

**Public Safety Committee Agenda  
City Hall Council Chambers  
104 Bridge Street South**

April 4, 2024 09:00 AM

Don Tracy, Co-Chair/Councilmember  
Stanley Holland, Co-Chair/Councilmember  
Scott Larson, City Administrator  
Devon Gabreluk, Police Chief  
Kristin Wetzel, Orting Police

**This meeting is being held in person and through the platform zoom. A link for the virtual participation can be found below.**

<https://us06web.zoom.us/j/81740290740?pwd=8PdbU4Essveho2fZUh5PesmjRIuuKP.1>

Telephone: 1-253-215-8782 – Meeting ID: 817 4029 0740 Passcode: 018299

**Call to Order**

- Approval of March 2024 Minutes

**Agenda**

- Flock Safety Presentation
- Police Vehicle Surplus
- Speed Sign Locations
- Monthly Crime Statistics

**Additional Comments/Good of the Order**

**Action Items**

- Police Vehicle Surplus – To be added to Public Works AB24-XXX and set for Public Hearing

**Adjournment**

**Next Meeting: *May 2, 2024 – 09:00 am***

**Orting Public Safety Committee Meeting**  
**City Hall Council Chambers**  
**March 7, 2024**

---

**ATTENDANCE**     Don Tracy, Chair/Councilmember  
                         Stanley Holland, Chair/Councilmember  
                         Kim Agfalvi, Acting City Administrator  
                         Chief Devon Gabreluk, Orting Police Dept.  
                         Kristin Wetzel, Orting Police Dept.

**Call to Order at 9:00 AM**

**AGENDA ITEMS**

**Approval of February 2024 Minutes**

**AB24-XX – RV and Safe Parking Code Amendments**

- MillieAnne VanDevender, AICP Contract Planner, provided a presentation on potential municipal code updates regarding safe parking and recreational vehicles. This included a brief background on each topic, review of applicable state revised code, the process for amending /revising codes and suggested updates.

**AB24 -13 – Emergency Management Coordinator**

- The committee reviewed the proposed job description for a part-time Emergency Management Coordinator Specialist. The 2024 City budget accounted for hiring an Emergency Management Coordinator. However, the headcount and wages for the position were not included in the approved staffing matrix. AB24-13 would allow for amending the budget so that this staffing need can be filled. Recommended action was moving this item to study session.

**Monthly Crime Statistics**

- Chief Gabreluk provided the crime statistics for the last month. He reported 414 calls for service.

**2024 Regional Lahar Drill**

- The East Pierce Interlocal Coalition for Emergency Management jurisdictions (Orting, Puyallup, Sumner, Buckley, Carbonado and Wilkeson) and all of their city school districts will be participating in the March 21, 2024 evacuation exercise. Chief Gabreluk reported the Orting traffic plan is set and the community will soon begin to receive public announcements regarding all lahar specifics.

### **Hiring & Officer Incentives**

- The department has an entry level applicant that has successfully completed all aspects of the hiring process except a medical evaluation. That should be completed within the next few days. Due to our City size, the police academy will expediate our ability to enter him in an upcoming academy. The department is still exploring potential incentives to entice lateral candidates to the department. In recruitment conversations many officers have cited medical retirement benefits as a factor that would impact willingness to move to another department. Chief Gabreluk was tasked with providing the committee a cost analysis on all proposed incentives.

### **Purchase & Placement of Speed Measuring Device Signs**

- Chief Gabreluk discussed purchasing mounted electronic speed signs. He has highlighted eight potential street locations based on complaints, collisions and prior speeding tickets. The devices retain all collected data.

### **School Zone Automated Ticket Cameras, Flock Public Safety Cameras**

- The department has received chronic complaints regarding speeding in the school zone. Chief Gabreluk suggested the use of automated ticket cameras. He provided basic system information and was encouraged to contact vendors to secure specifics. In addition, the committee requested he contact the Orting School District to assess their level of support.

**Meeting Adjourned at 10:17 AM**

flock safety

**Eliminate crime** and shape  
a safer future, **together** .

flock safety

# Why Flock Safety?

flock safety

flock safety

## What we observe: the current reality

- Limited Police Resources
- Crime is on the rise
- Trust is needed more than ever

## What we believe: the opportunity

- Technology multiplies the force
- Capture and distribute objective evidence to the right user
- Engage community to support and grow

# How does the technology work?

flock safety

flock safety

# When you get Flock you get:

Flock Safety provides your police department with indiscriminate evidence from fixed locations. We provide all of the maintenance so that your police department and city staff can focus on keeping your city safe and prosperous.

## INFRASTRUCTURE-FREE

Reduce time to value and utility costs with full-service deployment.

## 24/7 COVERAGE

Capture objective vehicle data around the clock to multiply your force.

