE SESSION

Attorney Archer stated that there would be an Executive Session per RCW. 42.30.110 (1) (i), litigation or legal risks of a proposed action or current practice that the agency has identified when public discussion of the litigation or legal risks is likely to result in adverse legal or financial consequence to the agency. They anticipated that the session would last ten minutes and no action would take place after the executive session was over.

Attorney Archer also stated that immediately following the executive session the Council would move to a Closed Session pursuant to RCW 42.30.140 (4) (a) – Collective Bargaining Negotiating, and they anticipated that the Closed Session would last 15 minutes. Action is not anticipated upon return to Open Session.

Mayor Penner recessed the meeting to Executive Session at 7:28pm.

7:28 pm Recessed to Executive Session.

7:38 pm Executive Session was extended for two minutes.

7:40 pm Executive Session was recessed.

7:40pm Closed Session Started

7:55pm Closed Session was extended for ten minutes.

8:05pm Closed Session was extended for 5 minutes.

8:10pm Closed Session was extended for 2 minutes.

8:12pm Closed Session was extended for 2 minutes.

8:14pm Closed Session was extended for 2 minutes.

8:16pm Closed Session was extended for 2 minutes. 8:18pm Closed Session was extended for 5 minutes.

8:20pm Closed Session was extended for 3 minutes.

o.zopin olosed oession was extended for o mine

8:23pm Closed session ended.

Mayor Penner called the meeting back to order at 8:23pm.

9. ADJOURNMENT

(7-0).	
Mayor Penner recessed the meeting at 8:23pm.	
ΛΤΤΓΟΤ.

SUMMARY STATEMENT: The Wolfe Levee Mitigation Site was installed in 2015 in accordance with the *Final Mitigation Plan Wolfe Setback Levee* (Parametrix 2013). The mitigation site requires ongoing monitoring and reporting to ecology, with heavy efforts 2020-2022. Much of the 2020 field work was delayed due to Covid-19. This scope of work details services to be performed to monitor the mitigation site for flooding frequency and wetland conditions for monitoring years (2020 to 2022).

This work is fully funded by a Pierce County Flood Control Zone District grant balance from the construction of the levee. Much of this work was anticipate to be completed in 2020 but was delayed due to the pandemic.

RECOMMENDED ACTION: MOTION: To Approve The Wolfe Levee Setback Mitigation Site Monitoring Plan Scope And Budget Provided By Parametrix As Presented, In The Amount Of \$83,560.

SCOPE OF WORK

City of Orting Wolfe Levee Setback Mitigation Site Monitoring Plan

INTRODUCTION

The Wolfe Levee Mitigation Site was installed in 2015 in accordance with the *Final Mitigation Plan Wolfe Setback Levee* (Parametrix 2013). On February 5, 2020, Washington Department of Ecology (Ecology) visited the site and recommended a course of action to bring the site into compliance. Based on these recommendations, Parametrix conducted site visits in May 2020 and provided a contingency monitoring plan based on observations and analysis of the mitigation site's conditions described in a technical memorandum dated June 18, 2020. Ecology approved the contingency monitoring plan with additional comments and requests in a follow-up email on July 15, 2020, which were applied to the final Monitoring Plan, dated September 3, 2020 (Parametrix 2020). This scope of work details services to be performed to monitor the mitigation site for flooding frequency and wetland conditions for monitoring years 5 through 6 (2020 to 2021).

TASK 1 – PROJECT MANAGEMENT AND AGENCY COORDINATION

Work under this task includes time to administer and coordinate the various project elements and will be ongoing throughout each monitoring year. Work includes the following:

- Coordination, correspondence, and review meetings with City of Orting staff and Ecology.
- In-house project administration, scheduling, and direction of project staff.
- Preparation of monthly progress reports.

Deliverables

- Monthly invoices and progress reports.
- Miscellaneous correspondence and letters.
- In-house monthly project meetings.

TASK 2 - MITIGATION PLAN REVISIONS

To gain an understanding of the extent of wetlands within the mitigation site, wetland conditions will be assessed by performing wetland delineations that will be aided by wetland hydrology monitoring at groundwater wells.

Task 2.1 - Groundwater Well Installation, Data Collection, and Analysis

Nine shallow groundwater wells were installed in fall 2020 in locations described on the final monitoring plan (Parametrix 2020) to document wetland hydrology and aid in wetland delineations. Groundwater wells were located using a handheld Trimble GPS unit. Groundwater well data will be collected continuously after installation in 2020, using data recording pressure transducers starting in Year 5 (fall 2020), and continuing in Year 6 (2021),

Assumptions

 During years where groundwater well data will be collected and analyzed, data at each well will be downloaded monthly.

Task 2.2 – Wetland Delineation Fieldwork

An assessment of all wetlands within the mitigation site will be conducted at the end of the Year 5 growing season (2020) and a wetland delineation will be completed in the early growing season of Year 6 (2021). The Year 5 wetland assessment will be used to aid in exact placement of groundwater wells. The wetland delineation will be advised by the direct monitoring of hydrology through the growing season. A wetland functional assessment using the 2014 Ecology wetland rating will be included in Year 6. The wetland delineation will be conducted in accordance with the Corps of Engineers Wetland Delineation Manual (Environmental Laboratory 1987) and the indicators described in the Corps Regional Supplement to the Corps of Engineers Wetland Delineation Manual: Western Mountains, Valleys, and Coast Region (.

Task 2.3 – Reporting

The Year 6 report will include results of the groundwater well data, wetland delineation (including figures), and observations of wildlife use including spawning.

Deliverables

- Draft wetland conditions monitoring report.
- Final wetland conditions report following review period of draft report.

Assumptions

- Rationale of proposed location of groundwater wells is based on approval by the Corps and Ecology I prior to being installed.
- The monitoring report will be provided in Year 6. See Table 2 on the following page for schedule and deliverables due dates.
- Up to 20 wetland determination forms and up to 2 wetland rating forms and figures are included.

The final report will include revisions based on one round of review comments on the Draft from Ecology and the Corps.

Table 2. Wetland Conditions Monitoring Schedule

Monitoring Year	Year Ending	Actions	Deliverables / Date
5	2020	Install groundwater wells, obtain data from groundwater wells on monthly basis. Preliminary wetland assessment at end of growing season.	None.
6	2021	Obtain data from groundwater wells on monthly basis. Data analysis includes data from October 2020 through May 2021. Wetland delineation of entire site.	Draft report/June 30, 2021. Final report following review period.

TASK 3 - POST HIGH WATER EVALUATION

Perform monitoring to assess the hydrologic modeling and current performance of the levee setback using the three following measures: (1) frequency of Puyallup River inundation between the breached and setback levees, (2) geographic extent of water inundation between the breached and setback levees, and (3) geomorphic features assessment of newly formed channels at mitigation areas between the breached and setback levees as it relates to inundation.

