AGENDA ITEMS

Approval of Prior Minutes

Emergency Management Council Adoption of EM C.E.M.P (AB23-74 & Draft)

- Tim Bauer, City Emergency Management Coordinator, gave a presentation and fielded committee questions regarding the Comprehensive Emergency Management plan. He highlighted that this federally mandated master plan that Orting and seven sister cities created as part of an ILA for emergency planning and response among the agencies. This item was recommended for study session.

Police – 2024 Council Goals Update

- This month the department has an officer graduating from the police academy as well as two officers entering the academy. Chief Gabreluk indicated that staffing continues to be a department priority along with updating criminal code.

Admin - Legislative Priorities

- The police department highlighted the following legislative priorities: Increased state support/resources for crime labs, funding for the recruitment and retention of police officers and adjustments to the policy which prohibits law enforcement ability to speak with juveniles prior to them having contact with an attorney.

Police - Monthly Statistics (July/August 2024)

- Chief Gabreluk reported that the department had approximately 329 calls for service during the month of August. He provided the committee with information regarding the nature of each call.

Admin – RV/Boat Parking – (AB24-78 & Draft Ordinance)

- The draft ordinance is being reviewed by the City attorney and will be discussed at the next public safety committee meeting.

Police – Automated School Zone Enforcement (AB24-75 & Draft Ordinance)

- The committee was updated on the progress of the ordinance. The City attorney is currently reviewing the document.

Police – 2025 S.C.O.R.E Jail Housing ILA (AB24-76 & Draft ILA)

- The current interlocal agreement for inmate housing with the South Correctional Entity (SCORE) will be ending this December. The new ILA between the City and jail allows for booking by Orting officers when needed and available. The contract does not guarantee a specific number of beds. It also updates SCORE's new 2025 fee scale for bookings and daily rates. This item was recommended for study session.

Police -2024-2026 O.S.D. School Resource Officer ILA (AB24-77 & Draft ILA)

- The interlocal agreement between the City and Orting School District for School Resource Officer (SRO) services expired during the 2023/2024 school year. The district has expressed a desire for flexibility in the IRL that allows for the SRO to provide services on a part-time basis. This item was recommended for study session.

7-12-1 Purpose.

The purpose of this chapter is to establish an automated traffic safety camera program that will enhance roadway safety and create a safer community. The City of Orting recognizes automated traffic safety camera enforcement of speed limits encourages slower speeds and reduces crashes which leads to safer streets for citizens.

7-12-2 Definitions.

“Automated traffic safety camera” means a device that uses a sensor installed to work in conjunction with a speed measuring device, and a camera synchronized to automatically record one or more sequence photographs, microphotographs, or electronic images of the front or rear of a motor vehicle at the time the vehicle exceeds a speed limit as detected by a speed measuring device.

“School” includes a school as defined by RCW 28A.150.010 or 28A.150.020, and includes a private school approved under RCW 28A.195.010.

“School speed zone” has the same meaning as described in RCW 46.61.440 (1) and (2), and includes areas designated as “playground zones.”

“School walk zone” means a roadway identified under RCW 28A.160.160 or roadways within a one-mile radius of a school that students use to travel to school by foot, bicycle, or other means of active transportation.

7-12-3 Authorized use.

(a) The use of automated traffic safety cameras is subject to the following restrictions:

- (1) Consistent with the authority granted in chapter 46.63 RCW, City law enforcement officers have the authority to issue a notice of traffic infraction. Trained and authorized civilian employees of law enforcement, and public works or transportation department performing under the supervision of a qualified traffic engineer, and as designated by the City shall also have authority to issue notices of infraction under this chapter.

- (2) Use of automated traffic safety cameras is restricted to the following locations:
- (i) **School Zone – Washington Avenue North between the 200 block and 500 block**
 - (ii) **School Zone – Washington Avenue North between the 700 block and 1000 block**
- (3) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. Pictures taken by automated traffic safety cameras may not reveal the face of the driver or of the passengers in the vehicle. Cameras will be installed to minimize the impact of camera flash on drivers.
- (4) Each location where an automated traffic safety camera is used shall be clearly marked by placing signs, at least 30 days prior to activation of the camera, in a manner that clearly indicates to a driver that the driver is entering an area where violations are enforced by an automated traffic safety camera.
- (5) Prior to placing a new camera, or relocating any existing camera, the City Council shall prepare an analysis of the location regarding equity considerations, including the impact of the camera placement on livability, accessibility, economics, education and environmental health. The analysis must also show a demonstrated need for traffic cameras based on one or more of the following in the vicinity of the road camera:
- (i) Travel by vulnerable road users;
 - (ii) Evidence of vehicles speeding;
 - (iii) Rates of collisions;
 - (iv) Reports showing near collisions; and
 - (v) Anticipated or actual ineffectiveness or infeasibility of other mitigation measures.
- (6) Notwithstanding any other provision of law, all photographs, microphotographs, and electronic images prepared under this chapter, and as provided in RCW 46.63.220, are not open to the public and may not be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation under this section. No photograph, microphotograph, or electronic image may be used for any purpose other than enforcement of violations under this section nor retained longer than necessary to enforce this section.
- (7) Automated traffic safety cameras may not be used on an on-ramp to a limited access facility as defined in RCW 47.52.010.
- (8) Automated traffic safety cameras may be used to enforce speed limits on state highways that are also classified as city streets under chapter 47.24 RCW. The City shall notify the department of transportation prior to installation of any automated traffic safety camera in such locations.