## REAL-TIME ALERTS

- NCIC
- NCMEC (Amber Alert)
- Custom Hot Lists

## Ethically Made

- No people
- No facial recognition
- No traffic enforcement
- Indiscriminate evidence

flock safety

## What this IS

- License plate recognition
- Gathers objective evidence and facts about vehicles, not people
- Alerts police of wanted vehicles
- Used to solve crime
- Adheres to all state laws

## What this is NOT

- Not facial recognition
- **Not tied to Personal Identifiable Information**
- Not used for traffic enforcement
- **Data not stored beyond 30 days → *automatically deletes every 30 days***

# How does this technology prevent and eliminate crime?

- **Proactive:** Real time Alerts when stolen or wanted vehicles enter your city
- **Investigative:** As clearance Rates increase, crime rates decrease
- Flock cameras serve as a **deterrent**

flock safety

# Mitigating Risk

flock safety

flock safety

# Protecting Privacy

- Footage owned by Agency/City and will never be sold or shared by Flock
- 30 day data retention, then deleted
- Short retention period ensures that all data not associated with a crime is automatically deleted & unrecoverable
- Takes human bias out of crime solving by detecting objective data, and detecting events that are objectively illegal (ex. Stolen vehicles)

- All data is stored securely in the AWS Cloud, and end to end encryption of all data
- Search reason is required for audit trail
- NOT facial recognition software
- NOT predictive policing
- NO PII is contained in Flock
- NOT used for traffic enforcement
- Not connected to registration data or 3rd party databases (Carfax, DMV)
- Transparency Portal (optional)

flock safety

## Transparency + Insights

Measure ROI and promote the ethical use of public safety technology

### Transparency Portal

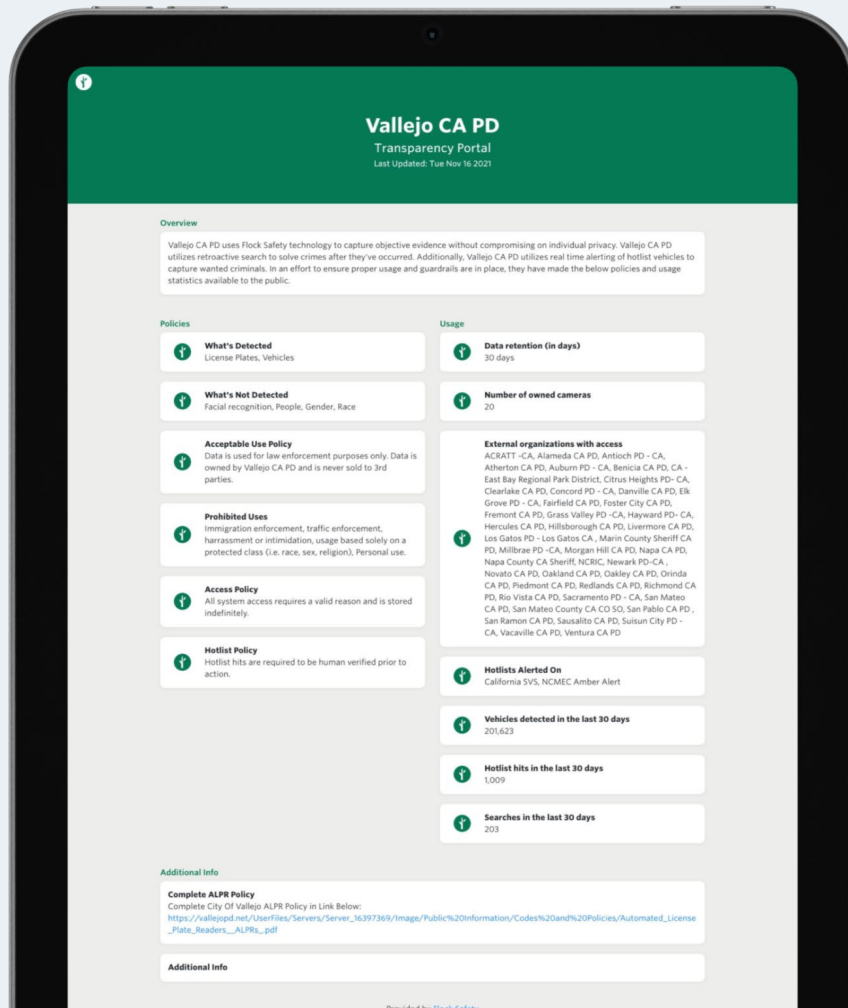

- Customizable for each agency
- Display technology policies
- Publish usage metrics
- Share downloadable Search audits

### Insights Dashboard

- Measure crime patterns and ROI
- Audit Search history

### Examples

- Click here for [Morgan Hill PD](#)
- Click here for [Vallejo PD](#)

# Homicide Suspects Located, Arrested

 Tukwila PD - Tukwila, WA

→ July 25th, 2023

- Officers received an alert that a stolen vehicle associated with a recent homicide had been detected nearby.
- Officers quickly located the vehicle and initiated a pursuit as it fled towards Seattle.
- The vehicle eventually crashed and two suspects were detained by Tukwila PD.
- No injuries were reported.

