Certified Eligibility Registers shall be of three kinds; an applicant register from which original appointments are made (which can take three forms, described in this section), promotional registers from which promotional appointments are made, or reinstatement registers. Based on department needs, if recommended by the Appointing Authority and approved by the Commission, original appointments to fill vacancies in the department can be made from any of the following applicant registers: Certified Eligibility Register for Entry Level Candidates, Certified Eligibility Register for Lateral Candidates, or Certified Eligibility Register for BLEA Candidates.

7.2.2 Certified Eligibility Registers for original appointments shall be valid for six months and unless countered by the Civil Service Commission will automatically extend by six months and/ or may be extended by a majority vote of the Civil Service Commission for additional six-month periods for a maximum of three (3) years

7.2.3 Certified Eligibility Registers for Promotional Candidates shall be valid for six months and may be extended by majority vote of the Civil Service Commission for additional six-month periods for a total of two (2) years for positions represented by a collective bargaining agreement and a maximum of three (3) years for positions not represented by a collective bargaining agreement. In the event of a negotiated agreement, all promotional Registers may be extended for a maximum of three (3) years.

7.3 REINSTATEMENT REGISTER. Employees who are placed on reinstatement Registers due to layoff or reduction shall have their names remain effective on the reinstatement Registers as follows:

7.3.1 Employees who have successfully completed the probationary period for a rank shall be maintained on the reinstatement Register for an unlimited period of time; provided, however, that their names may be removed from the Reinstatement Register for cause.

7.3.2 Employees who have not completed the probationary period for the rank shall be maintained on the reinstatement Register for the rank for a maximum of one (1) year following the effective date of the reduction or layoff; provided, however, that their names may be removed from the reinstatement Register for cause. This register may be extended by the Commission. After the maximum three-year period, their names shall be automatically removed from the reinstatement Register.

7.4 NEW CERTIFIED ELIGIBILITY REGISTERS TERMINATE EXISTING CERTIFIED ELIGIBILITY REGISTERS FOR THE SAME CLASS. Any Certified Eligibility Register shall be terminated automatically upon promulgation of a Certified Eligibility Register from a new examination for the class.

7.5 REMOVAL OF NAMES FROM CERTIFIED ELIGIBILITY REGISTERS. The name of

any person appearing on a Certified Eligibility Register may be removed by the Civil Service Commission or designee if the candidate fails to respond to a notice of certification, if he/ she declines an appointment without reason satisfactory to the commission, or if he/ she cannot be located by postal authorities. In the case of such removal, the Civil Service Commission shall notify the candidate affected in writing at his/her last known address. The name of the person so removed may be reinstated only if satisfactory explanation of the circumstances is made to the Commission. The names of persons on the Certified Register for Promotional Candidates who resign from the service shall be automatically dropped from the Register.

7.6 NOTICE OF ADDRESS CHANGE. Each individual on any Certified Eligibility Register shall be responsible for notifying the Civil Service Commission or designee of a change of address. Failure to do so may cause the removal of his/her name from the Register.

7.7 REVOCATION OF REGISTERS. Any Register may be revoked by the Commission when plainly inadequate results have been obtained through the examination or screening process. The Commission may also cause revocation because of fraud, errors, or obviously inappropriate standards prescribed in connection with the examination. Upon a revocation of any of the above reasons, the Commission shall cause a new examination to be held which will result in the creation of an appropriate Register.

7.8 RETURN TO REGISTER AFTER RESIGNATION OR RETIREMENT

- 7.8.1 A former employee who resigned or retired may request return of his or her name to the proper open eligibility list or register for the class. Such request must be made within one year from the date of resignation or retirement.
- 7.8.2 Any request for return to register following resignation or retirement must be supported by written recommendation of the Chief of Police.
- 7.8.3 A former employee whose eligibility is reinstated under this rule shall be certified according to Civil Service rules.
- 7.8.4 The name of a former employee who resigned or retired may not be returned to a promotional register, unless recommended by the head of the former employing department and approved by the Civil Service Commission within one year from the date of resignation or retirement.

RULE 8. APPOINTMENTS.

8.1 APPOINTING AUTHORITY. The Appointing Authority shall be the Mayor (or his/her designee,) for the Chief of Police, and all other positions within the Police Department.