7-12-4 Notice of infraction.

(a) A notice of infraction based on evidence detected through the use of an automated traffic safety camera shall be mailed to the registered owner of the vehicle within fourteen (14) days of the violation, or to the renter of a vehicle within fourteen (14) days of establishing the renter's name and address under subsection (c) of this section. The notice of infraction must include with it a certificate or facsimile thereof, based upon the inspection of photographs, microphotographs, or electronic images produced

by an automated traffic safety camera, citing the infraction and stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, or electronic images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction. A person receiving a notice of infraction based on evidence detected by an automated traffic safety camera may respond to the notice of infraction by mail.

(b) The registered owner of a vehicle is responsible for an infraction detected through the use of an automated traffic safety camera unless the registered owner overcomes the presumption stated in this chapter, or, in the case of a rental car business, satisfies the conditions under subsection (c) of this section. If appropriate under the circumstances, a renter identified under subsection (c)(1) of this section is responsible for such an infraction.

(c) If the registered owner of a vehicle responsible for a notice of infraction detected through the use of an automated traffic safety camera is a rental car business, the Chief of Police or his designee shall, before such a notice of infraction is issued, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within 18 days of receiving the written notice, provide to the City of Orting Police Department by return mail:

- (1) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or
- (2) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time of the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft; or
- (3) In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty.

Timely mailing of the above statements to the City of Orting Police Department relieves a rental car business of any liability under this chapter for the notice of infraction.

(d) Notices of infraction for infractions detected through an automated traffic safety camera shall not be issued to the registered vehicle owner of a marked fire engine equipped with emergency lights and siren or to an ambulance licensed by the department of health and equipped with emergency lights and siren.

7-12-5 Prima facie presumption.

(a) In a traffic infraction case involving an infraction detected through the use of an automated traffic safety camera under this chapter, proof that the particular vehicle described in the notice of infraction was involved in a violation of the speed limit in a public park zone [or other location where automated traffic safety cameras are authorized], together with proof that the person named in the notice of infraction was at the time of the violation the registered owner of the vehicle, shall constitute in evidence a prima facie presumption that the registered owner of the vehicle was the person in control of the vehicle at the point where, and for the time during which, the violation occurred.

(b) This presumption may be overcome only if the registered owner states under oath, in a written statement to the court or in testimony before the court, that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner.

7-12-6 Processing of infractions.

Infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record and shall be processed in the same manner as parking infractions.

7-12-7 Nonexclusive enforcement.

Nothing in this chapter prohibits a City of Orting law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) as now in effect or hereinafter amended.

7-12-8 Penalties.

(a) The maximum penalty for infractions detected through the use of an automated traffic safety camera shall be \$145. **This amount may be doubled for school speed zone infractions as per RCW 36.63.220(16).**

(b) Revenue from fines assessed under authority of this chapter shall be used solely for:

- (1) Subject to the requirements of RCW 46.63.220, traffic safety activities related to construction and preservation projects and maintenance and operations purposes including, but not limited to, projects designed to implement the complete streets approach as defined in RCW 47.04.010, changes in physical infrastructure to reduce speeds through road design, and changes to improve safety for active transportation users, including improvements to access and safety for road users with mobility, sight, or other disabilities, which activities will be informed by the department of health's environmental health disparities map; and
- (2) The cost to administer, install, operate, and maintain the automated traffic safety cameras including the cost of processing infractions.

(c) Beginning four (4) years after an automated traffic safety camera authorized under this chapter is initially placed and in use after the effective date of the ordinance codified in this chapter, twenty-five (25) percent of the noninterest money received for infractions issued under this chapter in excess of the cost to administer, install, operate, and maintain the automated traffic safety cameras, including the cost of processing infractions, shall be deposited into the Cooper Jones active transportation safety account created in RCW 46.68.480.

