AGENDA ITEMS

Approval of January, March & April 2023 Minutes

Fire Investigation Services Agreement

- Chief Gabreluk presented a Fire Investigations Services Agreement with Pierce County. The proposed resolution would essentially renew services that provide highly specialized fire investigation services. These technical skills typically fall outside the scope of training provided to law enforcement agencies and their personnel.

Resolution Regarding Council Notification to Changes in the Interlocal Agreement for Special Weapons & Tactics (SWAT)

- The committee discussed a proposed resolution requiring the Police Chief to notify council regarding any changes to the number of agencies participating in the multi-jurisdictional SWAT team.

Monthly Crime Statistics

- A comprehensive packet was provided to the committee outlining all April 2023 calls for service. This information highlighted call/contact date, time and type of incident. In addition, staff training hours were provided as well as officer contacts with those suffering from mental health issues.

Good of the Order

- Questions were raised regarding the impact of state legislators not addressing the “Blake decision” during the regular session. The temporary misdemeanor provisions legislators adopted in response to the Washington Supreme Court overturning the state’s felony drug possession law. The misdemeanor policy expires this July 1st. City administration reported that this would be a continued topic of committee/council discussion.
