SUMMARY STATEMENT:				
<p>The Flock Public Safety Camera System is a tool that assists law enforcement in reducing crime by gathering objective evidence and facts about vehicles in the city and alerting Officers when vehicles of interest are located in real time. The system acts as a “force multiplier” for departments with reduced staffing, allowing the department to have a 24/7 patrol presence.</p> <p>The police department has worked with Flock to customize two camera packages for Orting that will maximize the city's benefit at an affordable price. Flock Systems has quoted two packages; Option #1 covers all points of entry/exit of the city plus 4 additional cameras in the downtown core, and Option #2 covers points of entry/exit only. Staff is recommending the City employ Option #1. The cost associated with either purchase would be covered with unspent funds from account 001-521-70-10-07, money saved from operating at reduced staffing during FY 2024.</p>

Community Outreach & Engagement

flock safety

Engaging your community shows your willingness to be transparent and in turn, helps build trust and support. You are seeking out the concerns of and listening to your community and potentially utilizing community feedback to inform policy.

WHY ENGAGE YOUR COMMUNITY?

It's an opportunity to share information and understand community concerns.

You can utilize feedback from your community to inform your department's LPR policy (ex. recurring and consistent search audits outlined in department LPR policy, consistent reports shared with council/board, use of transparency portal, etc.).

WHEN TO ENGAGE YOUR COMMUNITY

The earlier the better! This allows you to gauge your community's comfort level and concerns with LPR and be able to respond accordingly.

Early outreach and engagement enables you to share that experience and outcomes when presenting to your city/county leadership.

Different Ways to Reach Out and Engage

Host community information and discussion session(s). This can be in a townhall-type format, Q&A or Coffee with the Chief/Sheriff/Command Staff. Feature LPR as the topic or present LPR information at an existing community meeting or department-community outreach event. Flock representatives can support you at community meetings! Whether that's presenting to your community, co-presenting alongside you, or simply being present to help with answering questions.

Considerations

GO INTO THE COMMUNITY

If practical and appropriate, consider holding the meeting at a community hall, library, museum, place of worship, community room, or somewhere centrally located and easily accessible, versus hosting a meeting at the police station or city hall. Community members may also feel more comfortable in a neutral environment. If you decide to host at your department, consider including a tour of your department as a way to kick things off and welcome in the community. Consider holding the meeting in the evening hours or on a weekend in order to accommodate various work and school schedules.

REACH OUT TO MARGINALIZED COMMUNITIES OR THOSE THAT MAY NOT TYPICALLY ENGAGE WITH LAW ENFORCEMENT.

Proactive conversations demonstrate willingness to listen and work alongside your whole community. Offer to present information and answer questions.

ENGAGE SUPPORTERS AND CHAMPIONS.

Think about existing groups in your internal and external community. If they meet regularly, ask to join a meeting to share information and answer questions.

- **Who can be internal champions?** Utilize neighborhood officers, SROs, volunteers, citizen advisory boards, community outreach and engagement team, and provide education and information regarding LPR so they can also help provide accurate information to community members
- **Consider reaching out to:** Neighborhood Watch groups and HOAs (Where do you do your crime prevention and education presentations? Would it be appropriate to feature LPR in those discussions/meetings?), faith-based communities, local business groups/leaders/Chambers of Commerce, the senior community, refugee and immigrant communities, college communities, other existing civic groups, etc.
- **Language and communication needs** for in-person/online verbal and audio communications. Do you need American Sign Language interpreters or non-English language translators?

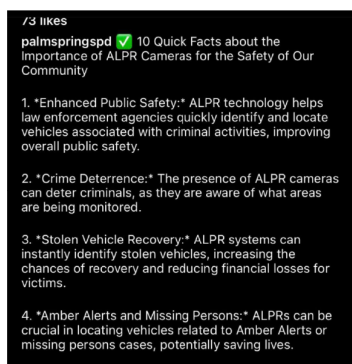

Written and Printed Materials

Flock can provide you with informational handouts or can assist with creating materials to fit your needs. You can provide written materials at community meetings and your department's outreach or crime prevention and education events. Consider non-English language needs.

Media Campaigns

Here are some social media examples from Palm Springs Police Department's Instagram and FaceBook posts regarding LPR:

PSPD's PIO did a great interview with their Chief and posted to social media! [Link to interview](#)
Flock has social media materials that you can share on your pages.