8.2 PROVISIONAL APPOINTMENT. A provisional appointment may only be made in the absence of an appropriate Certified Eligibility Register. In such a case, the Appointing Authority may select a person meeting the minimum qualifications for nomination to the Civil Service Commission. The Civil Service Commission or designee shall notify the person or persons appearing on the appropriate list indicating the nature of the position and its duration, to learn who may be willing to accept temporary assignment. In the event no person on the Certified Eligibility Register expresses a willingness to accept a temporary appointment, the Appointing Authority may exercise his/her prerogative to initiate provisional appointment.

8.3 TEMPORARY ASSIGNMENT. In making temporary appointments, the Appointing

Authority shall make a request to the Civil Service Commission in the manner provided for in regular appointments, but shall indicate the time in which it is estimated that the position will terminate. The Civil Service Commission Designee shall notify the person or persons appearing on the appropriate register indicating the nature of the position and its duration to learn who may be willing to accept a temporary assignment. In the event no person on the Certified Eligibility Register expresses a willingness to accept a temporary appointment, the Appointing Authority may exercise his/her prerogative to initiate a provisional appointment.

8.4 LIMITS ON TEMPORARY APPOINTMENTS. No full-time reserve or temporary appointment shall continue for a period exceeding a continuous six (6) months. No time spent as a full-time reserve or temporary appointee shall be credited to a probationary period, or be utilized for computing any privilege accruing under civil service law or the rules and regulations.

RULE 8A. HIRING PROCESS.

8A.1 CERTIFIED ELIGIBILITY REGISTERS. Whenever a vacancy exists, the Appointing Authority may request the names of the top five (5) candidates on any Certified Eligibility Register, and may make an appointment from such Certified Eligibility Register, consistent with the provisions of this rule. The Commission encourages the Appointing Authority to work with the Secretary to ensure that sufficient Certified Eligibility Registers are maintained throughout the year, to avoid potential delays in filling vacancies.

8A.2 APPOINTMENTS MUST BE MADE FROM A CERTIFIED ELIGIBILITY REGISTER. If there is a current, Certified Eligibility Register, the Appointing Authority may appoint from such Certified Eligibility Register. If an appointment occurs, the Appointing Authority must notify the Secretary, who will inform the Civil Service of the selection. If there is not a current, sufficient, Certified Eligibility Register, the Appointing Authority shall request that the Secretary prepare a new Certified Eligibility Register.

8A.3 REQUEST FOR CERTIFIED ELIGIBILITY REGISTER TO FILL POSITION. If the Appointing Authority requests one or more Certified Eligibility Register(s), such request should specify if the request is for Entry-Level, Lateral, BLEA, or Promotional candidates.

8A.4 COMMISSION AUTHORITY. The Civil Service Commission holds authority to establish a process for, and approve, modify, or reject an Eligibility List or Preliminary Eligibility Register, and/or to delegate authority for certifying a final Certified Eligibility Register. Following compliance with these guidelines, the Secretary shall be empowered to issue a final, Certified Eligibility Register for any new position, as discussed below.

8A.5 PROCESS TO CREATE ELIGIBILITY LIST.

8A.5.1 EXAM RESULTS USED TO GENERATE ELIGIBILITY LIST. Eligibility Lists are generated based on competitive examination results. In the case of Entry Level and BLEA candidates, results for written competitive examinations are reported by the City's exam administrator, Public Safety Testing, Inc. The Civil Service Secretary shall be responsible for obtaining and verifying current lists of eligible candidates from Public Safety Testing for purposes of creating an Eligibility List when requested. In the case of Promotional candidates, results for written competitive examinations are reported by the Civil Service

Secretary, who oversees the competitive written examination. Eligibility Lists can be assembled to include applicants who are subject to the same written examination process.

8A.5.2 ELIGIBILITY LIST, CONTACTS AND FOLLOW-UP BY SECRETARY. In the case of Entry Level, and BLEA candidates, the Civil Service Secretary shall contact all qualified applicants on an Eligibility List with a passing score on the written examination and invite such qualified applicants to complete a City employment application form (pursuant to Rule 5 herein) by a date certain, but no later than 10 (ten) days after such request. In the case of Promotional candidates, the Secretary shall invite qualified applicants to complete and submit an application form prior to the written examination, and only those candidates who have submitted a complete application may sit for the written examination.

