A MESSAGE FROM THE CHIEF

ORTING POLICE

Welcome! Thank you for taking the time to learn more about the Orting Police Department. I am Devon Gabreluk, the Chief Law Enforcement Officer for the City of Orting, WA. 2022 was a busy year for the department, and I am excited to tell you all about it.

In late summer 2022, the City of Orting set out to appoint a new Police Chief who would be tasked with leading the department into the future. After the search and application process, the city chose me to fill this role. I have lived in Orting for the past 21 years, and am an active member of the community. I have 22 years of Law Enforcement experience, and began my career with the City of Federal Way Police Department. After making a lateral transfer to the Orting Police Department in April of 2007, I found myself working for a community that I love.

I am fortunate enough to be a Police Chief at a time where change has become the new normal. Over the last 10 years, it has become evident that change is needed throughout the Criminal Justice System. Citizens hold their government and elected officials to the highest of standards and expect public agencies to be dynamic and open to change. I view this as an opportunity for the Orting Police Department. By welcoming change, we can take advantage of new programs, resources, and funding to become more modern, implement new ideas, and take advantage of emerging industry trends. Welcoming change enables us to be more skillful, effective, and professional. I am excited to have been given the opportunity to bring about this change, and I am honored to be your Chief of Police.

This report will provide you with a look into how our department operates by summarizing topics such as staffing, organization, reported crime rates, budget, and community programs. I feel that this report, and being as transparent as possible in general, better educates the public as to how we operate which ultimately bolsters your trust in the department. Additionally, I believe that being accountable to the public furthers our mission to become a better Police Department for the community we serve.

I hope you enjoy reading this report and find the information informative. I am honored to serve as your Chief of Police for the City of Orting Police Department.

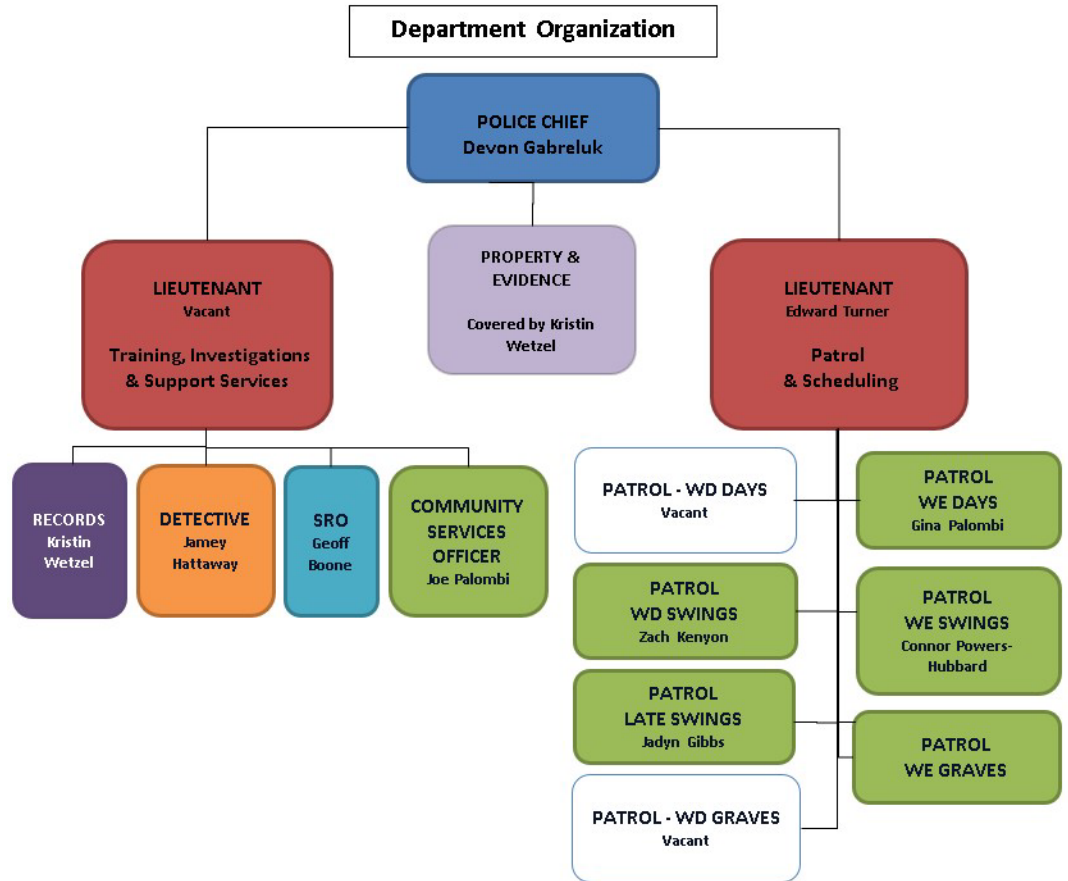

Devon Gabreluk
Chief of Police

ORGANIZATION AND STRUCTURE

ORTING POLICE

The Orting Police Department has an authorized staff of thirteen full-time personnel, comprised of one civilian employee and twelve commissioned Police Officers. We are responsible for preserving the peace, protecting life and property, and enforcing local and state statutes. We are a full-service, community-centered law enforcement agency that operates 24 hours a day, every day of the year. In order to carry out our day-to-day responsibilities, the organization is divided into three functional areas; an administration division, a patrol division, and a support services division. In addition to providing 24-hour a day law enforcement services, the police department also interacts with the community by involving itself in supplemental services such as; working directly with citizens to recommend social services, working with businesses to solve unique problems, working with community leaders and elected officials to build partnerships for a safe and strong community; providing traffic control through enforcement and education programs; preventing crime by watching trends and analyzing crime data, employing robust training methods to maintain officer skills and knowledge, and taking an active role in the preparation, training, and response to emergency situations.

2022 brought significant changes to police operations due to legislative changes that affect how police use force, pursue vehicles, and enforce drug related crimes. During 2022, the police department added a new Community Services Officer position to improve our ability to communicate with the public and deliver police services using new methods such as social media platforms and community events. The department hired three officers during 2022; two replaced existing vacancies, and one was hired to fill the new Community Services Officer position.

ABOUT OUR STAFF

ORTING POLICE

The Orting Police Department employs an authorized full-time staff of thirteen. Twelve full-time Law Enforcement Officers handle all law enforcement activities within the City Limits of Orting. These twelve officers include: six patrol officers, one School Resource Officer, one Detective, one Community Services Officer, two Lieutenants, and one Chief of Police.