Press coverage

Have your PIO engage with Flock's Communications Team by emailing them at media@flocksafety.com or connect via your CSM. Utilizing local media is a powerful way to reach wide audiences and we can help!

Final Thoughts

Utilize your findings and experience with community outreach and engagement to inform your LPR policy so it is best suited to your community's needs.

Communicate with your city/county leadership regarding your community outreach and engagement efforts as well as any actions you've taken to address concerns (i.e. provided education on the technology, incorporated feedback into policy).

Frequently Asked Legal Questions

The purpose of this document is to provide supplemental information about our products and services for your review of our terms and conditions. Not only is our platform unique, but so is our collaborative approach. Please reach out if you have any questions.

What does Flock do?

Flock is a public safety operating system that helps communities and law enforcement in 3,000+ cities work together to eliminate crime, protect privacy, and mitigate bias. We build devices (defined as Flock Hardware in the terms and conditions) that capture objective evidence and use machine learning to decode and deliver unbiased investigative leads to law enforcement. Our flagship proprietary devices are solar powered, infrastructure free, utilize cloud-based software and assist in reducing crime. Flock provides the public safety operating system on a software-as-a-service model.

What technology does Flock provide and what is Flock's service model?

Flock provides (hardware + software) under a service subscription model. As part of the fee, Flock will provide the required hardware and software in order to support our subscription, including ongoing maintenance and support. Customers will access Flock's online portal via web browser. There is no need for Flock to access Customer's IT infrastructure or internal systems.

flock safety

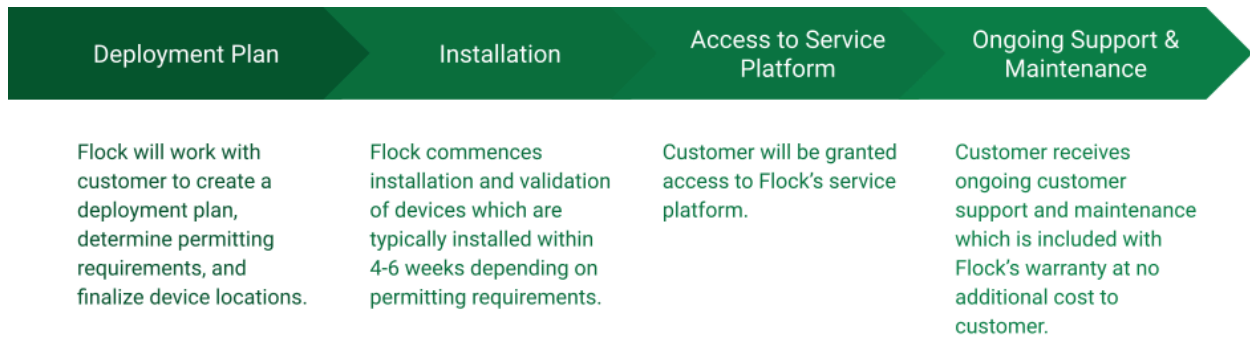

Additionally, if a device suffers from a manufacturer defect, Flock will replace the device at no additional fee. However, please note that if a device is lost, stolen, vandalized, or damaged, the customer will be responsible for replacement. More details on our reinstall process is located in our Reinstall Fee Schedule (which can be found in the terms and conditions).

What is Flock's billing schedule and when does the term start?

Flock invoices an annual fee that includes the hardware, hardware maintenance, ALPR software, software updates, unlimited authorized users within an organization, standard 30 day unlimited data storage, LTE connectivity, solar panels, poles, mounting equipment, and device health monitoring.

The first invoice is issued within 24 hours after signature; however, the start of the term does not begin until the cameras are installed and validated. The second annual invoice will be according to the term start date, making sure the customer has a full year of use.

What happens after the contract is signed?

Who decides where the devices are installed?

Flock will work with customers to create a deployment plan for installation of hardware, which takes into consideration factors such as sunlight, efficiency, impact, and LTE coverage. Due to permitting and regulatory requirements, Flock maintains final discretion over the designated locations. Flock will also work with the customer to obtain any permits or additional licenses needed to properly install the devices.

flock safety

Who owns the devices?

Flock owns the devices. Flock does not convey ownership or title of the devices to our customers; the devices are not leased. Customers are not allowed to move, remove or relocate the devices. Flock is a software and hardware as a service company. Customers are paying for access to the Flock system and the data that the devices capture.