# Case Study: Results to Date

 Yakima PD - Yakima, WA

→ Installation of Cameras April 6th 2022

→ Since Flock went live, they have assisted in solving

- 11 homicides
- 24 robberies
- 52 police evasions
- 56 weapon offenses
- 78 hit and runs
- 392 stolen or retrieved vehicles

# Case Study - LPRs and Public Parks

📍 Spokane County Sheriff's Office - Liberty Lake, WA

- Liberty Lake officers and Spokane County deputies responded to reports of an assault that occurred on a local hiking trail.
- The female victim told authorities that an unidentified male suspect attacked her before fleeing in his vehicle.
- Authorities checked a nearby Flock Safety LPR and identified a suspect vehicle, whose registered owner matched the suspect's description provided by the victim.
- Deputies located the vehicle the following day and arrested the suspect on foot nearby.
- He is charged with 2nd Degree Assault.

# Case Study - Hit-and-Run

 Pine Bluff PD - Pine Bluff, AR

- Officers responded to reports of a traffic accident involving a pedestrian. Witnesses stated that a red truck struck the victim and continued driving north without stopping.
- Officers queried their Flock Safety LPRs and found a vehicle matching that description that was in the area at the time of the crime.
- Officers responded to the vehicle owner's home and arrested him. The 61-year-old suspect was charged with second-degree Murder.

# Community Outreach & Engagement

flock safety

Engaging your community shows your willingness to be transparent and in turn, helps build trust and support. You are seeking out the concerns of and listening to your community and potentially utilizing community feedback to inform policy.

#### WHY ENGAGE YOUR COMMUNITY?

It's an opportunity to share information and understand community concerns.

You can utilize feedback from your community to inform your department's LPR policy (ex. recurring and consistent search audits outlined in department LPR policy, consistent reports shared with council/board, use of transparency portal, etc.).

#### WHEN TO ENGAGE YOUR COMMUNITY

The earlier the better! This allows you to gauge your community's comfort level and concerns with LPR and be able to respond accordingly.

Early outreach and engagement enables you to share that experience and outcomes when presenting to your city/county leadership.

## Different Ways to Reach Out and Engage

Host community information and discussion session(s). This can be in a townhall-type format, Q&A or Coffee with the Chief/Sheriff/Command Staff. Feature LPR as the topic or present LPR information at an existing community meeting or department-community outreach event. Flock representatives can support you at community meetings! Whether that's presenting to your community, co-presenting alongside you, or simply being present to help with answering questions.

### Considerations

---

#### GO INTO THE COMMUNITY

If practical and appropriate, consider holding the meeting at a community hall, library, museum, place of worship, community room, or somewhere centrally located and easily accessible, versus hosting a meeting at the police station or city hall. Community members may also feel more comfortable in a neutral environment. If you decide to host at your department, consider including a tour of your department as a way to kick things off and welcome in the community. Consider holding the meeting in the evening hours or on a weekend in order to accommodate various work and school schedules.

---

#### REACH OUT TO MARGINALIZED COMMUNITIES OR THOSE THAT MAY NOT TYPICALLY ENGAGE WITH LAW ENFORCEMENT.

Proactive conversations demonstrate willingness to listen and work alongside your whole community. Offer to present information and answer questions.

---

#### ENGAGE SUPPORTERS AND CHAMPIONS.

Think about existing groups in your internal and external community. If they meet regularly, ask to join a meeting to share information and answer questions.

- **Who can be internal champions?** Utilize neighborhood officers, SROs, volunteers, citizen advisory boards, community outreach and engagement team, and provide education and information regarding LPR so they can also help provide accurate information to community members
- **Consider reaching out to:** Neighborhood Watch groups and HOAs (Where do you do your crime prevention and education presentations? Would it be appropriate to feature LPR in those discussions/meetings?), faith-based communities, local business groups/leaders/Chambers of Commerce, the senior community, refugee and immigrant communities, college communities, other existing civic groups, etc.
- **Language and communication needs** for in-person/online verbal and audio communications. Do you need American Sign Language interpreters or non-English language translators?

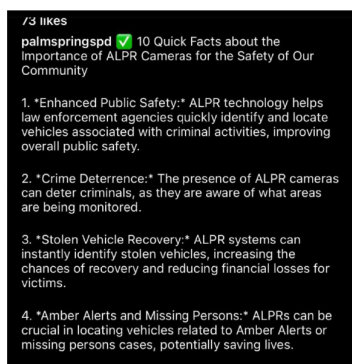

## Written and Printed Materials

Flock can provide you with informational handouts or can assist with creating materials to fit your needs. You can provide written materials at community meetings and your department's outreach or crime prevention and education events. Consider non-English language needs.

## Media Campaigns

Here are some social media examples from Palm Springs Police Department's Instagram and FaceBook posts regarding LPR:

PSPD's PIO did a great interview with their Chief and posted to social media! [Link to interview](#)  
Flock has social media materials that you can share on your pages.