In all cases, the Secretary shall ask qualified applicants to provide necessary documentation to apply any Veteran's Preference, Reserve or Volunteer points to passing scores earned by qualified candidates, in a manner consistent with state law. The Secretary shall remove any unqualified candidate from the Eligibility List, including but not limited to those candidates who fail to timely submit a complete application. The rank on the Eligibility List is based on final passing scores in the preliminary phases of the examination process. Eligibility Lists are not Certified Eligibility Registers and therefore do not require certification by the Civil Service Commission.

8A.6 ORAL BOARD EXAMINATION OF QUALIFIED CANDIDATES ON ELIGIBILITY LIST.

8A.6.1 Until or unless modified by action of the Commission for a specific hiring process, the Secretary shall set up Oral Board Examinations for the qualified candidates on the Eligibility List. The Secretary shall go down the Eligibility List and take the candidates by order of score from highest to lowest, until at least five (5) qualified candidates are scheduled and confirmed for examination by the Oral Board. For some hiring and/or promotion processes, there may not be five (5) qualified candidates available for the Oral Board Examinations. In such case, the Secretary will schedule Oral Board Examinations with potentially less than five (5) candidates.

8A.6.2a COMPOSITION OF ENTRY ORAL BOARD. Until or unless modified by action of the commission for a specific hiring process, the Oral Board shall be made up of 3, 5, or 7 law enforcement officers/administrators. The Composition of the Oral Board may be one (1) Orting Officer (except for examinations) and the remainder of outside agencies. The size of the Oral Board may vary, so long as all candidates for a particular vacancy are examined by the same Oral Board. Civil Service Commissioners are not encouraged to attend Oral Board Examinations as observers. The Civil Service Secretary, in a consultation with the Police Chief, the Mayor, and Civil Service Chair, will appoint qualified persons to service as the Oral Board, and will schedule the Oral Board examinations in an efficient fashion.

8A.6.2b COMPOSITION OF BLEA CERTIFIED AND LATERAL ORAL BOARD. Until or unless modified by action of the commission for a specific hiring process, the Oral Board shall be made up of 3, 5, or 7 City of Orting officers/administrators. The size of the Oral Board may vary, so long as all candidates for a particular vacancy are examined by the same Oral Board. Civil Service Commissioners are not encouraged to attend Oral Board Examinations as observers.

The Civil Service Secretary, in a consultation with the Police Chief, the Mayor, and Civil Service Chair, will appoint qualified persons to service as the Oral Board, and will schedule the Oral Board examinations in an efficient fashion.

8A.6.3 SCORING ORAL BOARD EXAMINATIONS. Candidates shall be given Oral Board Examinations and scored in accordance with Appendix G, which is attached to these Rules and incorporated by reference. 70 out of a possible 100 points is the passing score for the Oral Board Examination portion of the hiring process. The oral questions shall be as approved by the Commission. The average score provided by the Oral Board is added to the written test score for candidates who pass the Oral Board Examination process, for a total possible score of 200 (plus any veterans, reserve/volunteer points already added). Scoring sheets shall be collected and maintained by the Secretary. Note: Failure in one part of the examination process for the position (i.e. written, physical, and/or oral) shall be grounds for declaring the applicant as failing the entire examination.

8A.7 PRELIMINARY ELIGIBILITY REGISTER AND CERTIFIED ELIGIBILITY REGISTER. Following completion of the Oral Board Examination, the Secretary shall verify final scoring totals and create the Preliminary Eligibility Register. The Secretary shall notify each applicant of the results of the Oral Board Examination, his or her final earned rating, and their relative position on the Preliminary Eligibility Register. Within seven (7) calendar days after notice of his or her final score has been emailed to an email address provided by the applicant, any applicant may review his or her examination papers and have his or her score reviewed and corrected if an error is identified. The Secretary shall have discretion to correct clerical and calculation errors. Should an applicant wish to challenge any substantive part of the Oral Board Examination, he or she shall submit to the Secretary, within seven (7) days after notice of his or her final score has been emailed, authoritative written proof of the validity of his or her claim, which shall detail which portion of the Oral Board Examination process' scope, content, or practicality is challenged.