Every member of our agency is valuable, knowledgeable, and well trained. The Orting Police Department considers training a top priority. While Orting is not subjected to as many calls for service per day as those seen by surrounding agencies, we do handle the same types of calls, and have the same legal requirements in regards to operations and training. In the State of Washington, every Law Enforcement Officer is required by law to complete a minimum twenty-four hours of in-service training per year. In 2022, our Officers completed a total of 1827.25 hours of in-service training. This is 761% more training that what is required by the state.

| Officer | Training Hours | Total Required | Percent of Required |
|---------------------------|----------------|----------------|---------------------|
| Officer 1 | 49.00 | 24.00 | 204% |
| Officer 2 | 95.00 | 24.00 | 396% |
| Chief | 110.75 | 24.00 | 461% |
| Lieutenant | 50.50 | 24.00 | 210% |
| Officer 3 | 54.00 | 24.00 | 225% |
| Officer 4 | 216.00 | 24.00 | 900% |
| Officer 5 | 731.00 | 24.00 | 3046% |
| Officer 6 | 138.00 | 24.00 | 575% |
| SRO | 177.00 | 24.00 | 738% |
| Detective | 206.00 | 24.00 | 858% |
| Total ALL Officers | 1827.25 | 240.00 | 761% |

Most of our Officers have prior Law Enforcement Experience, and came to us from other agencies throughout the state. Because of this, the average Orting Officer has 10.70 years of Law Enforcement experience.

Officer experience combined with our training philosophy means that when an Orting Officer shows up at your home, that Officer will be well trained, knowledgeable, and professional.

As the Chief of Police, I am proud of the hard work and the level of dedication that each of our Officers give to their work, to their community, and to the citizens each and every day.

IN 2022, ORTING OFFICERS COMPLETED A TOTAL OF 1827.25 HOURS OF COMBINED IN-SERVICE TRAINING; THIS IS 761% MORE THAN WHAT IS REQUIRED OF OFFICERS BY THE STATE.

DEPARTMENT VISION AND MISSION

ORTING POLICE

Our Police Officers are held to a high standard. We do this because each Officer is given the legal authority and is charged with the responsibility to prevent and detect criminal activity, apprehend offenders, protect life and property and enforce laws and ordinances. This must be accomplished in a manner that will inspire the confidence and respect of the public we serve and is no small feat. An officer must function with sensitivity, self-control, impartiality and, above all, honesty.

An officer must reasonably do what is required to protect the public and his/her own safety but

must absolutely refrain from abusing the authority they are granted while performing their duties.

OUR VISION AND MISSION

This vision of the Orting Police department is to be recognized as a prominent law enforcement agency by being resilient and adaptable; excelling in all aspects of law enforcement.

Our mission is to continually build partnerships with our community; working to protect our citizens while adhering to our core values of integrity, compassion and respect.

PROPERTY & EVIDENCE

ORTING POLICE

Have you ever wondered what happens to someone’s personal property when they are arrested?

The Orting Police Department has a secure facility in which evidence and other items can be safely stored until they are needed for court hearings or returned to their owners.

Each item accepted into the property room is carefully inspected, weighed, packaged, and sealed by the investigating Officer prior to acceptance for long term storage.

In 2022, our Officers packaged and submitted over 160 items to the property room. These items were either evidence connected to criminal investigations, found property items with no known owner, items that are being temporarily stored for safe keeping, or items of contraband that require destruction.

SPECIAL EVIDENCE STORAGE

In 2022 the Orting Police Department improved upon the way we store and track sexual assault kit (SAK) evidence by adopting new policies to comply with [RCW 43.43.545](#). The tracking system provides

sexual assault survivors with the ability to anonymously track the location and status of their Sexual Assault Kit (SAK) from the point of collection through forensic analysis to final storage location and possible destruction. To better protect SAK evidence during long-term storage, the Orting Police Department secured a grant through the Washington State Office of the Attorney General for the purchase of a commercial refrigeration unit. The unit was installed in our evidence storage facility, and provides long-term temperature controlled storage that is monitored for proper climate at all times.

AUDIT

The property and evidence storage facility undergoes multiple in-house audits throughout the year and is generally audited by the State of Washington during the City of Orting’s normal audit cycle. In late December 2022, our facility was audited and no adverse findings were noted.

BUDGET

ORTING POLICE

In 2022, the Orting Police Department had an approved operating budget of approximately 2.2 million. Our budget is set by the City Council annually prior to the start of each new year. The State of Washington requires public agencies set and maintain a balanced budget in order to ensure ongoing fiscal responsibility.

In an effort to reduce our spending, we constantly look for new and innovative ways to save tax payer money.

Some of the successful strategies we have implemented are; creating partnerships with surrounding agencies to cost-share expensive training, saving money by seeking out state and federal grant opportunities, and closely monitoring our staff scheduling to limit unnecessary overtime costs.

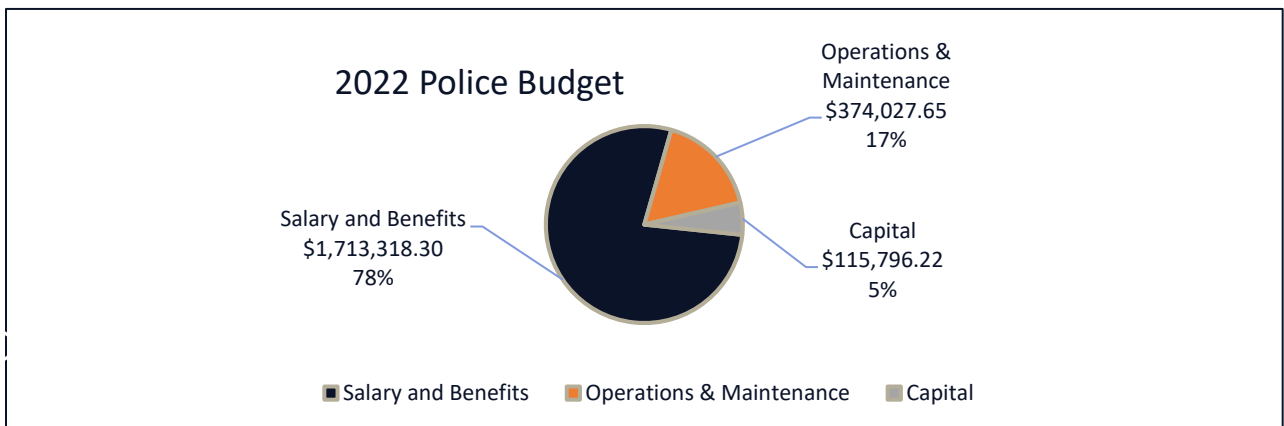

| BUDGET CATEGORY | AMOUNT |
|--------------------------|----------------|
| Salary and Benefits | \$1,713,318.30 |
| Operations & Maintenance | \$374,027.65 |
| Capital | \$115,796.22 |
| 2022 Actual Expenditures | \$2,203,142.17 |
| 2022 Budget | \$2,208,972.60 |
| 2022 Year End Balance: | \$5,830.43 |

At the end of 2022, the Orting Police Department finished the year with a balanced department budget, saving the tax payers about \$5,000.00.

Additionally, In 2022, a review of our jail booking procedures was conducted which helped us identify numerous ways to reduce jail costs. As a result of this review, we entered into a contract with the City of Puyallup Jail that to reduce costs on booking fees. We expect this change will save the City a substantial amount of money throughout 2023.

THE POLICE DEPARTMENT WAS \$5,830.43 UNDER BUDGET FOR FISCAL YEAR 2022.