## Press coverage

Have your PIO engage with Flock's Communications Team by emailing them at [media@flocksafety.com](mailto:media@flocksafety.com) or connect via your CSM. Utilizing local media is a powerful way to reach wide audiences and we can help!

## Final Thoughts

Utilize your findings and experience with community outreach and engagement to inform your LPR policy so it is best suited to your community's needs.

Communicate with your city/county leadership regarding your community outreach and engagement efforts as well as any actions you've taken to address concerns (i.e. provided education on the technology, incorporated feedback into policy).

## **Frequently Asked Legal Questions**

The purpose of this document is to provide supplemental information about our products and services for your review of our terms and conditions. Not only is our platform unique, but so is our collaborative approach. Please reach out if you have any questions.

### **What does Flock do?**

Flock is a public safety operating system that helps communities and law enforcement in 3,000+ cities work together to eliminate crime, protect privacy, and mitigate bias. We build devices (defined as Flock Hardware in the terms and conditions) that capture objective evidence and use machine learning to decode and deliver unbiased investigative leads to law enforcement. Our flagship proprietary devices are solar powered, infrastructure free, utilize cloud-based software and assist in reducing crime. Flock provides the public safety operating system on a software-as-a-service model.

### **What technology does Flock provide and what is Flock's service model?**

Flock provides (hardware + software) under a service subscription model. As part of the fee, Flock will provide the required hardware and software in order to support our subscription, including ongoing maintenance and support. Customers will access Flock's online portal via web browser. There is no need for Flock to access Customer's IT infrastructure or internal systems.

---

# flock safety

---

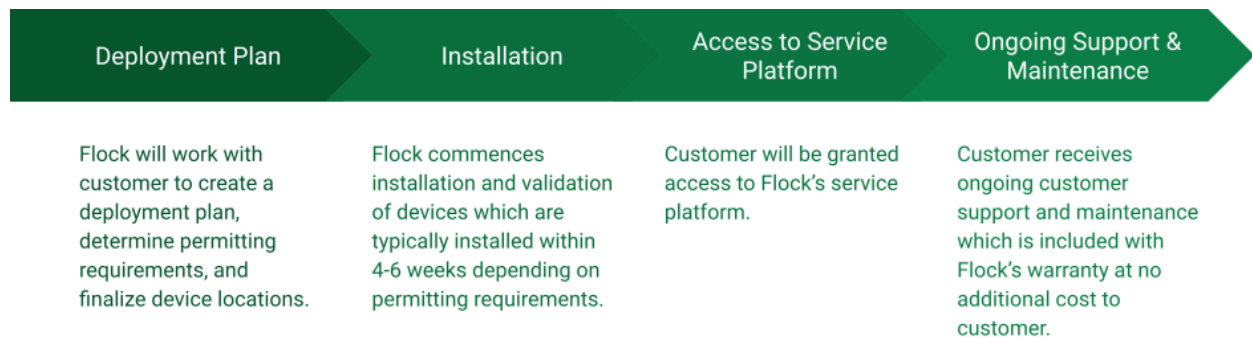

Additionally, if a device suffers from a manufacturer defect, Flock will replace the device at no additional fee. However, please note that if a device is lost, stolen, vandalized, or damaged, the customer will be responsible for replacement. More details on our reinstall process is located in our Reinstall Fee Schedule (which can be found in the terms and conditions).

## **What is Flock's billing schedule and when does the term start?**

Flock invoices an annual fee that includes the hardware, hardware maintenance, ALPR software, software updates, unlimited authorized users within an organization, standard 30 day unlimited data storage, LTE connectivity, solar panels, poles, mounting equipment, and device health monitoring.

The first invoice is issued within 24 hours after signature; however, the start of the term does not begin until the cameras are installed and validated. The second annual invoice will be according to the term start date, making sure the customer has a full year of use.

## **What happens after the contract is signed?**

## **Who decides where the devices are installed?**

Flock will work with customers to create a deployment plan for installation of hardware, which takes into consideration factors such as sunlight, efficiency, impact, and LTE coverage. Due to permitting and regulatory requirements, Flock maintains final discretion over the designated locations. Flock will also work with the customer to obtain any permits or additional licenses needed to properly install the devices.

---

# flock safety

---

## **Who owns the devices?**

Flock owns the devices. Flock does not convey ownership or title of the devices to our customers; the devices are not leased. Customers are not allowed to move, remove or relocate the devices. Flock is a software and hardware as a service company. Customers are paying for access to the Flock system and the data that the devices capture.

## **Who owns the data captured by Flock's devices?**

Customers own the data captured by their Flock devices. Customers can choose who to share their data with and allow local law enforcement to receive hot list alerts from the device.

## **What is the Customer Implementation Guide?**

Flock's Customer Implementation Guide details our device implementation process. This document is non-customizable and can be provided for reference during negotiations upon request. Otherwise, the guide will be included in the DocuSign package for signature once an agreement has been finalized.