8A.7.a CIVIL SERVICE COMMISSION, POSSIBLE SPECIAL MEETING (if a timely written protest is filed as permitted above). Any substantive challenges shall be considered by the Commission. At a regular or special meeting called for such purpose, the Secretary shall review the process of creating the Preliminary Eligibility Register. The Commission shall address any written protests, votes to certify, modify or reject the Preliminary Eligibility Register. If the Commission is satisfied as to the validity of any challenges, it shall order an appropriate revision of the examination scores, a restructuring of the Preliminary Eligibility Register, and the emailing of notices to candidates on the Preliminary Eligibility Register indicating the action ordered and its effect on their individual standing.

8A.7.b SECRETARY AUTHORIZED TO ISSUE CERTIFIED ELIGIBILITY REGISTER. If no challenges/appeals are timely filed to any portion of the Oral Board Examination process or final results as calculated and reported by the Secretary, and/ or after the Commission resolves any written protest of the Oral Board Examinations process as addressed above, then the Secretary is given full authority and discretion to issue a Certified Eligibility Register of the top five (5) names of successful applicants to the Appointing Authority, without need for convening another Commission meeting.

8A.8 DISCRETION TO HIRE, OR REQUEST A NEW REGISTER. The Appointing

Authority shall have discretion to appoint/hire an applicant from any Certified Eligibility Register. If any register for a particular class of applicants includes less than 5 qualified applicants, the Appointing Authority has discretion to appoint using such register or to ask for another process to generate a new register.

8A.9 ADDITIONAL NAMES TO MAINTAIN 5 QUALIFIED APPLICANTS ON THE CERTIFIED ELIGIBILITY REGISTER. If the Secretary determines that any of the applicants on the Certified Eligibility Register are no longer willing, available, or otherwise qualified for appointment, or that the applicant did not/ does not respond, sufficient additional names shall be Certified and furnished by the Secretary to maintain five (5) qualified applicants on the Certified Eligibility Register, drawing the highest remaining name(s) as ranked on the current Preliminary Eligibility Register, to complete/ maintain five (5) names on the Certified Eligibility Register. Ideally, the Certified Eligibility Register should be up to five (5) candidates, but it can be less, depending upon qualified applicants.

8A.10 BACKGROUND CHECK, FURTHER REVIEW BY APPOINTING AUTHORITY. In all circumstances, the Appointing Authority shall have discretion to conduct an appropriate background investigation and consider the experience, training, education, and other relevant criteria regarding the final, certified applicants appearing on the Certified Eligibility Register. The Appointing Authority has discretion to conduct supplemental interviews and meetings with certified eligible applicants before reaching a determination as to which, if any, of the top 5 applicants on the Certified Eligibility Register to hire.

8A.11 CONDITIONAL OFFER OF EMPLOYMENT. The appointed candidate is given a conditional offer of employment. The candidate receives a polygraph, a psychological examination, and a background check. If successful they become an employee, subject to successful completion of their probationary status.

8A.12 RECORDS. The Secretary shall retain records generated as part of the hiring process.

RULE 8B. PROMOTIONAL PROCESS

8B.1 Once the Civil Service Commission receives a request from the Appointing Authority to conduct a promotional testing process, the Secretary shall adhere to the following:

8B.1.1. The Secretary shall post the announcement, and shall provide at least five (5) days for those interested to respond in writing of their intent to enter the promotional process on an application form issued by the Secretary. The time period for submission of applications may be extended at the discretion of the Secretary, except all potential applicants shall receive the same amount of time and shall be notified of the deadline for submission at the time the promotional testing process is announced.

8B.1.2. Upon receiving the aforementioned applications, the Secretary shall order the proper amount of written tests. Upon receiving the testing material, the Secretary shall establish a written test date to occur no sooner than sixty (60) days from the closure of the application period described herein. Notice of the written testing date and the materials recommended for officers to obtain to aid in their study, will be provided to all applicants and publicly noticed at

the Police Station at least sixty (60) days prior to the written test.

8B.1.3. The oral examination shall be set no sooner than two weeks but no later than four weeks from receipt of the test scores from the written testing agency or close of application deadline if no written test is required. Notice of the oral examination shall be provided to all applicants at least five (5) days in advance of the oral examination.

8B.1.4 Upon completion of each testing phase (written and oral), applicants' scores shall be totaled and the applicants shall be notified of their individual score and rank.