CALLS FOR SERVICE

ORTING POLICE

When considering calls for service, it is important to note that each event can fall into one of two categories; those that are dispatched, and those that are on-viewed. Dispatched calls for service are calls that originate from the 911 center as a result of someone calling to report a problem or crime. On-view calls for service are incidents where the event is created by an Officer in the field such as traffic stops or when an Officer observes suspicious behavior or happens upon a crime in progress.

Service Calls 2017 - 2022

The Orting Police Department had 5736 total calls for service in 2022. This is a decrease from 7188 calls for service in 2021. This number includes all 911 calls for service, Officer on-view activity, and traffic stops. Traffic stops, Officers conducting security checks, and 911 hang-up calls occupy three of the four top call type categories with traffic stops accounting for about 35% of all recorded events.¹

DID YOU KNOW?

IN 2022, TRAFFIC STOPS ACCOUNTED FOR ABOUT 35% OF ALL POLICE DEPARTMENT EVENTS RECORDED FOR THE YEAR.

Most Frequent - Calls for Service

¹ Percentage is calculated after removing some event types such as medical calls that are transferred to the fire department and have no police involvement.

CRIME DATA

ORTING POLICE

GROUP A CRIMES

Crime reports differ from “calls for service” events in that events track every actionable call to 911 such as 911 hang-ups or home burglar alarm activations. Unlike events, crime reports are meant to track only those reports in which a crime has been confirmed to have occurred or attempted. Confirmed crimes are categorized into one of two groups: Group A or Group B Crimes. Group A crimes are the most serious crimes such as Robbery, Homicide, Sexual Assault, and Arson. Group B crimes are comprised of other less serious crimes that are not Group A crimes. Both Groups are defined in accordance with the Uniform Crime Reporting (UCR) Program, a cooperative statistical effort of more than 17,000 City, County and State law enforcement agencies. Administered by the Federal Bureau of Investigation (FBI) since 1930, the primary purpose of UCR (Uniform Crime Reporting) Program is to generate reliable statistics for use in law enforcement administration, operation, and management. Local Crime Data, like that included in this report, is collected and added to a repository which acts as the leading source of social indicators in the nation. This data is collected and ultimately reported by the Orting Police

CRIME DATA

GROUP A CRIMES - Continued

Department to the Washington Association of Sheriffs and Police Chiefs (WASPC) and forwarded to the FBI in Washington, DC at the end of each month. Private companies also use this information to determine crime rates in various neighborhoods, and in applications such as realty, creating ranked lists, and determining eligibility for grant

numbers like those collected by Orting PD and presented here. This is especially true if the numbers are being viewed in percentages. Here is an example: In 2022 there were two reported animal cruelty crimes. This is one more than was reported in 2021. This change can be viewed in one of two ways; an increase in crime that is “Only one case more than the previous year”, or as “a 100 percent increase in the number of animal cruelty cases”. Both statements are factually correct however one tends to lend a bit more urgency than the other.

Therefore, Orting PD’s UCR Crime Report numbers should be carefully considered before drawing any absolute conclusions. Finally, if there were no instances of particular crime category in the time periods contained in the table above, then it is not included in the chart. For example, homicide is not included in the table above because there were no reported homicides in Orting PD’s jurisdiction between 2020 and the last day of 2022.

STATE TRENDS

Outside of Orting and nationwide, the number of Group A crimes being committed is concerning. The table below is a snapshot of what is happening State and Nationwide.

programs.

Now for a quick disclaimer. There are a few important things to note when considering the numbers in the table above. The first being that only crimes reported to the Police are tracked. Additionally, consideration must be given to the overall amount of data being analyzed. In this data, the overall number of crime reports in any particular category or “weight” can drastically affect the end result of analysis, and tends to be more volatile when analyzing a smaller set of

They are funded by grant monies secured and supported by agencies such as the Washington State Highway Safety Committee, the Washington Association of Sheriffs and Police Chiefs (WASPC), and the National Highway Traffic Safety Association (NHTSA).

COMMUNITY SERVICES OFFICER

During 2021 we received feedback from the community who overwhelmingly requested that the Police Department take a more active role in community events, and increase its online presence. In July of 2022, the department added a new Community Services Officer to the ranks on a trial basis. The Orting City Council ultimately decided to continue funding for the position into 2023 due its success and input from the public.

The Community Services Officer acts as a liaison between the community and the Police Department, maintains the department’s social media accounts, and host community events throughout the year. Additionally, the CSO acts as a public resource for citizens experiencing emotional, mental, or family crisis, substance abuse , or displacement. This is achieved through various partnerships with community organizations such as the Orting Food bank, veterans’ organizations, and the Orting Recovery Cafe. Since our CSO program began, the number of followers on our Police Department Facebook page has increased to over 5,000.

Axon, the vendor who manufactures the body worn cameras provides a seamless digital cloud storage solution which allows the devices to easily and securely store media in an encrypted cloud space transparently and with minimal user interaction. Department policy was updated and the devices were successfully deployed for

2022. This system saves Officers a significant amount of time as videos are automatically uploaded to cloud storage and tagged with incident details obtained from the Computer Aided Dispatch System. At any one point in time, the department has anywhere between 4,500 - 5,000 pieces of video evidence held in cloud storage.

USE OF FORCE AND BIAS REVIEW

At the end of each year, a review of all Orting Police use of force incidents is conducted. Yearly review of this data is meant to identify any patterns of unlawful force by individual Officers or any patterns or occurrences of Biased Based Policing.

The review looks for a disproportional number of arrests or use of force against persons of color, groups historically mis-treated by police based on a person’s ethnicity, gender, gender identity, or other protected class.

In 2022 60% of persons arrested were White, 8% were Black or African American, 1% were American Indian or Alaska Natives, and 1% were Asian. 30% were of unknown race.

| Force-Used | Total Incidents |
|---------------------------------|-----------------|
| Taser | 5 |
| Pursuits | 5 |
| Firearm/Gunpoint (No discharge) | 8 |
| Physical Tactics | 4 |
| Total | 22 |

THERE WERE 22 USE OF FORCE INCIDENTS IN 2022 INCLUDING VEHICLE PURSUITS. 100% WERE DETERMINED TO BE REASONABLE, JUSTIFIED, AND NECESSARY.

TACTICAL RESPONSE TEAM (SWAT)

In 2022, the Orting Police Department continued its participation and partnership with surrounding area Law Enforcement agencies for affordable access to high risk incident response services.

The Orting Police Department, along with Police Departments from the Cities of Bonney Lake, Buckley, Fife, Milton, Puyallup and Sumner each contribute resources to operate the highly specialized team under an Interlocal cost sharing agreement. By contributing local resources to the team, the City of Orting realizes a significant savings compared to creating and maintaining our own response team, or paying another agency on a “pay-per-incident” basis.

There are currently three Officers from the Orting Police Department are members of the team; one as a negotiator, one tactical officer, and one team leader.

Overall, the team has an authorized staff of 16 tactical officers, and five negotiators across all participating agencies.

UAS (DRONE) PROGRAM

Throughout 2022, the Orting Police Department continued to operate a UAS (Unmanned Aerial Systems or "Drone") program that provides Orting Officers with visual support by air during certain types of incidents.