## **How does Flock protect privacy?**

Flock understands the concerns with technology capturing private information, and has built technology to equitably protect privacy and promote public safety. Here's how:

- We focus on objective evidence: vehicles and license plates. Our devices capture vehicular features (i.e, make, color, license plate, state of the plate, timestamp) and do not capture biometric data, names, addresses, or phone numbers.
- Agencies completely own their data. Flock Safety does not sell the data to any third parties.
- Criminal Justice Information Service (CJIS) footage is stored, secured, and encrypted in AWS Government Cloud and automatically deleted according to Flock's retention period. Flock's standard retention period is thirty (30) days.
- The Flock Safety Falcon device takes photos of vehicles and their corresponding license plates.
- Flock products and services are designed to solve and prevent crime and are not allowed to be used for the purposes of traffic enforcement, unpaid fines, or speeding violations and/ or immigration enforcement services, or personal surveillance.
- Please visit our privacy policy for more information at: <https://www.flocksafety.com/privacy-policy/>

# flock safety

---

## Clarification on Select Definitions

- An example of a **“Flock Network End User”** would be any authorized end user from another Flock Customer (i.e., of the Flock’s services) who has access to Flock’s user interface/software (i.e, authorized users such as an officer from a different PD which is a customer of Flock).
- **“Anonymized Data”** is the small fraction (<1%) of anonymously compiled data from Flock devices that have been striped of any metadata, which is used for product enhancements to teach our machine learning software how to find specific types of vehicles, objects, descriptions (i.e., for ‘machine learning’) and never sold to third parties.
- **“Hotlist”** National Crime Information Center (“NCIC”), Amber Alerts and other lists of stolen vehicles, and vehicles wanted in connection with a crime. Only law enforcement officers get access to Hotlist alerts.
- **“Special Terms”** is a legal term of art which allows both parties to mutually alter and override the terms and conditions through a clause on the order form. Adding “Special Terms” is an option available to the parties during negotiations and can only be added with mutual consent. To the extent that any terms of the agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

## Contact Information

# Flock's response to common concerns

---

- 1. Short data retention & No sharing with 3rd parties**
  - a. Data is by default stored for 30 days and then permanently deleted, unless connected to an active investigation.
  - b. You own your data, and we never sell your data.
- 2. Public input and approval**
  - a. City Council approval
  - b. Community town-halls
- 3. Transparent communication**
  - a. [Transparency portal](#)
  - b. Annual updates to City Council
- 4. Slippery slope arguments**
  - a. Democratic authorization, good ALPR policies, and community engagement protects us and our customers from becoming what we want to avoid.
- 5. Audits and accountability**
  - a. Our system automatically requires a law enforcement reason to search. These can be reported through the transparency portal.
- 6. Over-policing**
  - a. Violent crime disproportionately affects the BIPOC community (8X more likely to be a victim than white counterparts), and violent crime has increased by more than 30% in the last 2 years.
  - b. Indiscriminate evidence. Unbiased, actionable leads

# Flock Safety LPR Policy

## Best Practices Outline

Below is a list of items to consider when developing an LPR policy for your community. This list is not exhaustive and is meant to provide general guidance. Please confer with your legal counsel as you develop your policy.

### 1. Definitions

### 2. Use and Access

#### a. Authorization for use

- i. Use of LPR should be decided in a public hearing.

#### b. Allowed uses

- i. Outline permitted and prohibited uses of the technology. For example:
  - 1. LPR may be used for law enforcement purposes, including but not limited to:
    - a. Pursuing information relevant to an ongoing criminal investigation
    - b. Apprehending an individual with an outstanding warrant
    - c. Locating a missing or endangered person
    - d. Locating a lost or stolen vehicle
  - 2. LPR may not for:
    - a. traffic enforcement or red light enforcement
    - b. fines or fees, including expired tags
    - c. to obtain biometric information
    - d. selling data to private third parties like repossession companies.

#### c. Access Management

- i. Outline who at the department will have access to LPR Data (for example: all sworn officers, patrol officers, and detectives), and what level of access they will have (for example, who will have access to hotlist alerts).

# Flock Safety LPR Policy

## Best Practices Outline

### ii. Establish an administrator

1. An agency that uses an LPR should designate an LPR administrator, who shall be the administrator of the LPR system and shall be responsible for:

- a. maintaining a list of the name and job title of all users who are authorized to use or access LPR data;
- b. developing training requirements; and
- c. promptly disclosing to the public any security breach with respect to the agency's LPRs or LPR data.

### d. Search Reasons

i. Define allowable search reasons as well as typology that will be entered into the system for auditing purposes. Examples: case number, call for service, or reference number.

### e. Response

i. Define how officers will dispatch alerts. Example: must first be cleared by the dispatch center.

### f. Data Sharing Criteria and Protocols

i. Outline how data will be shared with other departments/jurisdictions. This can cover/ prohibit specific geographic areas as well as type of uses.