8B.2 PROMOTION EXAMINATION APPEALS. An applicant who believes that there is an irregularity in the content or procedure of the exam may file an appeal with the Commission's Secretary. All appeals must be in writing and must include a description of the specific item the applicant believes was in error, the reasons why the applicant believes the item is in error, and the correction the applicant believes should be made. In order to be considered valid, the Civil Service Secretary must receive the appeal within fourteen (14) days of the administration of that step (i.e., written examination, oral examination) of the exam process. The appeal shall be conducted in accordance with chapter 11A APPEALS of these Civil Service Rules.

RULE 9. PROBATIONARY PERIOD

9.1 PURPOSE. The probationary period is an integral part of the examination process. It shall be utilized as an opportunity to observe the employee's work, to provide special training, to assist the employee in adjustment to his/her new position, and as an aid in making the decision to reject any employee whose work performance or personal conduct is unsatisfactory.

9.2 DURATION, ENTRY LEVEL AND NEW APPOINTMENTS. Police Department employees shall have a twelve-month probation period following successful completion of Criminal Justice Training Commission Basic Academy and field training. At any time during the probation period the Appointing Authority may terminate an appointment if, during this period, upon observation or consideration of the performance of duty, he/she is found unfit or unsatisfactory. Inability to attend or complete the basic or equivalency academy will be considered grounds for termination. The Appointing Authority shall forthwith notify the Commission in writing of any such termination of employment. Such action by the Appointing Authority is not subject to appeal. The Civil Service Rules defer to union contract language for the length of any probationary period.

9.3 DURATION, FOR PROMOTIONAL APPOINTMENTS. At any time during the 12-month probationary period, the Appointing Authority may terminate a promotional appointment if, during the performance test period thus provided, upon observation or consideration of the performance duty, he/she is found unfit or unsatisfactory. Such action by the Appointing Authority is not subject to appeal; however, that the Appointing Authority shall forthwith notify the commission in writing of any such termination of a promotional appointment. The appointed employee shall have the right to revert to the classification from which he or she was promoted, unless they were discharged from employment in the police department for just cause. As provided in Rule 11.3, any regular employee (also known as "permanent employee") who is a member of the classified service may appeal their discharge from employment to the Commission.

9.4 OUTSIDE EMPLOYMENT. No permanent employee shall hold a job with an outside employer or be self-employed without first having secured written approval from the Police Chief or from the Appointing Authority. No approval for outside employment shall be granted unless injuries or illnesses related to outside employment are covered by Worker's Compensation Act of the State of Washington or other comparable insurance. A certificate verifying insurance coverage will be filed with the commission.

9.5 ACTION NOT REQUIRED. If no action is taken by the Appointing Authority to terminate or reduce in rank a probationary employee during the probation period and the employee is be deemed to have satisfactorily completed the probationary period and his/her appointment shall be made permanent.

9.6 REMOVAL FROM REGISTER. If any appointment is not made permanent because of dissatisfaction with the employee's performance during the probationary period and the employee is terminated or reduced in rank, he/she shall no longer be on the Register for that position.

9.7 NO RIGHTS TO APPEAL. Probationary employees have no rights to appeal their separation from employment (for entry level and original appointments, including lateral hires) or termination of a promotional appointment to the Civil Service Commission. *See State Ex Rel. Swartout v. Civil Serv. Comm'n*, 25 Wn.App 174, 605 P.2d 796, cert. denied, 449 U.S. 992 (1980). The purpose of a probationary period is to allow the appointing official an opportunity to evaluate the competency of the probationer before his/her appointment is made permanent. This principle applies equally to novice police officers, promotional appointees, lateral hires, and those experienced police officers who voluntarily resign from the force but subsequently apply for reemployment. The Civil Service Commission only holds authority to hear appeals from an employee who has achieved "permanent status" (also called "regular employee" or "regular status") in their police department position, not employees who have not completed their probationary period for appointment to a particular classification. This preserves the general scheme of the civil service system with respect to probationary employees, whether entry level, original, lateral, or promotional, allowing the Appointing Authority to discharge the probationer (or cancel the promotional appointment) before the appointment is made permanent, provided that an employee removed from a promotional appointment shall have the right to revert to a lower position in his/her last held permanent classification, unless they were discharged from employment with the police department for just cause.