The UAS was acquired with grant funds in 2020 via the Department of Homeland Security and is available to surrounding Law Enforcement agencies upon request.

The Orting Police Department operates the UAS program by utilizing two of its Officers that are trained, FAA-certified commercial remote pilots. Our certified drone pilots conduct all operations in strict accordance with FAA regulations, and fly vetted, industry standard aircraft to ensure safe and efficient flight missions. Our policies regarding department use of a UAS are written to respect the privacy rights of our community and are built upon a foundation of transparency.

The device is equipped with a forward looking infra-red camera that allows the drone to detect minute differences in heat across a wide field of view. It also has a standard video camera to capture video from high above an incident.

Our UAS is most commonly used for search and rescue efforts, locating lost children, determining the presence of hiding persons during high-risk incidents, situational awareness, and flights to document collision scenes by obtaining overhead imagery

You can find out more about the UAS program by visiting our UAS Drone page at: <https://cityoforting.org/drone>.

Changes in Agreement

Section 6. Budgeting and Cost-Sharing

C. Proportional Share of Operational Costs:

Existing ILA

The share of the annual TRT budget for which each Signatory Agency will be responsible is equal to the percentage of each Signatory Agency's population to the total population of all Signatory Agencies combined, per the most recent Washington Office of Financial Management (OFM) estimate as of December 1 of the calendar year prior to which the budget applies. The percentage of each Signatory Agency's share shall be calculated to two decimal points (i.e., 1/100th of one-percent, without rounding). Any added amount necessary to bring the total to 100% after tabulation shall be added to the share of the Signatory Agency with the largest population.

Modified ILA

The share of the annual SWAT Team budget for which each Signatory Agency will be responsible is equal to the percentage of each Signatory Agency's population to the total population of all Signatory Agencies combined, per the most recent Washington Office of Financial Management (OFM) estimate as of December 1 of the calendar year prior to which the budget applies. The percentage of each Signatory Agency's share shall be calculated to two decimal points (i.e., 1/100th of one-percent, without rounding). Any added amount necessary to bring the total to 100% after tabulation shall be added to the share of the Signatory Agency with the largest population.

Each Signatory Agency shall pay their annual share by January 31st of each year. Alternatively, Signatory Agencies may pay 1/12th of their annual share on a monthly basis which monthly amount shall be paid before the final day of the month.

In the event a new Signatory Agency is added to this Agreement at any time other than the beginning of an annual budget cycle, the proportional share of each Signatory Agency shall be recalculated, to include the new Signatory Agency's proportional share, on the first day of the next new month immediately following the new Signatory Agency's adoption of this Agreement.

In the event that any Signatory Agency has prepaid its proportional share of the budget, any overpayment resulting from a recalculation of proportional share following the addition of a Signatory Agent shall not be refunded, but shall be credited to that Signatory Agency's proportional cost of the budget for the next month, and any month thereafter, until such overpayment has been resolved.

INTERLOCAL COOPERATION AGREEMENT FOR MULTIJURISDICTIONAL SWAT TEAM

WHEREAS, incidents of a serious criminal or emergent nature often require officers with specialty training and equipment in excess of what an individual law enforcement agency can reasonably provide on its own; and

WHEREAS, these incidents can often be effectively resolved via the cooperation and collective effort of multiple jurisdictions;

NOW, THEREFORE, THIS AGREEMENT is made under the Interlocal Cooperation Act (Chapter 39.34 RCW) and the Mutual Aid Peace Officers Powers Act (chapter 10.93 RCW) between the Cities of Bonney Lake, Fife, Milton, Orting, Puyallup, Sumner, and DuPont (the "Signatory Agencies"). Through this agreement, the Signatory Agencies agree to provide mutual aid and support for a multijurisdictional SWAT Team as provided herein.

Section 1. Definitions

For the purposes of this Agreement and all exhibits attached hereto the following terms, phrases, words and their derivations shall have the meanings given herein. Words not defined shall be given their common and ordinary meaning. The word "shall" is always mandatory and not merely directory.

- A. **Call Out** means any use or mobilization of SWAT Team following the request of the Chief Law Enforcement Officer of any Signatory Agency pursuant to the terms of this Agreement.
- B. **Chief Law Enforcement Officer** means the director of public safety or police chief.
- C. **Host Agency** means the Signatory Agency designated to maintain a single SWAT Team operational budget.
- D. **Incident Commander** means the representative appointed by the agency with primary geographic/territorial jurisdiction to serve as the overall commander of the SWAT Team during the callout.
- E. **Oversight Committee ("OC")** means the Executive Board composed of the Chief Law Enforcement Officer (or his/her designee) from each of the Signatory Agencies.
- F. **Primary Geographic or Territorial Jurisdiction** means the territorial boundaries of the city, town, or other public agency or unit of local government in which a law enforcement agency is authorized to act. Such jurisdiction includes the definition contained in RCW 10.93.020(1), as now enacted or hereafter amended.

- G. Primarily Responsible Agency** means the law enforcement agency within whose Primary Geographic or Territorial Jurisdiction a call out occurs, if it occurs within a Signatory Agency jurisdiction. If the call out takes place outside the Primary Geographic or Territorial Jurisdiction of a Signatory Agency, then the term shall mean the Signatory Agency who requested the call out.
- H. Requesting Agency** means the law enforcement agency that has requested assistance from the SWAT Team.
- I. Signatory Agency** means a city, town or other public agency or unit of local government that is a signing party to this Interlocal Agreement.
- J. Team Commander** means the individual responsible for directing the tactics and deployment of the SWAT Team during callouts.
- K. SWAT Team** means a team of individual law enforcement officers, drawn from the Signatory Agencies, qualified by training and expertise to perform the tasks of a SWAT Team as defined in the Tactical Response and Operations Standard for Law Enforcement Agencies, published by the National Tactical Officer's Association. SWAT Team also includes a negotiator team composed of individual law enforcement officers, also drawn from the Signatory Agencies, qualified by training and expertise to perform the tasks of Negotiator.

Section 2. Objective

The primary objective of the SWAT Team is to respond effectively and appropriately to emergencies, major incidents and/or major law enforcement operations that create, or have the potential to create, significant and increased risks to public safety personnel and the public.

Section 3. Governance of the SWAT Team

- A. Executive Board - Oversight Committee:** The management and affairs of the SWAT Team operating under this Agreement shall be governed by an Executive Board, known as the Oversight Committee ("OC"). The OC is comprised of the Chief Law Enforcement Officer (or his/her designee) from each Signatory Agency.

In the event a new Signatory Agency is added to this Agreement, the Chief Law Enforcement Officer from the newly-added agency will become a member of the OC upon that Signatory Agency's adoption of this Agreement.