## 3. Protections

a. Data Ownership: agency should own the LPR data.

### b. Retention

i. Explain your retention policy, and how data is stored in the event it is needed for a crime. Example: thirty day retention of LPR information unless it is involved in an investigation.

# Flock Safety LPR Policy

## Best Practices Outline

### c. Auditing

- i. Define how audits will be conducted, and how often.
- ii. Establish what information audits will include in order to verify proper use in accordance with the LPR policy. For example, audits should ensure users are entering valid search reasons and/or real case numbers.

### d. Training

- i. Define training systems and cadence.

### e. Misuse Policy

- i. Define consequences of misuse and policy violations.

## 4. Transparency

### a. Reporting

- i. Determine procedures for reporting to a public agency or elected officials and cadence.

### b. Create and publish a public, online LPR transparency portal, showing:

- i. The agency's LPR policy.
- ii. LPR use metrics, including:
  - 1. the number and type (stationary or mobile) of LPRs owned or operated by the agency;
  - 2. hot list sources;
  - 3. the number of total plate-reads in a 30-day period;
  - 4. the number of searches in a 30-day period; and
  - 5. a list of all entities with whom the agency has shared LPR data.

### iii. Records Requests

- 1. State how records requests will be handled as it pertains to the data obtained through these technologies.

## Automated License Plate Readers

### 461.1 PURPOSE AND SCOPE

Automated License Plate Reader (ALPR) technology, also known as License Plate Recognition, provides automated detection of license plates. ALPR is used by the Yakima Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. ALPRs may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

### 461.2 ADMINISTRATION OF ALPR DATA

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administration Division Commander. The Administration Division Commander will assign personnel under his/her command to administer the day-to-day operation of the ALPR equipment and data.

### 461.3 ALPR OPERATION

Use of an ALPR is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) An ALPR shall only be used for official and legitimate law enforcement business.
- (b) An ALPR may be used in conjunction with any patrol operation or official department investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this department shall operate ALPR equipment, or access ALPR data, without first completing department-approved training.
- (e) If practicable, the officer should verify an ALPR response through the Central Computerized Enforcement Service System (ACCESS) before taking enforcement action that is based solely upon an ALPR alert.
- (f) No ALPR operator may retrieve ACCESS data unless otherwise authorized to do so.

### 461.4 ALPR DATA COLLECTION AND RETENTION

All data and images gathered by an ALPR are for the official use of the Yakima Police Department, and because such data may contain confidential ACCESS information, it is not open to public

# Yakima Police Department

## Yakima PD Policy Manual

### *Automated License Plate Readers*

---

review. ALPR information gathered and retained by this department may be used and shared with prosecutors or others only as permitted by law.

The Administration Division Commander is responsible to ensure proper collection and retention of ALPR data and for transferring ALPR data stored in department vehicles to the department server on a regular basis, not to exceed 30 days between transfers.

All ALPR data downloaded to the server shall be stored according to the [Washington State Law Enforcement Records Retention Schedule](#) and thereafter may be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action, or is subject to a lawful action to produce records. In such circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

#### **461.5 ACCOUNTABILITY AND SAFEGUARDS**

All saved data will be closely safeguarded and protected by both procedural and technological means. The Yakima Police Department will observe the following safeguards regarding access to and use of stored data:

- (a) All non-law enforcement requests for access to stored ALPR data shall be referred to the Services Unit Manager and processed in accordance with applicable law.
- (b) All ALPR data downloaded to the mobile workstation and server shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.
- (c) Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies at any time for legitimate law enforcement purposes.
- (e) ALPR system audits should be conducted on a regular basis.

## Product and Services Description

Flock Safety Platform Items	Product Description
Flock Safety Falcon ®	An infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint® technology to capture vehicular attributes.

One-Time Fees	Service Description
Installation on existing infrastructure	One-time Professional Services engagement. Includes site & safety assessment, camera setup & testing, and shipping & handling in accordance with the Flock Safety Advanced Implementation Service Brief.
Professional Services - Standard Implementation Fee	One-time Professional Services engagement. Includes site and safety assessment, camera setup and testing, and shipping and handling in accordance with the Flock Safety Standard Implementation Service Brief.
Professional Services - Advanced Implementation Fee	One-time Professional Services engagement. Includes site & safety assessment, camera setup & testing, and shipping & handling in accordance with the Flock Safety Advanced Implementation Service Brief.