Task 3.1 – Monitoring Installation and Baseline Conditions Assessment for Year 5

- a) Install three staff gauges during fall of 2020. Location and elevation of the staff gauges will be measured using conventional survey methods as part of Task 4.
- b) Establish transects perpendicular to river flow to span the entire area between the old levee and the setback levee. Transects will be extended across the side channel of the Puyallup River. The transects will be staked with rebar at the ends and capped for safety.
- c) Establish photo points positioned to capture and document observations of inundation and notable geomorphic features from consistent points near the staff gauges and from positions along the transects.
- d) Perform baseline conditions assessment by recording observations of high-water marks and geomorphic features observable from transects and photo points, as well as photographing the site from established photo points in each of the four cardinal directions.
- e) Document baseline conditions assessment in technical memorandum due December 31, 2020.

Deliverables

• Technical memorandum documenting topographic cross sections, high-water marks, and geomorphic features observed from established transects due December 31, 2020.

Assumptions

• The technical memorandum will not include hydrologic data.

Task 3.2 - Continued Monitoring for Year 6

a) Staff gauges will automatically record and store stage height measurement between October 1 and April 30 of each monitoring year. Data will be obtained from the gauge immediately following any suspected inundation events based on the tracking of publicly available streamgage data from the U.S.

- Geological Survey (USGS) 12093500 station on the Puyallup River near Orting, or immediately following the end of the monitoring period.
- b) Data collection at transects and photo points will occur immediately following inundation events, or at least once immediately following the October 1 to April 30 flood monitoring period. Along each transect or immediately observable from each transect, the following activities will occur: record of locations of high-water marks from any recent inundation events and record of geomorphic feature development including side channel formation, sediment degradation, and sediment aggradation areas. The control point stakes are expected to remain vertically stable and will be used to tie cross section elevations to a vertical datum.
- c) Photographs will be taken at established photo points, as well as along established transects in each of the four cardinal directions. Photo point data collection will occur in tandem with each transect cross section collection event and will be limited to the area within direct observation of the transect.
- d) A separate site visit will occur during low flow to obtain three Puyallup River main channel cross sections during year 6 to document changes to the channel cross section geometry and elevation.

Deliverables

- Draft technical memorandum detailing preliminary hydrologic monitoring data to be provided to Ecology within 4 weeks following inundation event or completion of hydrologic data collection on April 30.
- Draft flooding assessment monitoring report will include at a minimum the following: results and
 interpretation of hydrologic monitoring data, a photo point log with qualitative and quantitative
 descriptions of inundation extents and geomorphic features measured on or immediately observable
 from transects and photo points, and figures depicting transect cross sections and observation notes. A
 map of location of the beaver dams and impoundments will also be included.
- Final flooding assessment report following review period of draft report.

Assumptions

- In Year 6, the draft report will be due to Ecology and the U.S. Army Corps of Engineers (Corps) by June 30, 2021.
- The final report will include revisions based on one round of review comments on the Draft from Ecology and the Corps. See Table 1 for schedule and deliverables due dates.
- The monitoring proposed here modifies the process detailed in the original mitigation plan and will take effect beginning at year 6 after construction, and continue for years 7, 8, 9, and 10.
- The standards used to assess success of the levee setback are based off assumptions that the mitigation area was expected to be flooded to some extent by the Puyallup River on an average of every 2 to 3 years based on the elevation of the levee, that a 10-year mean recurrence interval peak flow event was expected to occur during the 10-year monitoring period, and that floods greater than the 10-year event will not occur during the 10-year monitoring period. These assumptions are model-based and there can be no certainty that these events will occur or not occur during the monitoring as expected.
- Conventional surveying of project staff gauges and transect end stakes will be performed under Task 4.

SCOPE OF WORK (continued)

Table 1. Flood Monitoring Schedule

Monitoring Year	Year Ending	Actions	Deliverables/Date
5	2020	Establish gauges, transects, and photo points; collect baseline conditions along transects including topographic cross sections, high-water marks, and geomorphic features observed from transects.	Technical memorandum documenting baseline conditions/December 2020.
6	2021	Obtain hydrologic data; obtain topographic cross sections, high-water marks, and geomorphic features observed from transects.	Draft report /June 30, 2021. Final report following review period.

Attachments: Scope and budget for professional services

SUMMARY STATEMENT:

The City has a Washington Department of Commerce grant that expires on June 30, 2021. The City has requested that Parametrix utilize this funding to push the design forward and coordinate with the City on aesthetic changes and upgrades to the bridge such as lighting and railing design.

RECOMMENDED ACTION: Motion: To Approve The Attached Orting Emergency Evacuation Pedestrian Bridge Ps &E, Amendment No. 2 Scope And Budget Provided By Parametrix In The Amount Of \$49,880.

SCOPE OF WORK

City of Orting

Emergency Evacuation Pedestrian Bridge System/SR 162 Pedestrian Overcrossing Plans, Specifications, and Estimate (PS&E) Amendment No. 2

The purpose of this Scope of work is to progress the design to allocate the City's grant funds. This will include a submittal to WSDOT and making aesthetic design decisions.

PHASE 1 - DESIGN

TASK 1- Project Management and Support

Measurable Task Objectives

Parametrix (Consultant) will monitor the progress of the work tasks, staff workloads, and milestones/deliverables with the project schedule, and will make adjustments as necessary to keep the project on track.

Approach

Our approach to the Engineering Services will include the following:

- Prepare a schedule showing a specific deliverable date.
- Prepare progress report and billings.

Assumptions:

None

Deliverables

• Monthly progress letters and invoices.

TASK 2 – Design

Approach

The design elements will include

- Design calculations
- Structures barlist
- Drainage
- Civil design

Assumptions

• Additional potential design items are included under Task 06 Management Reserve.

Deliverables

• Review set submittal to WSDOT and the City of Orting

TASK 3 -Plans

Approach

• Complete the submittal of structural, civil, traffic control, and stormwater plans.

Assumptions

• The plans will be submitted to WSDOT for review and comment.

Deliverables

Review set for City and WSDOT

TASK 4 – Prepare Engineers Estimate of Probable Construction Cost

Approach

Prepare the updated engineers estimate of probable construction cost.

Assumptions

• Unit costs will be based on available recent WSDOT Unit Bid Analysis

Deliverables

• Engineers estimate of probable construction cost

TASK 5 - QA/QC

Approach

Utilizing the standards and procedures established by Parametrix as a base, we will internally develop an appropriate plan for quality, to ensure proper documentation of process design, peer and senior staff review, and other factors, as appropriate. QA/QC will be applied to the plans, calculations, specifications, and estimate.

TASK 6 - Management Reserve

Approach

A Management Reserve will be established for potential project design elements that are unknown at this time. These elements currently include:

• Bridge lighting – This budget does not include design of lighting, but technical support to make a lighting selection. Level of effort is not known at this time.