Who owns the data captured by Flock's devices?

Customers own the data captured by their Flock devices. Customers can choose who to share their data with and allow local law enforcement to receive hot list alerts from the device.

What is the Customer Implementation Guide?

Flock's Customer Implementation Guide details our device implementation process. This document is non-customizable and can be provided for reference during negotiations upon request. Otherwise, the guide will be included in the DocuSign package for signature once an agreement has been finalized.

How does Flock protect privacy?

Flock understands the concerns with technology capturing private information, and has built technology to equitably protect privacy and promote public safety. Here's how:

- We focus on objective evidence: vehicles and license plates. Our devices capture vehicular features (i.e, make, color, license plate, state of the plate, timestamp) and do not capture biometric data, names, addresses, or phone numbers.
- Agencies completely own their data. Flock Safety does not sell the data to any third parties.
- Criminal Justice Information Service (CJIS) footage is stored, secured, and encrypted in AWS Government Cloud and automatically deleted according to Flock's retention period. Flock's standard retention period is thirty (30) days.
- The Flock Safety Falcon device takes photos of vehicles and their corresponding license plates.
- Flock products and services are designed to solve and prevent crime and are not allowed to be used for the purposes of traffic enforcement, unpaid fines, or speeding violations and/ or immigration enforcement services, or personal surveillance.
- Please visit our privacy policy for more information at:
<https://www.flocksafety.com/privacy-policy/>

flock safety

Clarification on Select Definitions

- An example of a **“Flock Network End User”** would be any authorized end user from another Flock Customer (i.e., of the Flock’s services) who has access to Flock’s user interface/software (i.e, authorized users such as an officer from a different PD which is a customer of Flock).
- **“Anonymized Data”** is the small fraction (<1%) of anonymously compiled data from Flock devices that have been striped of any metadata, which is used for product enhancements to teach our machine learning software how to find specific types of vehicles, objects, descriptions (i.e., for ‘machine learning’) and never sold to third parties.
- **“Hotlist”** National Crime Information Center (“NCIC”), Amber Alerts and other lists of stolen vehicles, and vehicles wanted in connection with a crime. Only law enforcement officers get access to Hotlist alerts.
- **“Special Terms”** is a legal term of art which allows both parties to mutually alter and override the terms and conditions through a clause on the order form. Adding “Special Terms” is an option available to the parties during negotiations and can only be added with mutual consent. To the extent that any terms of the agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

Through this agreement, said parties agree to provide mutual aid and support for multi-jurisdictional specialty teams as provided herein.

WHEREAS, law enforcement agencies have the responsibility of protecting lives and property, and keeping the peace; and

WHEREAS, extra-jurisdictional sharing of resources and capabilities is the most efficient and effective use of law enforcement resources to protect life and property; and

WHEREAS, a major law enforcement operation may affect more than one law enforcement agency which necessitates joint cooperation in order that persons and property may be protected and the peace maintained; and

NOW, THEREFORE, the Parties agree as follows:

2. **PRIOR AGREEMENTS.** The parties to this agreement were also parties to a previously executed Interlocal Cooperation Agreement For Multi-Jurisdictional Task Forces In Pierce County commencing in 2005 and amended in 2017. It is intended that this agreement will supersede and replace said prior agreement in its

entirety.

3. **MULTI-JURISDICTIONAL SPECIALTY TEAMS.**

To provide improved law enforcement services and further the cooperation contemplated by this agreement, Multi-Jurisdictional Specialty Teams shall be created and maintained in accordance with this agreement. Current specialty teams consist of: Crime Response Unit; Civil Disturbance Team; and Major Collision Response Team. Other multi-jurisdictional teams may be created to meet the future needs of the Signatory Agencies by majority vote of the oversight board.

4. **OVERSIGHT AND GOVERNANCE OF SPECIALTY TEAMS.**

The management and affairs of the multi-jurisdictional special teams operating under this agreement shall be governed by an oversight board composed of the police chief, or his/her designee, from each of the participating cities. Each member of the oversight board shall have an equal vote and voice regarding board decisions. All decisions shall be made by majority vote of board members or their designees appearing at the meeting in which the decision is made.

