

Cloudpermit Permit Categories

To determine which permit category you need in Cloudpermit, find your project or building type on the left, then find the corresponding category or categories on the right. Press Ctrl+F to search the document for your project type.

Project	Category
A/C	Mechanical
Above-ground pool	Pools
Additional dwelling unit	Residential building
ADU	Residential building
Animal confinement	Agricultural building
Apartment building	Residential building
Apron	Infrastructure
Assembly plant	Industrial building
Backflow preventer & connection	Plumbing
Bar/Restaurant	Commercial building
Barn	Agricultural building
Basement flooding protection	Plumbing
Cabin	Accessory structures
Canopy	Temporary uses
Carport	Accessory structures
Cell antenna	Other structures
Change of use	Occupancy
Clubhouse	Residential building
College	Institutional building
Combined use building	Combined use building
Commercial culvert	Driveway/culvert
Commercial repair garage	Commercial building
Commercial/Industrial	Combined use building
Communication building	Industrial building
Communication tower	Other structures
Concrete slab	Other structures
Convention center	Commercial building
Cooling	Mechanical
Culvert	Driveway/culvert
Curb	Infrastructure
Curb cutting	Infrastructure

Project	Category
Day care	Institutional building
Deck	Accessory structures
Dock	Other structures
Double duplex dwelling	Residential building
Ductwork	Mechanical
Duplex dwelling	Residential building
Elementary school	Institutional building
Exhibition building	Commercial building
Farm shop	Agricultural building
Fence	Commercial building, Other structures
Filling	Land disturbance activity
Fire sprinklers	Fire permit
Fireplace	Mechanical
Firework stand	Temporary uses
Fireworks display	Temporary uses
Flag pole	Other structures
Four-plex	Residential building
Furnace	Mechanical
Gallery	Institutional building
Garage	Accessory structures
Garden suite	Residential building
Gas line	Mechanical
Gazebo	Accessory structures
Generator	Mechanical
Government administrative building	Institutional building
Grading	Land disturbance activity
Grain storage	Agricultural building
Greenhouse (Commercial)	Agricultural building
Greenhouse (Residential)	Accessory structures
Ground mount solar panel	Solar panel
Health Unit	Institutional building
Heat Pump	Mechanical
Heating	Mechanical
Highway culvert	Driveway/culvert
Hoods	Mechanical

Project	Category
Hospital	Institutional building
Hot tub	Pools
Hotel	Commercial building
HVAC	Mechanical
Hydrant use	Hydrant use permit
Indoor recreational building	Commercial building
Industrial culvert	Driveway/culvert
In-ground pool	Pools
Kindergarten	Institutional building
Laboratory	Commercial building
Land clearing	Land disturbance activity
Lawn sprinklers	Plumbing
Lean-to	Accessory structures
Library	Institutional building
Lodging house	Residential building
Machine storage	Agricultural building
Maintenance building	Industrial building
Manufactured home	Residential building
Manufacturing plant	Industrial building
Manure storage	Agricultural building
Mini storage warehouse	Commercial building
Mining building	Industrial building
Mini-split	Mechanical
Mobile home	Residential building
Mobile sign	Signs
Modular home	Residential building
Monument sign	Signs
Motel	Commercial building
Motor vehicle show room	Commercial building
Multiple dwelling	Residential building
Municipal connection	Plumbing
Museum	Institutional building
New occupancy	Occupancy
Noise attenuation barrier	Other structures
Nursing home	Institutional building

Project	Category
Office building	Commercial building
Office complex	Commercial building
Other	Agricultural building, Commercial building, Driveway/culvert, Industrial building, Institutional building, Other structures, Plumbing, Signs, Temporary uses
Other accommodation	Commercial building
Other government building	Institutional building
Outdoor recreational building	Commercial building
Parking area	Other structures
Patio home	Residential building
Pavilion	Accessory structures
Performing arts center	Commercial building
Plumbing connection	Plumbing
Pole	Signs
Pole barn	Accessory structures, Agricultural building
Pool	Pools
Porch	Accessory structures
Post-secondary institution	Institutional building
Processing plant	Industrial building
Ramp	Accessory structures
Recreational dwelling	Residential building
Religious building	Institutional building
Re-roof	Commercial building, Industrial building, Institutional building, Residential building
Research center	Commercial building
Residential above 3 stories	Residential building
Residential culvert	Driveway/culvert
Residential/Commercial	Combined use building
Residential/Industrial	Combined use building
Residential/Institutional	Combined use building
Restaurant	Commercial building
Retail complex	Commercial building
Retail outlet	Commercial building
Retaining wall	Other structures
Right-of-way - Extended obstruction	Street opening (Right-of-way)
Right-of-way - Temporary obstruction	Street opening (Right-of-way)
Roof mount solar panel	Solar panel

Project	Category
ROW	Street opening (Right-of-way)
Row house	Residential building
Satellite dish	Other structures
School	Institutional building
Secondary school	Institutional building
Self storage warehouse	Commercial building
Semi-detached dwelling	Residential building
Service station	Commercial building
Sewage system	Plumbing
Shed	Accessory structures
Sidewalk	Infrastructure
Sign	Signs
Single-family dwelling	Residential building
Solar panel	Solar panel
Stacked dwelling	Residential building
Storage building	Industrial building
Storage building (mini/self storage)	Commercial building
Street graphics	Signs
Tank	Other structures
Tear-off and re-roof	Commercial building, Industrial building, Institutional building, Residential building
Tenant improvement	Tenant improvement
Tent	Other structures, Temporary uses
Theatre	Commercial building
Townhouse	Residential building
Transportation terminal	Industrial building
Tunnel	Other structures
University	Institutional building
Utility building	Industrial building
Wall sign	Signs
Water heater	Plumbing
Water line	Plumbing
Wholesale outlet	Commercial building
Wind turbine	Other structures
Wood stove	Mechanical
Yard irrigation	Plumbing
