AGENDA ITEMS

Approval of November 2023 Minutes

Monthly Crime Statistics

- Chief Gabreluk reviewed the November crime statistics. He reported that officers responded to 409 call for service. A breakdown of the type, date and duration of each call was provided to the committee.

Nuisance Code Updates

- The committee was provided with a draft of the proposed updates to current City nuisance code. The potential changes define the term “vine” and specifically address nuisance vines that encroach across property lines or the property of others. In addition, updates are also proposed relating to graffiti and the prevention of nuisance violations. The committee recommended this item be moved to study session.

Sergeant Promotion Process

- The civil service committee has received a list regrading sergeant candidates. Chief Gabreluk believes a decision will be made regarding the new sergeant in the next week or two. He also reported that the department is changing its rank structure from lieutenants to sergeants. He stressed duties and pay will remain the same.

Recovery Café Safe Parking

- A public hearing will take place on December 13, 2023 regarding the Recovery Café Safe Parking program. The hearing is being publicized on social media as well as the City reader board. Recovery Café’s proposed program would give unhoused residents a place to stay and receive support while trying to transition to long-term housing.

Other Business

- The committee discussed potential crosswalk audits and upcoming street safety related grants.

SUMMARY STATEMENT:				
<p>This resolution seeks to authorize the surplus of certain Police Department SWAT and Patrol equipment. This resolution also seeks to authorize the transfer and cost recovery of said equipment to the City of Sumner Police Department by the City Administrator or designee.</p>				
Pros		Cons		
<p>Will allow for the recovery of costs associated with the original purchase of 2021 SWAT equipment assigned to an Officer no longer on staff. Allows for recovery of funds for equipment that is not anticipated for reassignment until full staffing levels are maintained.</p>		<p>New SWAT equipment will require purchase if the Police Department fills the vacant SWAT team position resulting from Officer Boone's departure to Sumner PD. (The Police Department, however, does not anticipate re-assigning this position until it maintains full staffing levels.)</p>