The oversight board may, at its discretion, adopt policies, regulations, and operational procedures applicable to the specialty teams operations and structure consistent with best practices. In addition, the oversight board may adopt standards for individual officer's qualifications and training requirements for selection and participation on any specialty team.

5. **TRAINING, EQUIPMENT, & COSTS**

The intent of this agreement is for each agency to share resources to promote the most effective and efficient delivery of law enforcement services for Signatory Agencies. The oversight board may adopt a budget for a specialty team as necessary at the board's discretion. All liability for salaries, wages, or other compensation and/or benefits for officers or employees performing under this agreement shall be that of the employing participating city.

Costs associated with specialized training of members participating on specialty teams may be allocated among participating cities in the ratio of the number of individual officers participating from each agency unless it is determined by the oversight board to be more equitably allocated on a different basis.

Equipment purchased by a signatory agency and loaned for the specific benefit and use by a specialty team shall retain ownership and has the right to determine duration and use.

Specific funding agreements may be structured between participating cities and/or signatory agencies for the purchase of specialty equipment at direction of the

oversight board. In addition, participating cities or signatory agencies may pursue grants for the procurement of equipment that the oversight board deems helpful or necessary to support specialty teams or in furtherance of this agreement.

6. **REQUESTS FOR ASSISTANCE.** In the event of a Major Law Enforcement Operation, the first law enforcement resources to be used shall be those of the primarily responsible agency. In the event that such resources are inadequate for the primarily responsible agency to safely control the situation, or there is a need for a specialized team, a request for mutual aid under this agreement will be made by the Chief or designee of the primarily responsible agency directly to any Signatory Agency or designated specialty team leader. Such requests for assistance shall, if possible, specify the number of police officers and types of equipment required, and shall further specify where and to whom such officers are to report and where and to whom the equipment should be delivered.
7. **OPERATIONAL COMMAND.** In the event of mobilization under this agreement, the Primarily Responsible Agency shall take charge of the operation, unless the Primarily Responsible Agency specifically requests that a different law enforcement agency or unit fulfill this responsibility, or unless the scope of the problem is multi-jurisdictional, in which case the provisions of the Statewide Mutual Aid plan become operative. Taking charge of an operation shall include directing the assignment of all personnel and equipment. The assignment of duties to officers of assisting agencies shall be made by the supervising officer of the Primarily Responsible Agency unless that responsibility is delegated to a different law enforcement agency or specialty team leader/commander.
8. **AUTHORIZED STAFF.** The parties to this agreement shall provide the names and phone numbers of staff who have the authority to commit staffing, resources, and/or equipment to any Major Law Enforcement Operation.
9. **PRESS RELEASES.** Signatory agencies to this agreement will coordinate any press releases relating to mutual aid activities only through the Primary Responsible Agency in an effort to fully and fairly acknowledge the contributions of participating agencies and with due regard for the integrity of the operations and the safety of officers.
10. **ARREST POLICIES.** Arrest policies will be determined by mutual agreement of the Primarily Responsible Agency and assisting agencies or specialty teams providing Major Law Enforcement Operation Services consistent with State and Federal Guidelines.
11. **PRISONER TRANSPORTATION.** Transportation of prisoners will be coordinated by the supervising officer in charge of the incident.
12. **SUPPLY REPLACEMENT.** The Primarily Responsible Agency will be responsible for supplying and/or replacing supplies needed and/or used by officers from an Assisting Agency if requested. Each agency shall be responsible for any repairs

and/or damages done to their own vehicles or equipment as a result of participation in a Major Law Enforcement Operation.

13. **EQUAL SHARING OF LIABILITY.** The Signatory Agency agree that liability for the negligent or tortious actions of the Multi-Jurisdictional Specialty Teams or any police officer or employee working for or on behalf of the Multi-Jurisdictional Specialty Teams be on an equal share basis between the Signatory Agency. This general agreement on liability sharing is subject to the following terms and conditions set for the below.

14. **HOLD HARMLESS.** Each Signatory Agency agrees to hold harmless and indemnify the other participating Cities from any loss, claim or liability arising from or out of the negligent or tortious actions or inactions of its employees or each other as related to any Signatory Agency activity. Such liability shall be apportioned among the cities equally on an equal shares basis subject to any limitation set forth below.