SCOPE OF WORK (continued)

- Pedestrian railing for the bridge main span over SR 162
- Pedestrian overlook at the Pier 2 landing
- Signage attachment to the main span girders over SR 162
- Bridge aesthetic surface treatments

Depending on decisions made during this Task, additional design budget will likely be needed. This Task is to provide technical support to help with the decision process and make minor design revisions to the current design. A fee estimate will be developed for the effort required for the design and plan development costs listed above.

Assumptions

• All City decisions will be made by the end of May 2021.

SUMMARY STATEMENT:

This project includes the removal and replacement of sidewalk sections that were patched with asphalt cold-mix on Phoenix Ave SW, Skinner Way SW, Belfair Ave. SW, Cammerano Ct. SW and Johnson Ct. SW. These sections will be replaced with concrete to currents standards. The City advertised for sidewalk replacement services and received three responsive bids. The lowest responsive bid is OCO Concrete Construction.

Budget: The City budgeted sidewalk maintenance in the streets fund for 2021 in the amount of \$13,500. In the past the City has also utilized money from the TBD fund to pay for sidewalk maintenance and replacement. Since no money was budgeted to be spent out of the TBD fund for 2021, staff is recommending that the council approve the balance of the project to be paid for out of the TBD fund.

RECOMMENDED ACTION: MOTION: To Approve OCO Concrete Construction As The Low Bidder And Authorize The Mayor To Sign A Contract In The Amount Of \$34,639.80.

Attachments: Bid Documents

SUMMARY STATEMENT:

One of the three 18" plug valves at the WWTP that drain the secondary effluent out of the sequential batch reactors (SBR) has failed. It is currently seized in the closed position. Both Public Works and Engineering staff are recommending purchase of the valve, gearbox, and actuator from HD Fowler. The gearbox and electronic actuator have not failed but are going to be maintained as necessary and kept as spares as these valves are nearing the end of their design life.

The City will be requesting bids to replace the valve but given the long lead time (up to 10 weeks), the City wants to purchase the valve now.

RECOMMENDED ACTION: MOTION: To Approve The Purchase Of A New 18-Inch Plug Valve, Gear Box And Electronic Actuator In The Amount Of \$27,586.22 From HD Fowler, Inc.

TO CONTRACTORS:

Attached is the H. D. Fowler Company quotation for materials we are offering on the above-listed project. This quotation is based on our interpretation of the plans and specifications. To accurately bid any project, it is necessary for the contractor to perform his own item and quantity take-off. We also strongly suggest that the contractor confirm the material list before ordering. Please carefully review the Terms & Conditions of Sale which also accompany this bid.

All products quoted are furnished with the factory's standard shop coating, unless otherwise stated in our quote. The provisions for field startup and the technical service of a manufacturer's representative are not included, unless otherwise stated in our quote.

Prices quoted are based on quantities shown and are subject to revision if quantities ordered vary substantially.

Due to unstable market conditions, rising fuel and raw materials costs, HD Fowler Company requests that you carefully evaluate material costs and the duration of price protection we are able to offer and plan accordingly. We value your business and will do our best to communicate changes in market conditions while assisting you through this difficult situation. Due to current unstable price conditions, unless specifically stated otherwise, the prices in this proposal are subject to change and material will be invoiced at the prices in effect at the time of shipment.

Required drawings of any kind are not included in this proposal unless specifically stated as a line item.

Prices of fabricated piping are based on lengths shown. Contractor is advised to verify lengths, tap and seep ring locations prior to ordering. All products from our fabrication shop are made by non-union employees.

Bolt, nut, stud, gasket and other fastener products are for estimating purposes only. Required fasteners need to be determined by the contractor.

The prices quoted on pipe are based on shipping full truckloads direct from the factory. In the event quantity ordered is less than truckload, shipment would have to be combined with others to make full truck and delivery time would depend on our ability to do so.

Prices on copper tubing are extremely volatile and subject to change. They will be billed at the price in effect at time of shipment.

Due to varying trench depths and pumper thread specifications, we advise confirmation on fire hydrant requirements prior to ordering.

FOB: Jobsite.

Payment Terms: Net 10th Prox.

(subject to Credit approval)

Addenda Received for this project:

Delivery: 4-6 WEEKS ARO

AGREEMENT; ACCEPTANCE.

This document (Agreement) contains all of the terms and conditions with respect to the sale and purchase of the material ordered by Purchaser and sold by H. D. Fowler Co., Inc. (Fowler). This Agreement constitutes the entire agreement between Fowler and Purchaser; it will not be amended, altered, or changed except by a written agreement signed by both parties. Purchasers acceptance of the material shall conclusively evidence Purchasers acceptance of these terms and conditions.

SHIPPING AND DELIVERY.

Shipment or delivery dates are estimates only. Fowler will not be liable for any failure or delay in making shipment or delivery caused by any contingency beyond Fowlers control, or the control of Fowlers vendors, with whom Fowler has contracted to cover this offer to sell materials to Purchaser. Such contingencies include but are not limited to: labor conditions, material shortages, carrier delays, acts of God, fire, weather, accidents, embargoes, war, insurrection, riots, government regulations, pandemics, or other causes beyond the control of Fowler and its vendors. Any time periods for Fowlers performance under this Agreement shall be extended accordingly. When materials are sold freight on board (FOB) shipping point or FOB shipping point freight allowed, Fowlers responsibility for loss or damage in transit terminates upon acceptance of material by the carrier. When sold FOB destination, Fowlers responsibility for loss or damage in transit terminates upon acceptance of material by the carrier. Upon receipt of shipments,, or benefits payable to or for any third party under workers compensation acts, disability benefits acts, or other employee benefits acts; provided, Purchasers waiver of immunity by the provisions of this paragraph extends only to claims against Purchaser by Fowler, and does not include, or extend to, any claims by Purchasers employees directly against Purchaser. Subject to Purchasers duty to defend Fowler, if applicable, Fowlers right to recovery of its defense costs shall include all fees (of attorneys and expents), costs, and expenses. In addition, Fowler shall be entitled to recover compensation for all of its in-house expenses (including materials and labor) consumed in its defense owler shall have no responsibility for incorrect materials after installation of such items.

3. RETURN

Except as otherwise provided herein, material may not be returned without Fowlers prior written consent, in its sole discretion. If a return is approved by Fowler, standard items normally carried in Fowlers stock, returned in a new condition, will be credited less fifteen percent (15%) to cover handling costs. Special items manufactured to order may not be returned. All returned material must be shipped freight prepaid and the risk of loss will remain with the Purchaser until Fowler receives the materials.

4. TAXES

Purchaser shall be responsible for the payment of all federal, state, provincial, county, local, or government taxes, including but not limited to, sales tax, use tax, value added tax, goods and services tax, or other excise tax that may be applied on the material (Taxes), and shall defend, indemnify and hold Fowler harmless from those Taxes. Fowler shall be responsible for any tax based solely upon its net income. Purchaser may supply Fowler with a valid Resale Certificate or other form certifying an exemption from the payment of Taxes from the taxing authority having proper jurisdiction over the order.

PAYMENT TERMS.