- B. Chair of the OC:** The OC shall elect a Chair by majority vote at its first meeting. The Chair shall serve a 2-year term, after which the OC will hold another vote to elect a Chair for the next 2-year term. There is no limit to the number of terms an individual may serve as Chair. The Chair shall be responsible for leading discussion, preparing an agenda, and generally overseeing the operation of the OC, but has no additional voting authority as a result of his/her role as Chair.
- C. Normal Voting:** Each member of the Oversight Committee shall have one vote for all committee decisions on which a vote is required or taken. Except in emergency circumstances as outlined below, voting shall only be allowed in-person, at a properly-scheduled OC meeting. No absentee, proxy, electronic, or telephonic voting shall be allowed. All decisions, except those related to the SWAT Policy and Procedures Manual, shall be made by simple majority vote of OC members in attendance at the meeting during which the vote is taken, so long as at least a quorum of the OC is present. All decisions regarding changes to the SWAT Policy and Procedures Manual will require a unanimous vote from all OC members.
- D. Emergency Voting:** If the Chair determines a vote is required on an emergency matter, and that the vote must take place sooner than a meeting can reasonably be scheduled, the Chair may call for a vote via email. In such a circumstance, the Chair must send an email to each member of the OC. The email shall (1) describe the background and nature of the issue, (2) describe the emergent reasoning for calling an electronic vote, and (3) clearly state the motion upon which a vote is requested. Each OC member shall have 24 hours to respond to the email and indicate their vote on the matter presented. A member's vote should clearly and unequivocally state whether it is in favor or against the motion. The motion shall only pass if, at the end of the 24-hour period, a majority of the OC members have voted in favor.
- E. Quorum:** No vote shall take place at any meeting unless a majority of the Oversight Committee is present.
- F. OC Adopts Policies/Procedures:** The OC may, at its discretion, adopt policies, procedures and regulations applicable to the SWAT Team's operations and structure, consistent with best practices. In addition, the OC may adopt standards for qualification and selection to the Team, and subsequent training required for continued participation on the Team.
1. Any policies and procedures adopted by the OC must be signed by each OC member and the Chief Law Enforcement Officer of each Signatory Agency if someone other than the Chief Law Enforcement Officer is that agency's representative on the OC.
 2. Following the adoption, modification, or removal of any policy or procedure, the OC shall forward notice of the change to each Signatory Agency, along with an updated copy of the applicable policy/procedure/regulation, if applicable.

- G. **Meetings and Attendance:** At minimum, the OC shall meet once a quarter. Each meeting shall be scheduled at least 30 days in advance, except where extenuating circumstances make scheduling 30 days in advance impractical. Scheduling shall be coordinated by the Chair of the OC, who shall make every effort to ensure the meetings occur at times convenient for all members. Each member shall make all reasonable efforts to attend regularly-scheduled OC meetings in person. As indicated in section 3.C, no absentee, proxy, electronic, or telephonic voting shall be allowed except as outlined in section 3.D above.

Section 4. Operation of the SWAT Team

- A. **Governing Policies and Procedures:** During a callout, members of the SWAT Team will be governed by, and act in accordance with, the SWAT policies and procedures approved by the OC. To the extent the policies/procedures/regulations of the SWAT Team conflict with those of the individual jurisdictions, the SWAT versions will control all SWAT activities.
- B. **Team Structure:** The goal of the SWAT Team is to have seventeen (17) operators and two (2) Team Commanders.
1. **Tactical Personnel:** The SWAT Team shall be comprised of the following number of members from the Signatory Agencies. It is understood and intended the number and distribution of personnel may be adjusted at a later time by a vote of the Oversight Committee.
 - Puyallup: 8 team members plus 2 team commanders
 - Bonney Lake: 2 team members
 - Fife: 2 team members
 - Sumner: 2 team members
 - Milton: 1 team member
 - Orting: 1 team member
 - DuPont: 1 team member
 2. **Negotiators:** The SWAT Team shall include a negotiator element. The composition and structure of the negotiator element shall be left to the discretion of the OC.
 3. **Vacant Positions:** When attrition occurs in the initial SWAT Team, vacancies shall be filled based on criteria and processes approved by the OC, with the goal of always maintaining the minimum team personnel outlined in Section 4(B) above.
 4. **Team Commander – Selection and Term:** The OC shall select two (2) Team Commanders by majority vote. Each individual selected as Team Commander shall agree to serve in the position for at least three (3) years.

Following the expiration of the 3-year term, the OC may determine whether to extend the term of one or both Team Commanders for a fixed period of time.

The OC may, by majority vote, replace one or both Team Commander/s for any reason.

The OC shall determine the qualifications for the position of Team Commander, and the method by which team members may be nominated and/or considered for that position.

- C. **Incident Commander – Role and Authority:** For every SWAT Team activation/callout, an Incident Commander shall be appointed by the Primarily Responsible Agency. The Chief Law Enforcement Officer of the Primarily Responsible Agency, or his/her designee, shall notify the Team Commander of the individual being appointed as Incident Commander for that activation/callout.

The Incident Commander holds final authority for all aspects of a SWAT Team activation/ callout, including developing incident objectives, managing all incident operations, application of resources, and responsibility for all persons involved in the incident.

- D. **Team Commander – Role and Authority:** The Team Commander reports to, and is under the direct command of, the Incident Commander at any SWAT Team activation/callout. The Team Commander shall be responsible for the tactical application of SWAT Team personnel and resources to accomplish the objectives established by the Incident Commander.

- E. **Primary/Secondary Team Commander Selection and Authority:** For each SWAT Team activation/callout, one of the Team Commanders shall be identified as the primary Team Commander. The primary Team Commander shall have the authority of the Team Commander for that activation/callout. The Team Commander not identified as the primary will provide advice and support to the primary Team Commander.

The OC shall adopt a method or process by which the primary Team Commander is selected for each activation/callout, and shall notify the Team Commanders of that method or process. The Team Commanders shall abide by the method or process established by the OC, unless and until the OC approves an alternative method or process.

Section 5. Activations/Call Outs

- A. **Request For Assistance:** In the event that the Chief Law Enforcement officer of a Signatory Agency (or his/her designee in times of his/her absence) determines the Signatory Agency has a need for the services of the SWAT Team, he/she shall

contact one of the Team Commanders and make the request for assistance. He/she shall provide any relevant information requested by the Team Commander(s).

- B. Acceptance/Denial – Response – Withdrawal:** The Team Commander(s) shall determine whether the request for assistance is within the scope and capabilities of the SWAT Team based on criteria outlined in the NTOA Manual. The Team Commander(s) shall have the authority to deny the request for assistance. If the Team Commander(s) determine the SWAT Team will respond to the request, the Team Commander(s) shall determine the number and type of SWAT Team personnel, equipment, and other resources needed. The Team Commander(s) shall have the authority to withdraw the SWAT Team from any incident at any time he/she determine/s the incident no longer fits within the scope of the SWAT Team.
- C. Emergency Withdrawal of Single Agency From Activation/Callout:** The Chief Law Enforcement officer of a Signatory Agency, or his/her authorized representative, may withdraw all of that agency's personnel/services from an activation/callout if an emergency, major incident, or major crime event occurs within that jurisdiction that requires additional personnel to resolve safely and appropriately. In general, however, each Signatory Agency shall direct SWAT Team members in its employ to respond to an activation/callout as promptly and effectively as possible. Withdrawal of a Signatory Agency from an incident shall not affect that agency's financial responsibilities for any cost or liability incurred by the SWAT Team during the incident.