RULE 10. MAINTENANCE OF STANDARDS

10.1 PURPOSE. In order to promote a well-balanced, efficient and competent Police Department, it is expected that all personnel within the classified service shall maintain the standards of qualification they had to meet for initial employment.

10.2 MENTAL FITNESS. Each member of the department's classified service shall be ready to accept assignments of training which shall be designed to increase, or at a minimum, maintain his/her level of competency, efficiency, and attention to duty.

10.3 PHYSICAL FITNESS. Each member of the department's classified service shall be able to meet the physical fitness standards of that department upon entry.

10.4 FITNESS TO BE MAINTAINED. Any member of the department who fails to maintain an acceptable level of mental and physical fitness may be subject to discipline, including a possible reduction in rank, or dismissal from the department.

RULE 11. DISCIPLINE AND DISCHARGE.

11.1 GENERAL PROVISIONS. Any regular employee may be disciplined for just cause. For the purposes of these rules, "discipline" shall be defined as a suspension, demotion, or discharge.

11.2 JUST CAUSE. The tenure of everyone holding office, place, position, or employment as a member of the City's classified service, expressly excluding the Chief of Police, shall be only during good behavior, and any such person may be removed or discharged, suspended without pay, demoted, or reduced in rank, or deprived of vacation or other special privileges or benefits by the Appointing Authority for Just Cause, which means and includes any of the following:

- A. Incompetence, inefficiency, or inattention to or dereliction of duty. This includes, but is not limited to, the failure or inability to adequately perform the duties or responsibilities of the position, rank or office of the employee;
- B. Insubordination, including but not limited to violation of any lawful and reasonable regulation, policy, rule, order or directive made or given by a superior officer;
- C. Dishonesty, use of illegal drugs, intemperance, immoral conduct, discourteous treatment of the public, discourteous treatment of a fellow employee, or any other act of omission or commission tending to injure the public service; or any other willful failure on the part of the employee to properly conduct himself/herself;
- D. Mental or physical unfitness for the position which the employee holds;
- E. Intoxication or use of intoxicating liquors, narcotics or any other habit-forming drug, liquid, or preparation to such extent that the use thereof impairs the employee's performance, or interferes with the efficiency or mental or physical fitness of the employee, or which precludes the employee from properly performing the function and duties of any position under the Civil Service;
- F. Failure to obtain and/or maintain any certification, commission, or license required by law or these rules as a condition of employment for the position held;
- G. Theft, including time-theft;
- H. Conviction of a felony, or of a misdemeanor involving moral turpitude;
- I. Any other cause, misconduct, act or failure to act which in the judgment of the Appointing Authority is grounds for or warrants discipline or discharge; and
- J. Any other cause, misconduct, act or failure to act which in the judgment of the Commissioners is grounds for or warrants discipline, or is sufficient to show the offender to be an unsuitable or unfit person to be employed in the public service.

11.3 GROUND FOR DISCIPLINARY APPEALS. Any regular employee who is a member of the classified service who is disciplined or discharged may appeal such action to the Commission. Consistent with Rule 11A.5, the basis of such appeal shall be that the challenged action was not in good faith for just cause. Employees serving a probationary period have no right to appeal the Appointing Authority's decision to cancel such appointment during their probationary period.

Commented [SP7]: Is this still the correct rule reference?

11.4 PROCEDURE and TIME LIMIT FOR FILING APPEAL. The following procedures must be followed for filing a disciplinary appeal:

- A. Notices of appeal must be in writing and filed in the Commission office;
- B. The notice of appeal must contain a brief description of the facts giving rise to the appeal, the date of the discipline, a concise statement of the reasons for the appeal, the desired remedy, the mailing and street address where service of process may be made upon the appealing employee and must be signed by the appealing employee;
- C. The notice must be filed within the time period as specified within the applicable collective bargaining agreement (CBA) of the action that is the subject of the appeal. If the filing period for appeals is not addressed in an applicable CBA, then any notice of appeal must be filed within ten (10) days of receiving written notice of the action that is the subject of the appeal.
- D. Procedures outlined in Rule 11A. shall be followed for appeals filed under this rule.

11.5 ELECTION OF REMEDIES. Employees who choose to appeal a disciplinary action or discharge through the grievance procedure provided under an applicable collective bargaining agreement shall not have recourse through the appeal process established by these rules.