Fowler will submit invoices to Purchaser upon the shipment of materials. Invoices shall be paid by Purchaser on or before the tenth (10th) day of the following month. Late payments shall accrue interest at the rate of one percent (1%) per month until paid, commencing on the first (1th) day of the month after the month in which payment was due. Prices are based on current published freight rates and are subject to adjustment if freight rates are increased. Prices include domestic packing for commercial truck shipment only. Fowlers offer herein is subject to approval by Fowlers Credit Department after Purchasers acceptance.

If Purchaser fails to comply with terms of payment or sale, or if Purchasers financial responsibility becomes impaired or unsatisfactory to Fowler, Fowler reserves the right to withhold further deliveries on partially filled orders and to require payment in advance or satisfactory security or guarantee that invoices will be paid when due. Purchaser agrees to accept and pay for partial shipments.

6. <u>LIMITED WARRANTY; LIMITATION OF LIABILITY</u>.

The materials supplied hereunder are subject to the relevant third-party manufacturers warranties, which shall pass to Purchaser to the extent assignable. When provided reasonable notice, Fowler agrees to use commercially reasonable efforts to assist Purchaser with pursuing remedies under the manufacturers warranties for up to one (1) year from the date of sale, provided that Fowler shall not be required to incur any expenses. FOWLER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FOWLER SHALL HAVE NO LIABILITY OR RESPONSIBILITY FOR THE DESIGN OF THE PROJECT IN WHICH THE MATERIALS WILL BE INSTALLED. FOWLER SHALL NOT BE REQUIRED TO HOLD THE MATERIALS FREE OF THE CLAIM OF ANY THIRD PERSON BY WAY OF PATENT OR TRADEMARK INFRINGEMENT, PROVIDED THAT THE FOREGOING SHALL NOT BE DEEMED TO AFFECT ANY REMEDIES AVAILABLE TO PURCHASER UNDER APPLICABLE THIRD-PARTY MANDIES CTUREDES WARRANTIES.

MANUFACTURERS WARRANTIES.
IN NO EVENT SHALL FOWLER BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY, OR OTHER DAMAGES AND/OR LOSS OF PROFITS BASED ON PRODUCT LIABILITY, STRICT LIABILITY, TORT (INCLUDING NEGLIGENCE), BREACH OF CONTRACT, OR OTHERWISE. FOWLERS TOTAL LIABILITY FOR ANY AND ALL LOSSES, DAMAGES, LIABILITIES, AND/OR INDEMNITIES ARISING UNDER OR RELATING TO THIS AGREEMENT, UNDER ANY THEORY OF LIABILITY, SHALL BE LIMITED TO THE PURCHASE PRICE PAID TO FOWLER FOR THE APPLICABLE MATERIALS THAT ARE THE SUBJECT OF THE CLAIM.

7. INDEMNIFICATION

Purchaser agrees to defend, indemnify, and hold Fowler harmless from any and all claims, demands, losses, and liabilities to or by third parties arising from, resulting from, or connected with the material to be finished under this Agreement, even though such claims may prove to be false, groundless, or fraudulent, to the fullest extent permitted by law and subject to the limitations provided below. Purchasers duty to indemnify Fowler shall not apply to liability for damages arising out of bodily injury to persons or damage to property caused by, or resulting from, the sole negligence of Fowler. Purchasers duty to indemnify Fowler to liability for damages arising out of bodily injury to persons or damage to property caused by, or resulting from, the concurrent negligence of Fowler and Purchaser, shall apply only to the extent of negligence of Purchaser. Further, the indemnification obligation under this Agreement shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers compensation acts, disability benefits acts, or other employee benefits acts; provided, Purchasers waiver of immunity by the provisions of this paragraph extends only to claims against Purchaser by Fowler, and does not include, or extend to, any claims by Purchasers employees directly against Purchasers duty to defend Fowler, if applicable, Fowlers right to recovery of its defense costs shall include all fees (of attorneys and experts), costs, and expenses. In addition, Fowler shall be entitled to recover compensation for all of its in-house expenses (including materials and labor) consumed in its defense.

8. TERM AND TERMINATION.

The terms within this Agreement shall survive the completion, suspension or termination of this Agreement and the exchange of material governed under this Agreement

9. Successors and Assigns

Fowlers successors and assigns shall be entitled to assume the liabilities and obligations, and succeed to the rights and interests, of Fowler under this Agreement at any time and without limitation. This Agreement may not be assigned by Purchaser without Fowlers prior written consent, in Fowlers sole discretion.

10. MEDIATION AND BINDING DISPUTE RESOLUTION.

In the event of any dispute relating to this Agreement, the parties agree to enter into mediation under the Construction Industry Rules of the American Arbitration Association. The costs of the mediator shall be paid equally. The parties agree that mediation shall occur in Seattle, Washington. In the event mediation fails to resolve the dispute, the parties agree to submit any and all disputes to binding arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association. The parties agree that arbitration shall occur in Seattle, Washington. In any arbitration proceeding between Fowler and Purchaser, the prevailing party shall be awarded its reasonable attorneys fees and costs. The parties shall mutually agree upon the mediator or arbitrator, as applicable, to be used for the dispute resolution procedures set forth above. If the parties do not mutually agree to a mediator or arbitrator, either party may apply to the King County Superior Court, requesting the appo, or benefits payable to or for any

11. APPLICABLE LAW.

This Agreement shall be governed by and enforced in accordance with the laws of the State of Washington without giving effect to principles regarding conflict of laws.

Delays or Omissions

No delay or omission to exercise any right, power, or remedy accruing to either party upon any breach or default of the other party hereto shall impair any such right, power, or remedy of such non-defaulting party, nor shall it be construed to be a waiver of any such breach or default or an acquiescence therein, or of any similar breach or default thereafter occurring. A waiver of a breach or default by a party shall not be deemed to be a waiver of any other breach or default.

SEVERABILITY.

In the event any provision herein should be held unenforceable, such provision shall be deemed to be amended so that it will be enforceable to the fullest extent permitted by law, and all remaining provisions shall continue in full force without being affected, impaired, or invalidated thereby in any way.

Rules of Construction.

The parties acknowledge that they have been represented by, or had an opportunity to consult with, competent counsel with respect to this Agreement and therefore waive the application of any law, regulation, holding, or rule of construction providing that ambiguities in an agreement will be construed against the party drafting such agreement.

15. Effect of Headings

The section headings herein are for convenience only and shall not affect the construction or interpretation of this Agreement.

Fiscal Note: The cost for these services have come out of our "Legal Services" budget in the past. Legal services have been less expensive YTD than expected so the impact on the budget for these services should be small.

Attachments: Proposed Professional Services Contract with Cabot Dow Associates

SUMMARY STATEMENT:

During the City's 2019 negotiation with the ASFCME Local 120 union, the city hired Cabot Dow Associates to assist City Administration in its bargaining. This arrangement worked out well as Cabot Dow Associates provided the experience and knowledge of someone stays current in the labor negotiation world. City Administration would like to bring Cabot Dow Associates back assist us with the negotiation of a successor agreement with Police Guild.