Section 6. Budgeting and Cost-Sharing

- A. Host Agency:** For purposes of general administration, the OC shall designate one (1) Signatory Agency as the Host Agency. The Host Agency will be responsible for maintaining the budget approved by the OC, as well as all budget-related records and receipts.
- B. Annual Operating Budget**
1. By June 1 of each year, the Team Commanders shall submit a proposed annual budget to the OC. The budget should include all reasonably-anticipated training, equipment, and other operational costs for the following calendar year. The OC will consider the proposed budget at its next regularly-scheduled meeting.
 2. By December 31 of each year, the OC shall adopt a proposed budget for the following calendar year by majority vote. The budget should include all reasonably-anticipated training, equipment, and other operational costs for the following calendar year. Once adopted, that budget will be the official budget of the SWAT Team for the relevant calendar year, subject to change

only by a majority vote of the OC.

3. Each Signatory Agency hereby agrees to be liable for its proportional share of any OC-approved annual budget. Each member of the OC shall be responsible for submitting his/her agency's proportional share of the budget to his/her agency's budgeting process, and ensuring payment for that share is deposited into the account maintained by the Host Agency.

- C. **Proportional Share of Operational Costs:** The share of the annual SWAT Team budget for which each Signatory Agency will be responsible is equal to the percentage of each Signatory Agency's population to the total population of all Signatory Agencies combined, per the most recent Washington Office of Financial Management (OFM) estimate as of December 1 of the calendar year prior to which the budget applies. The percentage of each Signatory Agency's share shall be calculated to two decimal points (i.e., 1/100th of one-percent, without rounding). Any added amount necessary to bring the total to 100% after tabulation shall be added to the share of the Signatory Agency with the largest population.

Each Signatory Agency shall pay their annual share by January 31st of each year unless modified by a majority vote of the OC..

In the event a new Signatory Agency is added to this Agreement at any time other than the beginning of an annual budget cycle, the proportional share of each Signatory Agency shall be recalculated, to include the new Signatory Agency's proportional share, on the first day of the next new month immediately following the new Signatory Agency's adoption of this Agreement.

In the event that any Signatory Agency has prepaid its proportional share of the budget, any overpayment resulting from a recalculation of proportional share following the addition of a Signatory Agent shall not be refunded, but shall be credited to that Signatory Agency's proportional cost of the budget for the next month, and any month thereafter, until such overpayment has been resolved.

- D. **Certain Costs/Expenses Not Shared:** The following costs/expenses of participation in the SWAT Team are to be borne solely by the individual Signatory Agency to which the cost accrues

1. Regular pay and benefits for any Team Member;
2. Overtime pay for any Team Member;
3. The cost of outfitting an individual Team Member for participation on the team, including uniform, boots, gloves, helmet, other clothing-type items,

- individual weapon, and weapon-related accessories (suppressors, scopes, etc.);
4. Fuel for agency vehicles used to transport a Team Member to/from a call out;
 5. Damage, including wear and tear, on agency-owned vehicles not used exclusively for SWAT Team operations (*i.e.*, patrol cars, etc.);
- E. **Training Costs**: Costs for SWAT Team-specific training events (*i.e.*, events attended by the entire Team) shall be included in the annual operational budget. The Team Commander shall have the authority to coordinate and schedule training within the budget, and approve any requests for SWAT Team-specific training submitted by Team Members. Unless otherwise approved by the OC, individual training for Team Members (outside of Team training events) shall be the sole responsibility of the Signatory Agency that employs that Team Member.
- F. **Emergency Expenses**. If, during an incident to which the SWAT Team has responded, the Team Commander determines an emergency expense is necessary to the continued participation of the SWAT Team, the Team Commander shall inform the Incident Commander of the necessary expense and the basis therefore. The Incident Commander shall authorize or decline the expense. If the Incident Commander authorizes the expense, payment of that expense shall be the sole responsibility of the Signatory Agency employing the Incident Commander.
- G. **Consumables Used During a Callout**: The cost to replace consumable goods/equipment used during a particular activation/callout shall be the sole responsibility of the Requesting Agency for that activation/callout. Consumable goods/equipment includes, but is not limited to, explosives, ammunition, first aid supplies, and so on. Within a reasonable amount of time after the callout, the OC shall provide the Requesting Agency an accounting of any and all consumable items for which SWAT Team seeks reimbursement, and the Requesting Agency shall remit payment via the Host Agency within a reasonable time after receiving the accounting.
- H. **Funds Remaining at End of Budget Cycle**: Signatory Agencies agree that any money left over from any calendar year shall remain in the SWAT Team general account to supplement/augment continuing SWAT Team operations. Signatory Agencies shall provide a record of all direct and other costs to the Host Agency.
- I. **Audit Rights of Signatory Agencies**: Each Signatory Agency shall have the right to conduct an audit of the SWAT Team budget and account/s at any time.
- J. **Annual Report**: An annual report of all SWAT Team activities during a calendar year shall be provided to each Signatory Agency by April 1 of the following calendar year. This report shall include the following:

1. A tabulation of the number and nature of call outs and any other Team activity;
2. A tabulation of the personnel and respective jurisdiction at each call out;
3. A summary of the command positions assumed by personnel and their respective jurisdiction at each call out, including Incident Commander, Team Commanders, etc.;
4. A summary of any policy changes and the inclusion of a copy of the signed policy;
5. A copy of all completed risk matrixes, regardless of whether a SWAT Team call out resulted; and
6. A copy of the operational budget.

Section 7. Claims – Notice and Processing

- A. **Notice of Claim:** In the event a tort claim is filed against a Signatory Agency or its employees for actions arising from their conduct on behalf of the SWAT Team, the Signatory Agency shall promptly notify the other Signatory Agencies that the claim has been initiated. Any documentation, including the claim or legal complaints, shall promptly be provided to each Signatory Agency. A “tort claim” shall be defined as any written claim for damages whether or not such claim technically complies with RCW 4.96.020.
- B. **Designation of Lead Jurisdiction:** There shall be a lead jurisdiction for processing any claim filed with a Signatory Agency for alleged damages/injuries that occur as a result of SWAT Team activities. The lead jurisdiction shall be the jurisdiction that served as the Primarily Responsible Agency for the incident during which the action subject to the claim took place. If the claim also involves acts/omissions that did not occur during a SWAT Team call out, the lead jurisdiction for those portions of the claim shall be the jurisdiction that employs the individuals whose actions/omissions serve as the basis for that portion of the claim. If allegations are made against more than one Signatory Agency, or the employees of more than one Signatory Agency, the OC shall determine the lead jurisdiction for a claim by majority vote
- C. **Assistance Responding to Claims:** All SWAT Team personnel shall assist the lead jurisdiction, and anyone working on behalf of that jurisdiction with regard to any claim, in responding to the claim and providing relevant records. These records shall include, but are not limited to, incident reports, notes, transcripts, photos, evidence logs, recorded statements, documents from emergency dispatch centers, and warrants from all jurisdictions that participated in the action subject to the claim.