15. **DEFENSE OF LAWSUITS.** Each Signatory Agency shall be responsible for selecting and retaining legal counsel for itself and for any employee of said city who is named in a lawsuit alleging liability arising out of Multi-Jurisdictional Specialty Teams operations. Each city who retains counsel for itself and/or its employees shall be responsible for paying the attorney's fees incurred by that counsel. The cities shall not share costs of defense among each other unless they specifically agree to have one attorney representing all of them in any particular legal action.

16. **NOTICE OF CLAIMS AND LAWSUITS AND SETTLEMENTS.** In the event that a lawsuit is brought against a Signatory Agency city or employee for actions arising out of their conduct in support of the Multi-Jurisdictional Specialty Teams operations, it shall be the duty of each said city to notify the other cities that said claims or lawsuit has been initiated. No settlement of any such claim or lawsuit by any single city shall be require equal shares contribution by any city unless it was done with the knowledge and specific consent of the other participating cities. Any settlement made by any individual city or member which does not have the consent of the other participating cities to this agreement will not require any sharing of payment of said settlement on behalf of the non-consenting cities.

17. **SETTLEMENT PROCEDURE.** Any city or Signatory Agency member who believes that it would be liable for a settlement or judgment which should be equally shared by the other participating cities to this agreement shall have the burden of notifying each other participating city of all settlement demands made to that city and any claims and/or lawsuits naming that city and/or its employees for what may be a joint liability. Furthermore, if the other Signatory Agency city is not named as a party to the actions, it shall be the burden of the city named in the lawsuit to keep the other participating cities fully apprised of all developments in the case and all settlements demands, mediations or any other efforts made towards settlement. Settlements require the specific consent of all Cities to this agreement before any equal share obligations for payment by all participating members becomes effective.

No city shall enter into a settlement with a claimant or plaintiff unless said settlement ends the liability of all participants to this agreement and on behalf of their respective employees and officers. It is the intent of this agreement that the cities act in good faith on behalf of each other in conducting settlement negotiations on liability claims or lawsuits so that, whenever possible, all parties to this agreement agree with the settlement costs or, in the alternative, that all parties to this agreement reject settlement demands and agree to go to trial and share equally in any judgment incurred as a result of the decision to go to trial. However, in the event that a settlement demand is presented to all the participating members to this agreement and there is not unanimous consent to pay the settlement, then and only then the following results shall occur:

The cities shall be free to seek a separate settlement with the claimant and/or plaintiff which would eliminate the liability of that city and/or its employees and, if such separate settlement is reached, that city would have no responsibility to pay any proportionate amount of any judgment rendered against the cities and/or their employees that did not settle. A city making a separate settlement would not have to pay any proportion amount of any subsequent settlement that others might reach. Any city making a separate settlement would have no right to seek any reimbursement or contribution for any portion of a settlement which said city had reached separately with the claimant and/or plaintiff.

18. **COOPERATION IN DEFENSE OF LAWSUITS.** The Signatory Agency city's and their respective defense counsel shall, to the extent reasonably legally possible and consistent with the best interests of their respective clients, cooperate in the defense of any lawsuit arising out of the operations of the Multi-Jurisdictional Specialty Teams and shall agree, wherever possible, to share non-attorney fee-related costs such as records gathering, preparation of trial exhibits, and the retention and payment of expert witnesses.

19. **PAYMENT OF JUDGMENTS.** Unless there is an exception as provided in paragraph 13, it is the intention of the Signatory Agencies to jointly pay any judgment on a pro-rata equal basis for any judgment against any employee or city for negligence or tortious action arising out of their conduct in the course of their employment or duties as Multi-Jurisdictional Specialty Teams members or in support of such Multi-Jurisdictional Specialty Teams operations; regardless of what percentage of liability may be attributed to that member city or its employees by way of verdict or judgment, including the costs of any awarded plaintiff's attorney's fees and costs. It is the intent of the parties to add up the total combined judgment against any Signatory Agency or officer for compensatory damages and/or plaintiff's attorney's fees and costs and to divide said total combined judgment into 12 shares and each city would then pay 1/12 of the total combined judgment to satisfy the judgment. Any city which refused to pay its proportionate 1/12 share would then be liable to the cities who paid that member's share in order to satisfy a judgment plus any attorney's fees incurred in the collection of said monies from the non-paying member.

NOTHING HEREIN SHALL REQUIRE, OR BE INTERPRETED TO:

Waive any defense arising out of RCW Title 51.