Per the City's Purchasing Policy, this type Professional Service requires that the city obtain quotes from three qualified firms. In 2019 when the City solicited bids we received only one response. Further, Cabot Dow associates has agreed to the same rate as in 2019. Due to the City's good experience with Cabot Dow Associates, and the value of the City's Administration building a trusting relationship with the negotiator; staff are requesting that Council waive the bidding requirements at this time for this particular service.

RECOMMENDED ACTION: MOTION: To Authorize The Mayor To Execute A Contract With Cabot Dow Associates For Labor Negotiation Services To Bargain With The Police Guild For An Amount Not To Exceed \$12,500; And Waiving The Requirements Of The City's Purchasing Policy At Part VII (2).

PROFESSIONAL SERVICES AGREEMENT BY AND BETWEEN CITY OF ORTING, WASHINGTON AND CABOT DOW ASSOCIATES, INC.

This Agreement is entered into by and between the City of Orting, Washington, a non-charter optional municipal code city hereinafter referred to as "the CITY," and CABOT DOW ASSOCIATES, INC., P.O. Box 1806, Bellevue, WA 98009, a consultant providing labor relations services, hereinafter referred to as the "CONSULTANT."

WHEREAS, the CITY is required by Ch. 41.56 RCW to negotiate in good faith with regard to the terms and conditions of a successor labor contract with the Orting Police Guild bargaining unit;

WHEREAS, the CITY is desirous of obtaining the services of a labor consultant to assist in negotiations involving the labor agreement covering its commissioned police personnel bargaining unit;

WHEREAS, the CONSULTANT has the knowledge and experience to assist and represent the CITY in said negotiations;

NOW, THEREFORE, in consideration of the mutual benefits and conditions hereinafter contained, the parties hereto agree as follows:

- 1. SCOPE AND SCHEDULE OF SERVICES TO BE PERFORMED BY CONSULTANT. The CONSULTANT shall perform those services described on Exhibit A attached hereto and incorporated herein by this reference as if fully set forth. In performing such services, the CONSULTANT shall at all times comply with all Federal, State, and local statutes, rules and ordinances required of the CONSULTANT in the performance of such services and the handling of any funds used in connection therewith. The CONSULTANT shall request and obtain prior written approval from the CITY if the scope or schedule is to be modified in any way.
- 2. COMPENSATION AND METHOD OF PAYMENT. The CITY shall pay the CONSULTANT for services at the rate of one-hundred sixty-five dollars (\$165.00) per hour for work performed on behalf of the CITY, and for virtual bargaining meeting attendance. In the event that the CONSULTANT appears in person for bargaining, the CITY shall pay the CONSULTANT one-hundred seventy-five dollars (\$175.00) per hour. The CONSULTANT will bill the CITY for time spent when traveling from Bellevue to Orting but not for time returning to Bellevue at one-hundred and seventy-five dollars (\$175.00) per hour. The maximum cost under this Agreement shall not exceed \$12,000.00, unless expressly authorized by the CITY. The CITY agrees to pay the CONSULTANT monthly upon appropriate billings, which will be itemized as to date services are performed and description of services provided.
- 3. **DURATION OF AGREEMENT.** This Agreement shall be in full force and effect for a period of one year commencing upon mutual execution of this Agreement, unless sooner terminated under the provisions hereinafter specified.

- 5. INDEPENDENT CONSULTANT. CONSULTANT and CITY agree that CONSULTANT is an independent CONSULTANT with respect to the services provided pursuant to this Agreement. Nothing in this Agreement shall be considered to create the relationship of employer and employee between the parties hereto. Neither CONSULTANT nor any employee of CONSULTANT shall be entitled to any benefits accorded CITY employees by virtue of the services provided under this Agreement. The CITY shall not be responsible for withholding or otherwise deducting federal income tax or social security or contributing to the State Industrial Insurance Program, or otherwise assuming the duties of an employer with respect to the CONSULTANT, or any employee of the CONSULTANT.
- 6. INDEMNIFICATION/HOLD HARMLESS. CONSULTANT shall protect, indemnify, and save harmless the CITY, its officers, elected officials, agents, and employees from any and all costs, claims, judgments, or awards of damages (including costs and all attorney fees), arising out of or in any way resulting from the negligent acts, errors, or omissions of CONSULTANT, its officers, employees, and agents in performing this Agreement. In the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the CONSULTANT and the CITY, its officers, officials, employees, and volunteers, the CONSULTANT'S liability hereunder shall be only to the extent of the CONSULTANT's negligence. The provisions of this section shall survive the expiration or termination of this Agreement.
- 7. INSURANCE. The CONSULTANT shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the CONSULTANT, their agents, representatives, employees or sub-consultants. CONSULTANT's maintenance of insurance, its scope of coverage and limits as required herein shall not be construed to limit the liability of the CONSULTANT to the coverage provided by such insurance, or otherwise limit the CITY's recourse to any applicable remedy available at law or in equity.
 - A. <u>Minimum Scope of Insurance</u>. CONSULTANT shall obtain insurance of the types and with the limits described below:
 - 1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident. Automobile liability insurance shall cover all owned, non-owned, hired and leased vehicles. Coverage shall be written on Insurance Services Office (ISO) form CA 00 01 or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage.
 - 2. Commercial General Liability insurance with limits no less than \$1,000,000 each occurrence, \$2,000,000 general aggregate and \$2,000,000 products-completed operations aggregate limit. Commercial General Liability insurance shall be written on ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, independent CONSULTANTs, products-completed operations, stop gap liability, personal injury and advertising injury, and liability assumed under an insured contract. The Commercial General Liability insurance shall be endorsed to provide the Aggregate Per Project

- **9. AUDITS AND INSPECTIONS**. The records and documents with respect to all matters covered by this Agreement shall be subject at all times to inspection, review or audit by law during the performance of this Agreement.
- **10. TERMINATION**. This Agreement may be terminated by either party upon thirty (30) days written notice.
- 11. **DISCRIMINATION PROHIBITED**. The CONSULTANT, with regard to the work performed by it under this Agreement, will not discriminate on the grounds of race, religion, creed, color, national origin, age, veteran status, sex, sexual orientation, gender identity, marital status, political affiliation or the presence of any disability in the selection and retention of employees or procurement of materials or supplies.
- **12. ASSIGNMENT AND SUBCONTRACT**. The CONSULTANT shall not assign or subcontract any portion of the services contemplated by this Agreement without the written consent of the CITY.
- 13. ENTIRE AGREEMENT; MODIFICATION. This Agreement, together with attachments or addenda, represents the entire and integrated Agreement between the CITY and the CONSULTANT and supersedes all prior negotiations, representations, or agreements written or oral. No amendment or modification of this Agreement shall be of any force or effect unless it is in writing and signed by the parties.
- 14. SEVERABILITY AND SURVIVAL. If any term, condition or provision of this Agreement is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Agreement, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Agreement, shall survive termination of this Agreement.
 - **15. NOTICES**. Notices to the CITY of Orting shall be sent to the following address:

CITY Clerk, CITY of Orting 104 Bridge Street S - PO Box 489 Orting, WA 98360

Notices to the CONSULTANT shall be sent to the address provided by the CONSULTANT upon the signature line below.

