2024 LAND USE		
The City may charge and collect fees from any applicant to cover costs		
incurred by the City in the review of plans, studies, monitoring reports and		
other documents to ensure code compliance, to mitigate impacts to critical		
areas and for all code-required monitoring.		
The applicant shall pay the following Land Use Review Deposit to cover third		
party review and administrative expenses. These fees are billed at cost for		
time and materials from third party reviewers plus a 15% administrative fee.		
Fees and deposits are charged per category and are cumulative.		
If the initial deposit is expended prior to the completion of project approval,		
the City will collect either an additional deposit in the amounts below, or an		
amount as estimated by the staff as needed to complete project review. Any		
fees not expended will be returned to the applicant.