Whenever necessary, the Team Commander/s shall assist in coordinating the provision of any records, and communications with any Team Member.

D. Claims of \$7,500 or Less

1. Lead Jurisdiction Responsibilities: The lead jurisdiction shall be responsible for gathering records relating to the claim. The lead jurisdiction shall provide records to its insurance provider or risk-pooling organization, and shall assist the same in assessing liability for acts associated with the claim. The lead jurisdiction shall notify the other jurisdictions of any determinations as to payment of the claim. In determining whether a claim should be paid, the lead jurisdiction and its insurance provider or risk-pooling organization shall, at a minimum, consider the potential legal defenses to the claim and the costs of defending the claim.
2. Payment of the Claim - Apportionment of Payment: The lead jurisdiction, with the assistance of its insurance carrier or risk-pooling organization, shall determine whether payment of the claim would be in the best interest of the Signatory Agencies. In the event the lead jurisdiction determines payment of a claim of \$7,500 or less is appropriate, such determination shall be final and binding upon the other Signatory Agencies, and payment shall be apportioned equally among all Signatory Agencies. The lead jurisdiction shall provide full payment to the claimant, and the remaining Signatory Agencies or their insurers shall reimburse the lead agency for their respective shares. Prior to the payment of any claim, and as a condition of such payment, the lead jurisdiction shall obtain from the claimant a complete and total release of liability on behalf of all Signatory Agencies and each and every officer, agent, or volunteer of those agencies.
3. Denial of the Claim: In the event the lead jurisdiction determines payment of the claim would not be in the best interest of the Signatory Agencies, the lead jurisdiction shall notify the other Signatory Agencies, and that determination shall be binding on the other Signatory Agencies; PROVIDED, another Signatory Agency that determines payment is appropriate may pay such claim in full, but shall not be entitled to any reimbursement from the other Signatory Agencies.

- E. Claims over \$7,500**: The lead jurisdiction shall coordinate communication among all Signatory Agencies to discuss any claim over \$7,500, and to determine, with input from the involved insurance carriers or risk-pooling organizations, the appropriate manner in which to respond to such a claim. This communication may occur in person, by phone, or by email where appropriate.

Section 8. Litigation - Process – Cost Sharing

- A. **General Intent:** It is the intent of the Signatory Agencies to provide and receive services of the SWAT Team without the threat of liability to one another, and to fully cooperate in the defense of any claims or lawsuits arising out of or connected with any SWAT Team action. It is the intent of the Signatory Agencies that they share equally in the financial burden of litigation regarding SWAT Team activities. The costs to be equally shared include, but are not necessarily limited to, costs of defense, compensatory damages, and any attorney's fees awarded. The Signatory Agencies intend this cost-sharing to apply in all circumstances, regardless which Signatory Agency employs any individual team member/s whose actions or omissions are at issue in the litigation. The remainder of the liability-sharing portion of this agreement should be interpreted consistent with this intent.
- B. **Notification to Other Signatory Agencies:** In the event a Signatory Agency is served with a lawsuit alleging any act or omission by any Team Member, Team Commander, or Signatory Agency, undertaken on behalf of the SWAT Team, that Signatory Agency shall provide timely notice and documentation of the lawsuit to each of the other Signatory Agencies. The Signatory Agency that initially receives the lawsuit shall also schedule a meeting with all Signatory Agencies to discuss the lawsuit and to determine, with input from the insurer or risk-pooling organization for each Signatory Agency, the appropriate manner in which to respond to and/or defend the lawsuit. Nothing in the Agreement shall be deemed a waiver by any Signatory Agency of the requirements set forth in Chapter 4.96 RCW, and the fact that a Signatory Agency provides notice or copies of a claim to another jurisdiction shall not constitute a waiver of the requirement that a party who files suit against a jurisdiction first file a claim with the jurisdiction in accordance with Chapter 4.96 RCW. Moreover, nothing in this Agreement shall be deemed acceptance of service of a lawsuit, and the fact that a Signatory Agency provides notice or copies of a lawsuit to another jurisdiction shall not be deemed adequate service of such lawsuit.
- C. **Costs of Defense:** The cost of defense of any claim or litigation brought against any Signatory Agency or its employees for any act or omission undertaken on behalf of the SWAT Team shall be shared equally among the Signatory Agencies. The Signatory Agencies recognize this equal sharing of liability is different than the proportional sharing of budgeted expenses described above. This equal sharing of litigation costs shall apply regardless whether any Signatory Agencies are represented jointly.
- D. **Joint Representation Encouraged:** In the event of litigation against a Signatory Agency or its employees for any act or omission undertaken on behalf of the SWAT Team, the Signatory Agencies are encouraged to select a single attorney to coordinate and conduct the defense. The Signatory Agencies recognize that joint representation improves access to records and personnel, improves communication among agencies and personnel, and minimizes the overall costs of defense. It is generally intended that Signatory Agencies and their employees will agree to joint defense, except in cases of bona fide conflict, as described in the next section.

- E. **Conflict Counsel – Cost-Sharing**: In the event any attorney retained to represent any individual of Signatory Agency in any SWAT Team-related litigation determines conflict counsel should be appointed for any individual or Signatory Agency, that individual or Signatory Agency shall be entitled select their own conflict counsel, with the input of the relevant insurance carrier or risk-pooling organization. The costs of any conflict counsel shall be shared equally among the Signatory Agencies.
- F. **Dismissal From Lawsuit – Continued Cost-Sharing**: In the event a Signatory Agency or its employee/s is/are successfully withdrawn or dismissed from a lawsuit, that Signatory Agency shall nonetheless be required to pay its equal share of any subsequent and continued litigation costs.
- G. **Settlement – Procedure - Effect**
1. **Settlement Procedure**: Any Signatory Agency receiving a settlement offer or demand in any action or proceeding arising from SWAT Team activity shall immediately notify the other Signatory Agencies of that offer/demand, including the particulars thereof. Such Signatory Agency shall consult with the other Signatory Agencies and their insurance carrier/s or risk-pooling organization/s prior to making any settlement decision.
 2. **Individual Settlement Decisions Discouraged**: It is the intent of this Agreement that the Signatory Agencies act in good faith on behalf of each other in conducting settlement negotiations on liability claims or lawsuits so that, whenever possible, all Signatory Agencies agree with the settlement costs or, in the alternative, that all Signatory Agencies reject settlement demands and agree to go to trial and share in any litigation costs going forward.
 3. **Individual Settlement Decision – Settlement Costs Not Shared**: Any Signatory Agency entering into settlement with a claimant/plaintiff without ending the liability of all other Signatory Agencies and their employees shall not be entitled to contribution from the other Signatory Agencies for the amount of that settlement.
 4. **Individual Settlements – Continued Litigation Costs Shared**: Any Signatory Agency entering into settlement with a claimant/plaintiff without ending the liability of all other Signatory Agencies and their employees shall remain responsible for an equal share of any costs/expenses for any continued litigation against other Signatory Agencies and/or their employee/s.
- H. **Liability Sharing – Non-Punitive Damages**: Excluding any award of punitive

damages, liability for the actions or omissions of any individual or Signatory Agency, imposed as a result of their participation in the SWAT Team, shall be shared equally among all Signatory Agencies. The costs and expenses to be shared equally include, but are not limited to, any settlement of any claim for damages, fines, costs and expenses, awards, and attorney's fees (including costs of defense). These costs and expenses shall be shared equally regardless of which Signatory Agency or employee the action is brought against, regardless of which Signatory Agency or employee is ultimately responsible for the conduct, regardless of the number of Signatory Agencies named in the lawsuit or claim, and regardless of the number of officers from each Signatory Agency named in the lawsuit or claim.