16. APPLICABLE LAW; VENUE; ATTORNEY'S FEES. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. In the event any suit, arbitration, or other proceeding is instituted to enforce any term of this Agreement, the parties specifically understand and agree that venue shall be properly laid in Pierce County, Washington. Each party shall be responsible for its own attorneys' fees and bear the cost of presenting its own case.

Endorsement ISO form CG 25 03 11 85 or an equivalent endorsement. There shall be no endorsement or modification of the Commercial General Liability Insurance for liability arising from explosion, collapse or underground property damage. The CITY shall be named as an insured under the CONSULTANT's Commercial General Liability insurance policy with respect to the work performed for the CITY using ISO Additional Insured endorsement CG 20 10 10 01 and Additional Insured-Completed Operations endorsement CG 20 37 10 01 or substitute endorsements providing equivalent coverage.

- 3. Professional liability insurance appropriate for CONSULTANT's scope of work.
- B. Other Insurance Provision. The CONSULTANT's Automobile Liability and Commercial General Liability insurance policies are to contain, or be endorsed to contain that they shall be primary insurance with respect to the CITY. Any insurance, self-insurance, or insurance pool coverage maintained by the CITY shall be excess of the CONSULTANT's insurance and shall not contribute with it.
- C. <u>Acceptability of Insurers</u>. Insurance is to be placed with insurers with a current A.M. Best rating of not less than A: VII. (City accepts Farmers Insurance and Hiscox)
- D. <u>Verification of Coverage</u>. CONSULTANT shall furnish the CITY with a copy of original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the CONSULTANT before commencement of the work.
- E. <u>Notice of Cancellation</u>. The CONSULTANT shall provide the CITY and all Additional Insureds for this work with written notice of any policy cancellation, within two business days of their receipt of such notice.
- G. <u>Failure to Maintain Insurance</u>. Failure on the part of the CONSULTANT to maintain the insurance as required shall constitute a material breach of contract, upon which the CITY may, after giving five business days' notice to the CONSULTANT to correct the breach, immediately terminate the contract or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the CITY on demand, or at the sole discretion of the CITY, offset against funds due the CONSULTANT from the CITY.

8. RECORD KEEPING AND REPORTING.

- A. The CONSULTANT shall maintain accounts and records, including personnel, property, financial and programmatic records which sufficiently and properly reflect all direct and indirect costs of any nature expended and services performed in the performance of this Agreement and other such records as may be deemed necessary by the CITY to ensure the performance of this Agreement.
 - B. These records shall be returned to the City once the project is completed. .

Attachments: Parametrix Scope and Budget

SUMMARY STATEMENT:

The City received a federal oversight report related to our acquisition of two parcels for the Whitehawk Bypass project. The report identified several deficiencies in our acquisition process that would need to be remediated if we want the project to be eligible for federal funding. Since the engineers estimate for the project is around \$6 million, federal dollars are likely going to be needed to complete the project. The attached scope of work will correct the identified deficiencies and set the parcels up for certification by Federal Highways and make the project eligible for federal funds.

RECOMMENDED ACTION: MOTION: To Approve The Attached Right-of-way Remediation Scope And Budget Provided by Parametrix, As Presented In The Amount Of \$32,440.00

SCOPE OF WORK

City of Orting

Whitehawk Property Remediation

The City of Orting (City) has requested that Parametrix provide remediation services for Parcel Number 0519311068 and 6830000030 in accordance with the Certification Review Oversite Report provided by FHWA via WSDOT. Parametrix will be utilizing a subconsultant, Epic Land Solutions to provide these services in accordance with the Uniform Relocation Act. The right of way service provided on this project will adhere to all State and Federal laws and regulations, including the Revised Code of Washington (RCW) 8.26.010(2) and the Washington Administrative Code (WAC) 468-100. In addition, Epic will follow the City of Orting's approved ROW procedures in providing remediation services identified on WSDOT's Oversight Report and as described in the Remediation Plan approved by WSDOT/FHWA.

Parametrix will provide these services for a not to exceed cost of \$32,440.

Puget Sound Regional Office

Client: Parametrix **Agency:** City of Orting

Project: Whitehawk Boulevard Extension Project

RE: ROW Scope of Work – Remediation Services

Right of way services (acquisition and relocation) will be provided by Epic in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, commonly referred to as the Uniform Relocation Act or URA, and as required by 49 CFR 24.205(a). The right of way services provided on this project will adhere to all State and Federal laws and regulations, including the Revised Code of Washington (RCW) 8.26.010(2) and the Washington Administrative Code (WAC) 468-100. In addition, Epic will follow the City of Orting's approved ROW procedures in providing remediation services identified on WSDOT's Oversight Report and as described in the Remediation Plan approved by WSDOT/FHWA.

Task 1. ROW Services Project Management for Remediation Services

The purpose of this task is to provide oversight of the acquisition and relocation remediation services to correct those issues identified on the Oversight Report issued by WSDOT and the Remediation Plan approved by WSDOT/FHWA.

General scope of services includes the following:

- Ongoing management and administration of the acquisition/relocation process.
- Epic shall coordinate with the Client, as necessary, and in accordance with local laws and regulations, Agency's administrative rules, to facilitate the acquisition of identified properties.
- Epic and Client agree to maintain clear lines of communication, determine and document the appropriate decision-making process to achieve project goals and to provide open access to available data that is pertinent to the project.
- Epic shall attend project meetings as necessary to remediate acquisitions and relocations.
- Epic shall order title updates, as necessary and cost will be billed directly to the City.
- Epic shall confer with Client on proposed settlements over the approved offer amount set by the Agency and follow City's approved ROW procedures.
- Development and completion of remediation tracking spreadsheet.
- All deliverables will be produced in accordance with the approved quality control/quality assurance process established by the Client and the Consultant team.

Deliverables:

Attend project meetings, as necessary.

- Prepare and email weekly status report and remediation tracking spreadsheet for all acquisition/relocation remediation activities.
- Epic will prepare and submit invoices, including tabulation of hours expended for each item.

General Project Assumptions:

- Epic will attend no more than eleven (11) Project Team Meetings.
- Project has no delays and can be completed in eight (8) months from notice to proceed.