## FlockOS Features & Description

### Package: Essentials

FlockOS Features	Description
Community Network Access	The ability to request direct access to feeds from privately owned Flock Safety Falcon® LPR cameras located in neighborhoods, schools, and businesses in your community, significantly increasing actionable evidence that clears cases.
Unlimited Users	Unlimited users for FlockOS
State Network (License Plate Lookup Only)	Allows agencies to look up license plates on all cameras opted into the Flock Safety network within your state.
Nationwide Network (License Plate Lookup Only)	With the vast Flock Safety sharing network, law enforcement agencies no longer have to rely on just their devices alone. Agencies can leverage a nationwide system boasting 10 billion additional plate reads per month to amplify the potential to collect vital evidence in otherwise dead-end investigations.
Law Enforcement Network Access	The ability to request direct access to evidence detection devices from Law Enforcement agencies outside of your jurisdiction.
Time & Location Based Search	Search full, partial, and temporary plates by time at particular device locations
License Plate Lookup	Look up specific license plate location history captured on Flock devices
Vehicle Fingerprint Search	Search footage using Vehicle Fingerprint™ technology. Access vehicle type, make, color, license plate state, missing / covered plates, and other unique features like bumper stickers, decals, and roof racks.
Insights & Analytics	Reporting tool to help administrators manage their LPR program with device performance data, user and network audits, plate read reports, hot list alert reports, event logs, and outcome reports.
ESRI Based Map Interface	Map-based interface that consolidates all data streams and the locations of each connected asset, enabling greater situational awareness and a common operating picture.
Real-Time NCIC Alerts on Flock ALPR Cameras	Receive automated alerts when vehicles entered into established databases for missing and wanted persons are detected, including the FBI's National Crime Information Center (NCIC) and National Center for Missing & Exploited Children (NCMEC) databases.
Unlimited Custom Hot Lists	Ability to add a suspect's license plate to a custom list and get alerted when it passes by a Flock camera

**CITY OF ORTING**  
**WASHINGTON**  
**RESOLUTION NO. 2024-**  
**XX**

---

**A RESOLUTION OF THE CITY OF ORTING,  
WASHINGTON, DECLARING THE PROPERTY  
DESCRIBED IN EXHIBIT "A" AS SURPLUS PROPERTY  
AND AUTHORIZING DISPOSAL**

**WHEREAS**, it has been determined that the City has no further use of certain item(s) listed in attached Exhibit "A"; and that such items are surplus to the needs of the City; and

**WHEREAS**, the fair market value of the surplus property, if any, shall be determined and its sale or disposal will be for the common benefit; and

**WHEREAS**, at time of sale or disposal of the surplus item(s), any monies derived from the same will be allocated back to the appropriate department; and

**WHEREAS**, the City Administrator will oversee the sale of these item(s), or other method of disposal, including destruction, in the event the City Administrator determines that the surplus property has no fair market value or the cost of disposal will exceed the fair market value;

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ORTING,  
WASHINGTON, DOES RESOLVE AS FOLLOWS:**

Section 1. The items described in Exhibit "A" attached hereto and incorporated herein by this reference are surplus to the needs of the City and the City Administrator is hereby authorized to dispose of such items at auction or a public sale through a sealed bid process that complies with applicable law; provided that, those items that have been determined to have no market value or the value of which will exceed the cost of disposal may be donated for charitable purposes or otherwise lawfully disposed of.

**PASSED BY THE CITY COUNCIL AT A REGULAR MEETING THEREOF ON THE XX<sup>th</sup> DAY  
OF XXXX, 2024.**

CITY OF ORTING

\_\_\_\_\_  
Joshua Penner, Mayor

AITEST/AUTHENTICATED:

\_\_\_\_\_  
Km Agfalvi, City Clerk

Approved as to form:

\_\_\_\_\_  
Charlotte Archer, City Attorney

**EXHIBIT A - Police**  
**Resolution No. 2024-XX**  
*(List of Surplus Items)*

The following vehicles are listed for surplus:

Type	Year	Vehicle Description	VIN #	Dept.	Fair Market Value
Police Vehicle	2016	Ford Explorer	1FM5K8AR1GGB81375	PD	\$5,000
Police Vehicle	2018	Ford Explorer	1FM5K8AR1JGC44448	PD	\$5,000 - \$7,000
Police Vehicle	2017	Ford Explorer	1FM5K8AR7HGA17744	PD	\$5,000

- Fair Market Value based on Kelly Blue Book

Candidate Locations for Speed Measuring Traffic Display Sign Placement (2 total)

