**A RESOLUTION OF THE CITY OF ORTING,  
WASHINGTON, PROVIDING FOR THE SUBMISSION TO  
THE QUALIFIED ELECTORS OF THE CITY AT AN  
ELECTION TO BE HELD ON NOVEMBER 3, 2015, OF A  
PROPOSITION AUTHORIZING AN AMENDMENT OF  
THE BUSINESS AND OCCUPATION TAX RATE TO  
INCREASE THE TAX RATE FROM SIX PERCENT TO  
NINE AND TWO FIFTHS PERCENT; AND  
ESTABLISHING AN EFFECTIVE DATE**

WHEREAS, the City Council of the City of Orting, Washington finds that the City of Orting has the smallest general fund in western Washington as compared to similarly sized cities, and is therefore currently operating the Orting Police Department on a minimal budget, due to funding constraints and an increasing population, which affords an ordinary, minimum level of service to ensure public safety, crime investigation and traffic enforcement; and

WHEREAS, the City Council of the City of Orting, Washington finds that it is imperative to provide adequate funding for the Orting Police Department to support a fully staffed police force to provide an optimal level of service; and

WHEREAS, the City Council of the City of Orting, Washington finds it is in the public interest of the City to increase the current funding level of the Orting Police Department in order to hire additional police staff, implement a strong community policing program and purchase police equipment to provide for the general health, safety and welfare of the community; and

WHEREAS, RCW 35A.11.020 provides that code cities shall have within their territorial limits all powers of taxation for local purposes except those which are expressly preempted by the state; and

WHEREAS, the City Council of the City of Orting has the authority to impose business occupation taxes on businesses operating in the City of Orting; and

WHEREAS, RCW 35A.11.020 authorizes the City to impose taxes upon gross revenues earned by utility and service providers within its jurisdictional boundaries; and

WHEREAS, in 1968 the City Council of Orting enacted a business and occupation ("B&O") tax equal to one and one half percent (1.5%) of the total gross income derived from revenues of utilities providing electricity and manufactured and natural gas, in accordance with chapter 35.102 RCW; and

WHEREAS, in 1982 the City Council of Orting amended the City of Orting Municipal Code (OMC) to apply the one and one half percent (1.5%) B&O tax to telephone service providers; and

WHEREAS, in 2007 the City Council of Orting passed Ordinance 857, which further amended the OMC to increase the tax rate uniformly to six percent (6%) of the gross income derived by the aforementioned businesses, and to apply the B&O tax to cable television providers, in order to bridge the financial gap between decreasing revenues and the increasing demands for public services; and

WHEREAS, in order to provide all or part of the funds necessary to provide optimal public safety services, the City Council finds it necessary, proper and advisable and that the public interest is best served by increasing the B&O tax on the gross income of utilities providing electricity, manufactured and natural gas, telephone and cable television services operating within the City, for collection beginning in 2016; and

WHEREAS, pursuant to RCW 35.21.711, the proposition of whether the City may increase the B&O tax in excess of the maximum rate established by RCW 35.21.710 must be submitted to the registered voters of the City for their ratification or rejection; and

WHEREAS, RCW 35A.11.020 permits code cities to levy a tax on the privilege of conducting utility businesses such as electrical energy, manufactured and natural gas, telephone and cable television businesses, and RCW 35.21.870 limits imposition of such taxes to a rate of six percent (6%) in the absence of approval by a majority of the voters of the City; and

WHEREAS, the conditions here and above set forth require the submission of the proposition to the qualified voters of the City of Orting at an election to be held on November 3, 2015;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ORTING, WASHINGTON, DOES RESOLVE AS FOLLOWS:

Section 1. Findings. Section 2. Increased Tax on Electricity, Manufactured and Natural Gas, Telephone and Cable Television Companies. It is hereby found and declared that the best interests of the City require the submission to the qualified electors of the City for their approval or rejection at the General Election to be held on November 3, 2015, a proposition authorizing an increase to nine and two fifths percent (9.4%) tax on the total gross income derived from revenues of companies providing electricity, manufactured and natural gas, telephone and cable television services, to be collected in 2016 and every year thereafter. The Pierce County Auditor, as ex officio supervisor of elections in Pierce County, Washington, is hereby requested to call and conduct such election to be