Task 1 - ROW Project Management for Acquisition and Relocation Remediation Services

Classification	Level of Effort	Rate	Cost (Rounded)
Project Manager	9	\$186.00	\$1,674.00
Asst. Project Manager	0	\$107.47	\$0
Senior Right of Way Agent	0	\$107.47	\$0
Project Support	7	\$57.32	\$401.24
Budget & Financial Controls	1	\$125.38	\$125.38
Total Level of Effort & Cost	17		\$2,201(Rounded)

Task 1a. Remediation Plan Review

The purpose of this task is to provide remediation services to correct acquisition and relocation issues identified on the Oversight Report issued by WSDOT and the Remediation Plan approved by WSDOT/FHWA. Activities include:

Remediation Plan Review

- Project site visit
- Review project files
- Review Oversight Report
- Review of approved Remediation Plan
- Identify solutions to acquisition and relocation issues
- Meet with City/Parametrix to discuss plan
- Attend meetings with WSDOT/FHWA to discuss plan and next steps

Task 1a - Remediation Plan Review

Classification	Level of Effort	Rate	Cost (Rounded)
Project Manager	30	\$186.00	\$5,580
Asst. Project Manager	10	\$107.47	\$1,075
Senior Right of Way Agent	0	\$107.47	\$0
Project Support	0	\$57.32	\$0
Budget & Financial Controls	0	\$125.38	\$0
Total Level of Effort & Cost	40		\$6,655 (Rounded)

Task 1b -Acquisition Remediation Services

This project includes acquisition of fee simple, permanent right of way easements, temporary easements, construction agreements, and/or rights of entry, from up to four (4) parcels, owned by four (4) property owners. Additional funding and scope in this contract may be required to complete any additional acquisitions.

Work: includes, but is not limited to:

- Obtain on behalf of the City, preliminary title commitments and 50-year title delineation. Cost of title reports will be billed directly to the City.
- Title analysis Prepare list of title exceptions to be cleared.
- Assist with scoping for appraisal and appraisal review, if required.
- Prepare Administrative Offer Summary (AOS) reports for one or more parcels that meet the
 threshold for AOS, should appraisal not be required. If formal appraisal is required, City will
 contract directly with appraisal firms.
- Attend and facilitate public meetings, stakeholder outreach, and any public presentations that may be required.
- Draft all real estate documents based on format approved by City.
- Perform landowner contact and all negotiations to acquire real property, to standards required by the CITY, WSDOT LAG Manual, RCO or any other grant funding requirements.
- Coordinate and support City contracting for environmental Phase I report and any other due diligence required by City, prior to recording documents or closing escrow, as may be needed.
- Open and oversee escrow, or facilitate document recording and real property transfer to CITY.
- Close out files and certify real estate, as may be required by funding source.
- Attend coordination meetings with city as required.
- Assist with obtaining Possession and Use agreements, if required.
- Assist and participate in public hearings and actions necessary to acquire properties through eminent domain.
- Coordinate the update of appraisals and appraisal reviews for potential litigation, if required.

Deliverables:

- Real Estate Documents.
- Closed Real Estate files.
- Title Reports.

Assumptions:

- City of Orting to contract for appraisal and appraisal review services, environmental assessments, if any are required.
- Early acquisition approval from WSDOT will be required in order to present offers to acquire real property prior to NEPA approval.
- Title reports ordered by Epic and billed direct to City.
- Escrow fees paid direct by City through escrow.

Task 1b - ROW Acquisition Remediation Services

Classification	Level of Effort	Rate	Cost (Rounded)
Project Manager	0	\$186.00	\$0
Asst. Project Manager	0	\$107.47	\$0
Senior Right of Way Agent	160	\$107.47	\$17,195
Project Support	0	\$57.32	\$0
Budget & Financial Controls	0	\$125.38	\$0
Total Level of Effort & Cost	160		\$17,195

Appraisal and appraisal review expense will be charged at cost plus 10%.

Task 1c-Relocation Remediation Services

This project includes relocation of residential tenants and owner rental businesses from up one (1) parcel, owned (1) unique property owner, Wiles. Additional funding and scope in this contract may be required to complete any additional relocations.

Work: includes, but is not limited to:

- Interview of all Displacees to determine relocation needs.
- The City must approve the timing and content of any notice to a Displacees relating to the proceedings prior to the Consultant sending the notice.
- Notify Displacees of eligibility for relocation assistance. At the time of initial contact, or at next appropriate contact provide Displacees with a Relocation Assistance Packet approved by the City.
- Provide on-going relocation assistance and advisory services to Displacees affected by the
- acquisition. Deliver a completed Relocation Occupancy Survey form to the City.
- On-going advisory services includes monitoring the move of which the frequency and manner
 must match the complexity of the relocation. The standard practice is that multiple in-person
 site visits are to be performed and documented in the contact log portion of the Relocation
 Assistance Agent's Contact Log which is submitted to the City at close of file.
- Locate, evaluate, and maintain files on comparable available housing locations.
- Compute and submit the request for relocation housing/rental supplement or business claim to the City.
- Provide 90-day notice to vacate (assurance) simultaneous with the delivery of relocation benefits package, when appropriate. The 90-day notice may not be delivered prior to a personal interview with the Displacee to determine the type, needs and eligibilities.
- Provide 30-day notice as required when move date has been established.
- Immediately notify the City if the Displacee does not move after 30-day notice expires.
- Perform a decent, safe, and sanitary inspection of the replacement housing in accordance with HUD policy. Work with business Displacees to assure adequate locations for move.
- For all Negotiated Self-Moves, the Consultant is responsible for requesting moving estimates
 from moving companies. Moving estimates must be obtained by the Consultant and not the
 Displacees. Moving estimates must be prepared in writing and in the name of the City and not
 the Provider. If specialized equipment requires complex moving and coordination, facilitate bids
 and move coordination.
- Coordinate and monitor move with displaced tenant, and with moving companies in accordance with the City procedures.
- Maintain relocation contact logs, journaling all attempted and completed contacts with all
 parties. This includes descriptions of the reasons and outcome for each contact. Copies of all
 Displacees' emails with date and time sent, must be captured in the relocation agent's contact
 logs.
- Attend closings on replacement property if requested by any party involved, and assure supplemental payment is properly distributed.
- Process and compute increased interest payments as required.
- Prepare all relocation payment claim submissions for Displacee in accordance with HUD guidelines and the City Project Manager.
- Deliver checks in accordance with the City guidelines.
- Relocation agent will be available for any appeals and hearings.

Deliverables:

- Relocation parcel file, required notices, diary, moving cost estimate, relocation computation, and claim forms.
- Relocation documents and executed relocation forms.

Assumptions:

- Assumes up to two (2) displacements.
- Assumes one (1) residential tenant occupant displacement.
- Assumes one (1) landlord business displacement.
- Assumes no relocation appeals. If so, budget will need to be adjusted to cover appeal effort.