- I. **Liability – Punitive Damages:** In the event punitive damages are awarded against any individual or Signatory Agency as a result of any action or omission occurring during any SWAT Team related activity, no other Signatory Agency shall be liable for any portion of such award. Any decision by a Signatory Agency to indemnify its officer/s or employee/s for any award of punitive damages will have no effect on the contribution owed by any other Signatory Agency.
- J. **Payment of Costs/Awards – Reimbursement:** In the event any Signatory Agency fails to timely provide payment of its equal portion of any shared costs/expenses outlined above, any other Signatory Agency may choose to pay the non-paying Signatory Agency's share. The Signatory Agency that failed to pay shall then be liable to the Signatory Agency that paid the share, plus any attorney's fees incurred in the collection of said monies from the non-paying Signatory Agency.
- K. **Hold Harmless:** The Signatory Agencies express their intent that no legal cause of action shall be brought by one Signatory Agency against any other Signatory Agency as a result of any SWAT Team related activity, except to enforce the cost and liability sharing provisions of this Agreement. Therefore, each Signatory Agency agrees to hold harmless and indemnify the other Signatory Agencies from any loss, claim or liability arising from the actions or omissions of its officers and employees or each other as related to any SWAT Team activity, except as expressly outlined in this Agreement.
- L. **Insurance – Effect on Agreement:** The failure of any insurance carrier or self-insured pooling organization to agree to or follow the terms of this section shall not relieve any individual Signatory Agency from its obligations under this Agreement.

Section 9. Insurance Coverage Required

The Signatory Agencies shall, to the best of their ability, coordinate their liability insurance and/or self-insured coverage to the extent possible to fully implement and follow this Agreement. However, the consent of any liability insurance carrier or self-insured pool or organization is not required to make this agreement effective as between the Signatory

Agencies, and the failure of any insurance carrier or risk-pooling organization to agree or follow the terms of this provision on liability shall not relieve any Signatory Agency from its obligations under this agreement.

Section 10. Employment

Except as provided herein, all public personnel are deemed to be continuing employment for their respective employers when activated as members of the SWAT Team. Each Signatory Agency shall be solely and exclusively responsible for the compensation and benefits for those personnel. All rights, duties, and obligations of the employer and the employee shall remain with that Signatory Agency. Each Signatory Agency shall be responsible for ensuring compliance with all applicable laws regarding employees, and with provisions on any applicable collective bargaining agreements, civil service rules regulations, and its own disciplinary policies and procedures.

Section 11. Press Releases

Signatory Agencies will coordinate any press releases relating to SWAT Team activities only through the Primary Responsible Agency, in an effort to fully and fairly acknowledge the contributions of participating agencies, and with due regard for the integrity of the operations and the safety of officers.

Section 12. Authorized Staff

The Signatory Agencies to this agreement shall provide the names and phone numbers of staff who have the authority to commit manpower and/or equipment to any SWAT Team activation/callout.

Section 13. Prisoner Transportation

Transportation of arrestees will be coordinated by the Incident Commander.

Section 14. Injury Benefits

Whenever any commissioned officer of a Signatory Agency is injured while acting pursuant to this Agreement, even though such injury may have occurred while the officer was under the direction of a Signatory Agency which was not the employer of the injured officer at the time of such injury, such officer and/or his/her dependents shall receive from that Officer's employer the same benefits that such officer would have received had that officer been

acting under the immediate direction of the officer's employer and within said employer's jurisdiction.

Section 15. Severability

Should any clause, phrase, sentence or paragraph of the Agreement or its application to any party or circumstance be declared invalid or void by a court of competent jurisdiction, the remaining provisions of this Agreement and/or their application to other parties and circumstances, not declared invalid or void, shall remain in full force and effect.

Section 16. Term

The minimum term of this Agreement shall be one (1) year, effective upon its adoption by all Signatory Agencies. This Agreement shall automatically extend for consecutive one (1) year terms without action of the legislative bodies of the Signatory Agency jurisdictions, unless and until terminated pursuant to the terms of this agreement.

Section 17. Termination

Any Signatory Agency may withdraw from this Agreement with thirty (30) calendar days advance written notice to the other Signatory Agencies herein. Withdrawal during any calendar year shall not entitle the withdrawing agency to a reduction or refund with respect to funds budgeted for or otherwise committed with respect to the withdrawing agency for that calendar year. Termination of this Agreement and/or withdrawal of an agency shall not terminate the indemnity/liability of that agency for any incident arising prior to the withdrawal. All terms of this Agreement shall survive the termination with respect to any cause of action, claim or liability arising on or prior to the date of termination.

1. In the event a Signatory Agency withdraws from and terminates participation under this Agreement, property provided by that Signatory Agency pursuant to the terms and conditions of this Agreement, including but not limited to vehicles, equipment, firearms, ammunition and explosives, shall belong to and shall be returned to that Signatory Agency.
2. Items that were jointly purchased through the SWAT Team general operating budget will continue to remain with and be available for use by the SWAT Team until such time that this Agreement is terminated in its entirety, at which time items that were jointly purchased by the Signatory Agencies will be divided among the Signatory Agencies in proportion to the number of Team Members each Agency contributes to the Team under the Agreement as of the date of termination.

Section 18. Contract Administration

The Signatory Agencies do not, by this Agreement, intend to create any separate legal or administrative entity. The Signatory Agencies will cooperatively work together to further the intent and purpose of this agreement. The Chief Law Enforcement Officers from the Signatory Agencies shall be responsible for administering the terms of this agreement.

Section 19. Entire Agreement

This agreement contains the complete understanding of the Signatory Agencies regarding the subject matter of this agreement.

Section 20. Authorization

By resolution or ordinance or otherwise pursuant to law, the governing bodies of the Signatory Agencies listed below have authorized their respective designated officials to execute this agreement on their behalf. This agreement may be executed by counterparts and if so, shall be deemed valid as if each designated official had signed the original.

Section 21. Additional Signatory Agencies

Additional agencies may become parties to this Agreement if approved by a majority vote of the OC at a regularly scheduled meeting. Once approved by such a vote, the new Signatory Agency will execute this Agreement by affixing the signature of a designated official to a copy of this Agreement in the same manner as the existing Signatory Agencies.

The addition of a Signatory Agency does not change the terms of this Agreement unless otherwise stated herein, and does not require re-adoption of this Agreement by any Signatory Agency or such agency's governing body.

Except as otherwise provided herein, the rights and liabilities of any additional Signatory Agency shall attach immediately upon that Agency's adoption of this Agreement by signature of a designated official.