RULE 11A. APPEALS

11A.1 INITIAL REVIEW OF NOTICE OF APPEAL. The Secretary shall review all notices of appeal to determine whether the employee has timely filed an appeal, whether the notice is complete as required under these rules and whether the action appealed is a final action. The Secretary may dismiss an appeal if it is not timely or the notice is not complete. If an action is not final, the Secretary may stay the appeal until the action is final. Any procedural decision of the Secretary shall be subject to review by the Commission.

11A.2 SPECIAL COUNSEL MAY BE APPOINTED. The Commission may appoint a qualified attorney to serve as Special Counsel and/ or Hearing Officer to assist the Commission with any appeal, who shall hold all powers and may perform the duties of the Secretary described in these Rules while serving the Commission in handling a pending appeal. Such Special Counsel/Hearing Officer shall have authority to make orders on preliminary matters, to conduct pre-hearing conferences with participants to address discovery or scheduling issues, and other matters to make the appeal process fair and efficient. Any preliminary orders shall be subject to review by the Commission, which shall be addressed as the appeal hearing opens, or at such other

time as determined by the Commission.

11A.3 NOTICE OF HEARING. Notice of Hearing. Upon receipt of a notice of appeal, the Secretary shall forward a copy of the notice to other affected parties. The Secretary will then schedule a hearing at the earliest possible Commission meeting with not less than fourteen (14) calendar days' notice to each party.

11A.4 AUTHORITY OF SECRETARY, SPECIAL COUNSEL. The Commission's Secretary or Special Counsel/Hearing Officer shall have the authority to make and issue orders addressing preliminary matters, including without limitation, motions for continuance, protective orders, and other similar procedural issues commonly involved in a prehearing process for a quasi-judicial matter.

11A.4.1 The Secretary or Special Counsel may conduct prehearing settlement conferences in order to encourage resolution of contested matters.

11A.4.2 The Commission may authorize the Secretary to investigate any reports or appeals relating to the enforcement or application of the Civil Service Rules or those rules that do not involve a disciplinary proceeding.

11A.4.3 Upon request of any party at least seven (7) calendar days prior to an appeal hearing, the Secretary may issue a subpoena commanding the person to whom it is directed to attend, at a specified time and place, and give testimony or produce designated books, documents or things under the person's control. The party requesting the subpoena is responsible for having the subpoena properly served as provided in the Washington Superior Court Civil Rules and for providing copies of subpoenas to the opposing party.

11A.5 HEARING PROCEDURE. An appeal hearing before the Commission shall be conducted as follows:

- A. Burden of Proof. In any appeal of a disciplinary or discharge decision, the Appointing Authority shall have the burden of proof to show by a preponderance of the evidence that the challenged action was in good faith for cause. In any other appeal properly brought before the Commission, the appellant shall have the burden of proof and the standard of review shall be a preponderance of the evidence; in other words, any challenged decision must be supported by a preponderance of the evidence.
- B. Any party to an appeal has the right to appear before the Commission with or without legal counsel.
- C. All competent and relevant evidence shall be admissible. In passing on admissibility of evidence, the Commission shall give consideration to, but shall not be bound to follow the rules of evidence governing civil proceedings in the superior courts of the State of Washington.
- D. Each party with legal standing will have an opportunity to present their arguments, call witnesses, provide testimony, introduce documentary and other tangible evidence, cross-examine witnesses and respond to questions of the Commission.

E. Witnesses shall be examined orally, under oath or affirmation, and shall be subject to cross-examination by opposing parties and the Commission.

F. The order and formality of the hearing shall be determined by the Commission.

11A.6 RECORD OF PROCEEDINGS. The Commission shall audiotape hearings and shall prepare written minutes of action taken. The Commission or a party to an appeal may retain a court reporter to record all or part of the appeal hearing at the expense of the party requesting the reporter. The Commission or any party to the appeal may obtain a transcript from the court reporter at its own expense.

11A.7 DISQUALIFICATION OF COMMISSIONERS. Any party to an appeal may request that a Commissioner be disqualified from sitting at the appeal hearing if there is a reasonable belief that the Commissioner would not be impartial in accord with the appearance of fairness act. A request for disqualification must be made prior to the commencement of the hearing, or, if the cause for disqualification is not known prior to hearing, as soon as the cause for disqualification becomes known. It is within the Commission's sole discretion to approve or deny such a request. Failure to make a timely request shall constitute a waiver of the right to make such a request. If, as a result of the disqualification, there is no longer a lawfully constituted quorum, the appeal hearing shall be set over until a quorum is available.

