**Attachments:** Fire Investigations Services Agreement

#### **SUMMARY STATEMENT:**

The ability to investigate the origin, cause, and circumstances that give rise to fire is a highly technical and specialized skill that generally falls outside of the scope of training provided to law enforcement agencies and their personnel. The responsibility for investigating the origin, cause, circumstances, and extent of loss of all fires that occur within the boundaries of a city falls upon the Fire Chief of city Fire Department. In unincorporated areas of the County, this responsibility falls upon the county fire marshal. In cases where no city Fire Chief exists due to a municipality contracting with a county fire district to provide for fire protection services, the municipality may enter into an agreement for fire investigation services with the county fire marshal directly. While in all cases, the Chief of Police has concurrent investigative authority, it does not have staff capable of adequately investigating the cause of suspicious fires.

**RECOMMENDED ACTION:** Move Forward to The Consent Agenda for The May, 2023 Meeting.

**FUTURE MOTION:** To Authorize the Mayor to Sign the updated Interlocal agreement for fire investigation services provided by County Fire Marshall.

#### **AGREEMENT FOR FIRE INVESTIGATION SERVICES**

THIS AGREEMENT is made and entered into by and between PIERCE COUNTY, a political subdivision of the State of Washington, (hereinafter referred to as "County") and the <a href="City">City</a> of ORTING, a municipal corporation of the State of Washington, (hereinafter referred to as "City")

WHEREAS, RCW 43.44.050(1)(a) provides that within a city or town, the chief of a fire department has the responsibility for investigating the origin, cause, circumstances, and extent of loss of all fires within the city or town limits of the city or town; and

WHEREAS, RCW 43.44.050(1)(b) provides that within the unincorporated areas of the county, the county fire marshal or other fire official so designated by the county legislative authority has the responsibility for investigating the origin, cause, circumstances, and extent of loss of all fires within the unincorporated areas of the county; and

WHEREAS, RCW 43.44.050(3) provides that cities, towns, agencies and counties may enter into agreements pursuant to Chapter 39.34 RCW to meet the responsibility required by RCW 43.44.050; and

WHEREAS, County and City believe it to be in the best interests of their citizens that County provide fire investigation services within the City jurisdiction in the event of a fire or explosion or related occurrence; NOW THEREFORE,

#### IT IS HEREBY AGREED AS FOLLOWS:

- 1. <u>Purpose.</u> It is the purpose of this agreement to provide an economical mechanism to provide for the determination of origin and cause of fires, explosions or related occurrences and to conduct such investigations in a competent manner and to pursue such fire investigations to a reasonable conclusion.
- 2. <u>Duration.</u> The duration of this agreement shall be that period commencing on the 1st day of <u>January 2023</u> and terminating at midnight on the 31st day of <u>December 2027</u>, unless this agreement is extended or terminated in accordance with the terms hereof.
  - 3. <u>Definitions.</u> As used in this agreement, the following definitions will apply.
- A. "Fire Investigation" means the process of determining the origin, cause, development and circumstances of a fire or explosion and following the facts to a reasonable conclusion.
- B. "Fire Investigator" means an employee of the Pierce County Fire Prevention Bureau fully trained and equipped to conduct competent, complete and accurate fire investigations.
  - C. "On-Call" means a Fire Investigator immediately available for response

(or consultation) to a Fire Investigation or related incident 24 hours per day, 7 days per week, 365 days per year.