Location	Facing Traffic Coming From The:	Circumstances Prompting Nomination	Specific Target if Any	Average traffic volume	Zone
Whitehawk Blvd NW @ Eldredge Ave NW	North	Numerous Complaints from School Crossing Staff, Citizens, and Speeders observed by Officers	School Zone Speed Reduction	HIGH	Mixed Residential/Public
Washington Avenue North @ Rocky Road	NorthWest	Numerous Complaints from School Crossing Staff, Citizens, and Speeders observed by Officers	School Zone Speed Reduction	HIGH	Mixed Residential/Public
Washington Avenue North @ Whitesell NE	SouthEast	Pedestrian Fatality, Numerous Complaints from School Staff, Complaints from Citizens, Officers observation of vehicles during school hours, Multiple Crosswalks together in compact area, Crosswalks located upon curve or bend in the roadway	School Zone Speed Reduction	HIGH	Commercial
Corrin Ave NW @ Leber	SouthEast	Ongoing complaints from Citizens re speeding vehicles using route to bypass traffic on SR162.	Hi speed vehicles bypassing SR162 traffic	MEDIUM	Mixed Residential/Commercial
Corrin Ave SW @ Train St SW	NorthWest	Ongoing complaints from Citizens re speeding vehicles using route to bypass traffic on SR162.	Hi speed vehicles bypassing SR162 traffic	MEDIUM	Mixed Residential/Commercial
Beckett Lane SW @ McMahon Ln SW	NorthEast	Ongoing complaints from Citizens re speeding vehicles.	Speeding vehicles.	MEDIUM	Residential
Daffodil Ave NE @ Mazza NE	NorthWest	Ongoing complaints from Citizens re speeding vehicles. Segment of the roadway is long and straight and prone to speeders. No existing traffic calming. Children often playing in area.	Speeding vehicles.	LOW	Residential
Hansberry Ave NE @ Johns ST NE	SouthEast	Ongoing complaints from Citizens re speeding vehicles. Children often playing in area.	Speeding vehicles.	LOW	Residential

MAKING ROADS SAFER

**Reliable. Effective. Affordable.**  
[www.radarsign.com](http://www.radarsign.com)

**TC-400  
Radar Speed Sign**

- 11" tall display numbers
- 2 digit capable display (mph or kph)
- Speed digits easily readable up to 400 feet
- Ideal for roads with traffic speeds of 5-55 mph
- Battery and AC models

**TC-600  
Full Matrix Radar Speed Sign**

- 13" tall display numbers
- 2 digit (mph) or 3 digit (kph) capable display
- Speed digits easily readable up to 600 feet
- Ideal for roads with traffic speeds of 5-70 mph
- AC and solar models

**All radar speed signs as shown are 100% MUTCD compliant.**

**TC-800  
Full Matrix Radar Speed Sign**

- 15" tall display numbers
- 2 digit (mph) or 3 digit (kph) capable display
- Speed digits easily readable up to 800 feet
- Ideal for roads with traffic speeds of 35-80 mph
- Solar model only
- Cellular ready
- Exterior mounted battery housings allows for easy battery installation and replacement

**TC-1100  
Full Matrix Radar Speed Sign**

- 18" tall display numbers
- 2 digit (mph) or 3 digit (kph) capable display
- Speed digits easily readable up to 1100 feet
- Ideal for roads with traffic speeds of 45-100 mph
- Solar model only
- Cellular ready
- Exterior mounted battery housings allows for easy battery installation and replacement

## Standard Features on All Radarsign Models

### LED Display

- Super bright amber LEDs | Life up to 100,000 hours
- Laser cut flat black mask enhances visibility of LED display when illuminated | Ensures completely dark display when LEDs are off
- Display brightness fully automatic or user adjustable

### Bashplate™ with Integrated LED Reflector Cones

- Heavy duty aluminum shield over LED display to protect components from abuse or vandalism
- Directional beam technology, Radarsign's proprietary design, includes beveled cones around each LED, magnifying the intensity of the light and providing the highest quality viewable display with minimum energy usage

### Polycarbonate Display Cover

- .25" thick protective sheet covers entire display area
- Abrasion, graffiti, and shatter resistant
- Provides UV protection

### Radar Sensor Range

- Detects vehicles up to 1200 feet

### Wi-Fi Enabled

- Radar speed sign emits it's own Wi-Fi signal | No internet required | Manage sign with smart phone, tablet, or laptop
- Connection range up to 300 feet from sign
- Allows for quick and easy sign operation and data download
- Speed is 10x faster and has 10x the range of Bluetooth
- WPA2 encrypted security | Password protected
- OTA software updates (over-the-air) allow wireless delivery of software updates and upgrades directly to the radar sign

### Standard Programming

- Setup functions: Easy to follow digital menu | No mechanical switches to operate
- Daily digital timers: Allow 5 on/off timer settings per day (4 timers plus the standard setting), also by day of week | Settings allow for lower speed limits for school zone times
- Stealth mode: Display on/off feature allows traffic data collection to continue even when the display is off
- Possum Switch™: Feature allows the sign to "play dead" for 30 minutes if attacked with force
- Maximum speed cutoff: Feature prevents "racing" of sign at high speeds | Choice of flashing dashes or LED display cutoff

### Warranty

- Two year warranty on parts and labor including batteries\* (\*1 year on TC-400 batteries)
- Exceptions: Does not cover damage from accidents, malicious abuse, theft, vandalism, impact with a foreign object, acts of God, or unauthorized modification of the product

Standard Speed Alert | Three Flash Rates | All Models

Standard Speed Alerts | TC-600, TC-800, TC-1100 Models

Optional Message Alerts | TC-600, TC-800, TC-1100 Models

Optional Strobe Alerts | All Models

Certified Quality System  
ISO 9001:2015