Limit or restrict the ability of any City or employee to exercise any right, defense or remedy which a party to a lawsuit may have with respect to claims of third parties, including, but not limited to, any good faith attempts to seek dismissal of legal claims against a party by any proper means allowed under the civil rules in either state or federal court.

Cover or apportion or require proportionate payment of any judgment against any individual or city for intentionally wrongful conduct outside the scope of employment of any individual or for any judgment for punitive damages, fines or sanctions against any individual or ~~city~~ municipal corporation. Payment of punitive damage awards shall be the sole responsibility of the individual against whom said judgment is rendered and/or his or her municipal employer, should that employer elect to make said payment voluntarily. This agreement does not require equal sharing of any punitive damage awards, fines or sanctions.

20. **PRE-EXISTING CLAIMS OR LAWSUITS.** For purposes of claims or lawsuits which predate this agreement or the occurrence which gave rise to said claim or lawsuit predates this agreement, it is the intention of the parties that those claims, and lawsuits be handled, processed and paid as though the terms of this agreement were in full force and effect at the time of the occurrence which gave rise to the claim or lawsuit.

21. **INSURANCE COVERAGE.** Each party shall, to the best of their ability, coordinate their liability insurance coverages and/or self-insured coverages to the extent possible to fully implement and follow the agreement set forth herein. To that purpose, for the duration of this agreement each party shall maintain occurrence based general and police professional liability insurance or self-insurance coverage with a limit of not less than ten million dollars (\$10,000,000.) per occurrence, However, the consent of any liability insurance carrier or self-insured pool or organization is not required to make this agreement effective as between the member cities signing this agreement and the failure of any insurance carrier or self-insured pool or organization to agree or follow the terms of this provision on liability shall not relieve any individual city from its obligations under this agreement.

22. **INJURY BENEFITS.** Whenever any commissioned officer of a Signatory Agency is injured while acting pursuant to this agreement, even though such injury may have occurred while the officer was under the direction of a Signatory Agency which was not the employer of the injured officer at the time of such injury, such officer and/or his/her dependents shall receive from that officer's employer, the same benefits which such officer would have received had said officer been acting under the immediate direction of said officer's employer and within said employer's jurisdiction.

23. **AUTOMATIC COMMISSION.** Full time commissioned officers who are responding to any request for assistance under this agreement shall be automatically commissioned by virtue of this agreement, pursuant to RCW 10.93.070 (1), through the

commissioning authority of the Primarily Responsible Agency, and therefore shall be empowered to exercise the same police authority during the entirety of their response to the Major Law Enforcement Operation as though they were full-time commissioned officers of the Primarily Responsible Agency. This provision shall apply whether the request for assistance is based upon a formal request between department heads, a request through commanders or supervisors, or when the officers of one jurisdiction cross jurisdictional boundaries to aid or assist the officers of another Signatory Agency.

24. **TERM OF AGREEMENT/WITHDRAWAL FROM AGREEMENT.** The term of this agreement shall be of indefinite duration. Any Signatory Agency may withdraw from this agreement when a period of thirty (30) days has elapsed after notification is made by letter to the other Signatory Agencies' normal business address. Withdrawal or non-execution of this agreement by any one agency shall not affect the continued efficacy of the agreement with regard to other Signatory Agencies. The oversight board can at their discretion by majority vote accept further participants to this agreement after the execution of this agreement.

25. **CONTRACT ADMINISTRATION.** The parties do not by this agreement intend to create any separate legal or administrative entity. The Signatory Agencies will cooperatively work together to further the intent and purpose of this agreement. The chiefs of police from the Signatory Agencies shall be responsible for administering the terms of this agreement.

26. **MODIFICATION AND SEVERABILITY.** The parties may amend, modify, or supplement this Agreement only by written agreement of all the parties. If any section of this Agreement is adjudicated to be invalid, such action shall not affect the validity of any section not so adjudged.

27. **EXTENT OF AGREEMENT.** This agreement contains the complete understanding of the parties regarding the subject matter of this agreement.

28. **AUTHORIZATION.** By resolution or ordinance or otherwise pursuant to law, the governing bodies of the Signatory Agencies listed below have authorized their respective designated officials to execute this agreement on their behalf. This agreement may be executed by counterparts and if so, shall be deemed valid as if each designated official had signed the original.