- 4. <u>Services.</u> County shall provide fire investigation services in compliance with Chapter 43.44.050 RCW in a professional manner and fashion utilizing recognized techniques, practices and skills as associated with fire investigation throughout the United States. County shall perform all services as specified in Attachment "A".
- 5. Records Management. County shall provide copies of all complete fire investigation reports prepared by County to City, or all records prepared, owned, used or retained by Pierce County related to performance of these services shall be made available to the City upon request. City shall be the custodian of such complete fire investigation reports pursuant to State law, and the County agrees to assist the City with its obligations under the Washington Public Records Act, RCW 42.56 as requested by the City. County shall release no reports or information concerning any fire investigation performed for City without written authorization by City, and the County shall notify the City of any public disclosure requests the County receives related to the performance of the services under the Agreement including copies of all responses thereto.
- 6. <u>Compensation.</u> City shall pay County upon execution of this agreement the sum of \$1,824.75, per year for all services rendered under the terms of this agreement. The number of fire investigations billed for the year is based upon a five-year rolling average of response history in the City. The first year (2023) compensation shall be \$3,284.55 based upon 1.8 fire investigations per year average. Payment is due and payable on March 31, 2023, and on January 31 for subsequent years of the contract. The County may request an increase to the \$1,824.75 annual rate for subsequent years, provided the increase shall be limited to the greater of the previous year's January to December Consumer Price Index for the Seattle urban area or the rolling average fire investigation response history for the past five years in the City, not taking into account the most recent year. Additionally, the parties may negotiate a new annual rate concurrent with an amendment to the scope of services (set out in Attachment "A") as agreed upon by the parties.
- 7. <u>Termination.</u> Either party may terminate this agreement upon ninety (90) days written notice to the other party. Notices and other communications shall be transmitted in writing by U.S. Mail, postage prepaid, addressed to the parties as follows:

If to Pierce County, to: Pierce County, DEM Director

2501 S 35<sup>th</sup> St, Suite D Tacoma, WA 98409

If to City of Orting: City of Orting, Office of the City Mayor

PO BOX 489 Orting, WA 98360

Upon termination, the City shall be refunded the prorated amount of its annual payment that has been paid for any portion remaining in the annual term.

- 8. <u>Renewal.</u> This agreement may be renewed for agreed upon terms upon the mutual agreement of the parties as signified by a Memorandum of Renewal signed by the duly authorized representatives of each of the parties.
- 9. <u>Hold Harmless and Indemnification.</u> Each party shall defend, indemnify and hold harmless the other from liability or any claim, demand or suit arising because of said party's negligence or intentional acts. Each party shall promptly notify the other of any such claim.

In the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of City, its officers, officials, employees and agents, and County, its officers, officials, employees and agents, each party's liability hereunder shall be only to the extent of that party's negligence.

The foregoing indemnity is specifically intended to constitute a waiver of each party's immunity under Washington's Industrial Insurance Act, Chapter 51 RCW, as respects the other party only, and only to the extent necessary to provide the indemnified party with a full and complete indemnity of claims made by the indemnitor's employees. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

Each party's duty to indemnify shall survive the termination or expiration of the Agreement.

The parties agree to either self-insure or purchase policies of insurance covering the matters contained in this Agreement with coverage's of not less than \$1,000,000 per occurrence with \$2,000,000 aggregate limits including professional liability and auto liability coverages.

- 10. General. Neither party may assign or transfer this contract or any rights or obligations hereunder without the prior written consent of the other party. This contract constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, and understandings of any nature whatsoever. Any changes to this contract requested by either party may only be affected if mutually agreed upon in writing by duly authorized representatives of the parties hereto.
- 11. <u>Breach of Contract.</u> Failure by either party at any time to require performance by the other party or to claim a breach of any provision of this contract shall not be construed as affecting any subsequent breach or the right to require performance with respect thereto or to claim a breach with respect thereto.
- 12. <u>Third Party Beneficiaries</u>. This Agreement is made and entered into for the sole protection and benefit of the parties hereto. No other person or entity shall have any right of action or interest in this Agreement based upon any provision set forth herein.
- 13. <u>Independent Contractor</u>. The Parties intend that an independent contractor relationship will be created by this Agreement. Pierce County shall be an independent contractor and not the agent or employee of the City, that the City is interested only in the results to be achieved and that the right to control the particular manner, method and means in which the services are performed is solely within the discretion of Pierce County. Any and all employees who provide services to the City under this Agreement shall be deemed employees solely of

Pierce County, and Pierce County shall be solely responsible for the conduct and actions of all its employees under this Agreement and any liability that may attach thereto. Likewise, no agent, employee, servant or representative of the City shall be deemed to be an employee, agent, servant or representative of Pierce County for any purpose.

- 14. <u>No Joint Entity; Property and Equipment</u>. The parties do not intend by this agreement to create a separate legal or administrative entity. The parties agree that ownership of all property and equipment utilized in conjunction with providing the services shall remain with the original owner, unless otherwise specifically and mutually agreed to by the parties to this Agreement.
- 15. <u>Posting or Filing</u>. This Agreement shall be filed or posted by the City with such offices or agencies as required by chapter 39.34 RCW.