Task 1c – ROW Relocation Remediation Services

Classification	Level of Effort	Rate	Cost (Rounded)
Project Manager	15	\$186.00	\$2,790.00
Asst. Project Manager	0	\$107.47	\$0
Senior Right of Way Agent	20	\$107.47	\$2,149.40
Project Support	0	\$57.32	\$0
Budget & Financial Controls	0	\$125.38	\$0
Total Level of Effort & Cost	35		\$4,939 (Rounded)

Combined Remediation Fees

Epic shall provide services associated with the remediation at the following fee:

Classification	Level of Effort	Rate	Cost
Project Manager	54	\$186.00	\$10,044.00
Asst. Project Manager	0	\$107.47	\$0.00
Senior Right of Way Agent	190	\$107.47	\$20,419.30
Project Support	7	\$57.32	\$401.23
Budget & Financial Controls	1	\$125.38	\$125.38
Total Level of Effort & Cost	252		\$30,990 (Rounded)

Budget for Direct Costs:

Other Direct Costs

Total Additional Direct Costs	\$ 1,450.00
Online Data Services	\$ 600.00
Postage	\$ 150.00
Mileage	\$ 700.00

TOTAL \$32,440 (R)

Invoicing for services and direct costs will be submitted monthly and delivered to client with payment due within 30 days.

Bars #:		N/A		
Timeline:		Approval by end of May		
Submitted By:		Scott Larson		

Fiscal Note: This contract is for on call engineering services.

Attachments: Contract extension and exhibits

SUMMARY STATEMENT:

The City's on call engineering contract with Parametrix lapsed in 2019 but Parametrix and the City have continued to operate under, and consent to the prior contract and any amendments thereto. This amendment would extend the prior contract through December 31, 2021 and ratify any actions taken by both parties since the contract lapsed. The City intends to complete a qualifications-based selection process for on call engineering services in late summer and bring a new contract to council for approval at the completion of that process.

RECOMMENDED ACTION: MOTION: To Authorize The Mayor To Sign An Amendment To The City's On Call Engineering Contract With Parametrix Inc., As Presented, And Extend The Contract Through December 31, 2021.

Exhibit A - Scope of Work

Scope of Work includes on-call profesional engineering and planning services on an as needed basis for project task work and non-project work as more specifically described below. The services are to be defined by an individual Council-approved Scope of Work and Budget for each project task or as defined by City Staff for non-project task work either verbally or via email or other written communication.

Transportation Planning and Traffic Engineering

- Corridor Studies
- Comprehensive Plans
- Transportation Modeling
- · Roundabout Modeling and Site Analysis
- Traffic Impact Analysis
- Traffic Calming Analysis

Design Engineering

Preparation of Contract Documents (Plans and Specifications for bidding) for:

- Freeways, highways, and interchanges
- Arterials and local streets
- Intersections including roundabouts and/or signalized controls
- Storm sewer and stormwater mitigation
- Multi-modal transit centers
- > Traffic calming
- Non-motorized facilities such as paths, bike lanes, sidewalks, and joint-use facilities
- Low-impact development best management practices
- Utility Coordination, Design and Relocation
 - Facilities such as pump stations, treatment plants, disinfection stations and storage reservoirs
 - Low-impact development best management practices

Survey

Mapping

- Topographic Mapping and Basemap Preparation
- Construction Staking

Right of Way

- > Determination and mapping for ROW easements, tracts, etc.
- Legal descriptions and exhibits
- Preparation of ROW plans
- ROW acquisition assistance

Stormwater Runoff Mitigation Design

- Stormwater comprehensive planning and hydraulic modeling
- Hydrologic modeling using single event and continuous runoff models (SBUH, WWHM, MGS Flood, etc.)
- > Stormwater mitigation determination, BMP selection and design
- Drainage report preparation
- Stormwater Pollution Prevention Plan preparation
- Low Impact Development BMP selection and design

Structural Engineering

- > Federal, state, and local bridge design
- Retaining walls and engineered embankment design
- Type, size, and location reports for retaining walls and bridges
- Structural inspections
- Load rating

Environmental Services

- > Environmental planning, permitting, and documentation (NEPA and SEPA)
- Environmental classification (federal funding requirement per LAG Manual, etc.)
- Environmental impact statements and assessments
- Wetland delineation and mitigation

- Wildlife biology
- Hazardous material investigation and remediation

Transit Planning and Design

- Multi-modal system planning
- Travel demand and patronage forecasting
- Transit facility planning
- Intermodal facility planning
- Light rail transit design
- Bus rapid transit design

Cost Estimating

- Planning level estimating
- Project level estimating

Funding Assistance

- Multi-modal system planning
- Travel demand and patronage forecasting
- Transit facility planning
- Highway, collector, and local roadway funding
- Grant writing assistance

Construction Services

- Construction Ad and Award Assistance
- Construction Engineering support
- Construction administration and observation
- Construction documentation (e.g., LAG Manual compliance or equivalent to comply with Federal Acquisition Regulations and Audit requirements)

Development Review

- Plan Review and Approval
- Technical Document Review (Traffic Impact Studies, Critical Areas Studies, Geotechnical Reports, etc.)
- Construction Observation
- Developer Coordination
- Plat Review

SCADA and Telemetry

- Technical support remotely and/or onsite for the water & wastewater system for software or hardware issues including PLC and SCADA programming, control panel maintenance and operator workstations diagnostics and repair, including system upgrades
- Telephone support in all areas of control, telemetry, networking and instrumentation in association with the water & wastewater systems in the event on site assistance is not feasible

Amendment to PROFESSIONAL SERVICES AGREEMENT between the City of Orting and Parametrix Inc.

This Amendment to the Professional Services Agreement ("Agreement"), as amended, originally executed on October 10, 2014, between the City of Orting ("City"), a Washington municipal corporation, and Parametrix Inc. ("Consultant"), a Washington corporation, located and doing business at 1019 39th Ave. SW, Puyallup, Washington 98374, is made effective January 1, 2021.

WHEREAS, on October 10, 2014, following a qualifications-based selection process, the City of Orting entered into a Professional Services Agreement with Consultant for on-call professional engineering services as requested by the City; and

WHEREAS, the original three-year term of the Agreement was extended via amendment to the Agreement, Consultant has continued to provide services consistent with the Agreement to date, and the City has continued to pay for said services consistent with the negotiated billing rates; and

WHEREAS, the City desires to extend the term of the Agreement for an additional calendar year and ratify the actions taken by both parties under the Agreement and since its initial execution and as amended;

WHEREAS, the parties wish to memorialize their agreement and so extend the Agreement;

NOW, THEREFORE, in consideration of the mutual benefits accruing, it is agreed by and between the parties thereto as follows:

The Agreement between the parties, as previously amended and incorporated by this reference as if herein set forth, is hereby amended as follows:

- 1. The Term of the Agreement is extended to December 31, 2021.
- 2. Exhibit A Scope of Work is replaced with Attachment A to this Amendment.
- 3. Exhibit B Schedule of Work is replaced with Attachment B to this Amendment.
- 4. Exhibit C Schedule of Compensation is replaced with Attachment C to this Amendment.

In all other respects, the Agreement between the parties shall remain in full force and effect, amended as set forth herein, but only as set forth herein.

IN WITNESS WHEREOF, the parties have executed this Amendment on the day and year set forth above.

CITY OF ORTING, WASHINGTON	Parametrix, Inc
Joshua Penner, Mayor	Roger Flint