11A.8 DELIBERATIONS. Deliberations by the Commission shall be subject to Chapter 42.30 RCW. The Commission may deliberate in closed (executive) session when taking a disciplinary or other quasi-judicial case under advisement. No person other than the members of the Commission, the Secretary and legal counsel to the Commission may be present during the deliberations. No person shall attempt to convey any information or opinion to the Commission concerning any matter on appeal other than in open hearing.

11A.9 DECISION. In any appeal, the Commission shall issue a decision as soon as practicable. The decision shall be made by a majority vote of the Commission. The decision shall be in writing and shall include findings of fact, conclusions of law and an order. In any disciplinary appeal, the Commission's decision must determine whether the challenged action was or was not made for political or religious reasons and whether it was or was not made in good faith for cause; and The Commission shall notify each party, or counsel of record for each party, of the decision.

11A.10 REMEDIES. Consistent with applicable law, the Commission may issue such remedial orders as deemed appropriate.

11A.11 WAIVER. Upon stipulation of all parties to the proceeding, or upon a showing that the purposes of the rules or City ordinances would be better served, the Commission may waive any of the requirements outlined in this rule.

11A.12 APPEALING COMMISSION'S DECISION. The Employee or Appointing Authority may appeal the decision of the Commission to the Pierce County Superior Court. Such appeal shall be served on the Commission Secretary within thirty (30) days after the entry of the decision and shall be processed according to the provisions of RCW Chapter 41.12. All costs associated with preparing the record for judicial review shall be the responsibility of party appealing the decision.

RULE 12. RECORDS AND REPORTS

12.1 ROSTER. The Civil Service Commission shall have access to a roster for the classified service showing name, title of positions held, changes in employment status, leaves, and other information that may be considered pertinent.

12.2 ACCESS TO PUBLIC RECORDS. The Civil Service Commission shall have access to all departmental and institutional public documents and records, the examination of which will aid it in the discharge of its duties.

12.3 RECORDS OPEN TO THE PUBLIC. All Civil Service records shall be open to the public during office hours and may be inspected upon application to the Commission.

12.4 DESTRUCTION OF RECORDS. Roster and the minutes of the Civil Service Commission shall be permanently kept. All other records pertaining to personnel including applications, correspondence, examinations, and reports may be destroyed after two years.

Orting Civil Service Commission
Amended Rule Interpretation No. 2017-001

The Commission finds it worthwhile to ratify and confirm the proper reading, interpretation and application of certain rules involved in the hiring and promotion process. *See* CSC Rule 1.6.

1. During a hiring or promotion process, applicants on an initial “Eligibility List” may be invited to participate in an Oral Interview process, consistent with CSC Rule [8A-78A.5.1](#).

2. After Oral Interviews are complete, the Secretary tabulates written and oral exam scores for applicants who “pass the oral interview process.” *See* CSC Rule [8A-98A.6.3](#). The same Rule explains that: “Failure in one part of the examination process for the position (i.e. written, physical, and/or oral interview) shall be grounds for declaring the applicant as failing the entire examination”.

3. Only candidates who pass all parts of an examination process for a particular position are included on a Preliminary Eligibility Register that is submitted to the Commission for certification as a Certified Eligibility Register. Applicants are provided an opportunity to submit written protests regarding the Oral Interview process, which are reviewed and considered by the Commission before any eligibility register is certified. *See* CSC Rules [8A-98A.7](#) and [8A-108A.7a](#).

4. Based on clear and unambiguous CSC Rules noted above, applicants who fail any part of an examination process for a particular position are not “qualified applicants” who can remain on a Preliminary Eligibility Register from which a Certified Eligibility Register is made or maintained.

5. If an applicant fails any part of an examination process for a particular position, including without limitation the Oral Interview process, they are not “qualified applicants” and are no longer on any “Preliminary Eligibility Register” from which the CSC Secretary may furnish additional names in order to maintain up to 5 names on any Certified Eligibility Register. *See* CSC Rule [8A-128A.9](#).