(d) Registered owners of vehicles who receive notices of infraction under this chapter and who are recipients of public assistance under Title 74 RCW or participants in the Washington women, infants, and children program, upon request to the City, shall receive reduced penalty amounts of fifty (50) percent of what would otherwise be assessed for a first automated traffic safety camera violation and for subsequent automated traffic safety camera violations issued within twenty-one (21) days of issuance of the first automated traffic safety camera violation. The City shall provide information to registered owners of vehicles on their eligibility and the opportunity to apply for a reduction in penalty amounts through the mail or internet.

7-12-9 Compensation for services.

(a) The compensation paid to the vendor of the automated traffic safety camera equipment shall be based only upon the value of the equipment and services provided or rendered in support of the automated traffic safety camera equipment. Compensation paid to the vendor shall not be based upon any portion of the fines or civil penalties imposed or the revenue generated by infractions detected through the use of the automated traffic safety cameras.

(b) Unless otherwise included in the vendor contract, the City will perform a performance audit of the vendor of the equipment every three (3) years to ensure images produced from the automated traffic safety cameras are sufficient for evidentiary purposes as described in this chapter.

7-12-10 Annual reporting.

(a) The City shall post an annual report on the City's website which includes the number of traffic crashes that occurred at each automated traffic safety camera location, as well as the number of notices of infraction issued for each camera.

(b) Beginning January 1, 2026, the annual report shall include the percentage of revenues received from fines issued from automated traffic safety camera infractions that were used to pay for the costs of the automated traffic safety camera program and shall describe the uses of revenues that exceeded the costs of operation and administration of the automated traffic safety camera program implemented under this chapter by the City.

CITY OF ORTING
WASHINGTON
ORDINANCE NO. 2024-XXXX

**AN ORDINANCE OF THE CITY OF ORTING,
WASHINGTON, AUTHORIZING THE USE OF AUTOMATED
TRAFFIC SAFETY CAMERAS; ADOPTING AMENDMENTS
AND ADDING A NEW CHAPTER 12 TO ORTING
MUNICIPAL CODE TITLE 7; PROVIDING FOR
SEVERABILITY; AND ESTABLISHING AN EFFECTIVE
DATE.**

WHEREAS, the City of Orting, Washington, has numerous school and playground facilities located within its jurisdiction; and

WHEREAS, pursuant to RCW 46.61.440, the geographic locations of areas surrounding Orting school and playground facilities meet the definition of "School Zones and Playgrounds", limiting vehicle traffic to a maximum of 20 miles per hour when operating in these zones; and cause the existence of two vehicular school zones within the City; and

WHEREAS, a significant portion of school children who attend Orting Schools walk to school; and

WHEREAS, both school zones located within the City are bisected by SR-162 are located in close proximity to busy roadways or a major state routes; and

WHEREAS, the City has observed an increase in the number of traffic collisions, traffic-complaints, and traffic-related injuries in these areas and

WHEREAS, the City wishes to provide a safe environment for school children while they travel to, and from, school facilities by enforcing traffic laws in these areas; and

WHEREAS, automated traffic safety cameras have been shown to reduce vehicle speeds and increase the safety of school children and other pedestrians, and

WHEREAS, Chapter 46.63 RCW authorizes the use of automated traffic safety cameras for school speed zones and school walk zones, and

WHEREAS, pursuant to RCW 46.63.220(3) the City has prepared an analysis of the locations where automated traffic safety cameras are proposed to be located, and

WHEREAS, the City wishes to automate the enforcement of school zone-related traffic violations to protect it is in the interest of public health, safety, and the general

welfare of its citizens to authorize the use of automated traffic safety cameras for school speed zone enforcement and to use the money collected from fines to be used for traffic safety purposes.

NOW, THEREFORE, the City Council of the City of Orting, Washington, do ordain as follows:

Section 1. Amendments: ~~Orting Municipal Code Title 7 Chapter 1 is hereby amended to the language included in Attachment A of this Ordinance.~~

~~Orting Municipal Code Title 7 Chapter 9 is hereby amended to the language included in Attachment B of this Ordinance.~~

Orting Municipal Code Title 7 is hereby amended to include a new chapter, titled “Chapter 7-12 – School Safety Zones & Enforcement” included in Attachment AC of this Ordinance.

Section 2. Corrections by City Clerk or Code Reviser. Upon approval of the City Attorney, the City Clerk, and the code reviser are authorized to make necessary corrections to this Ordinance, including the correction of clerical errors; references to other local, state, or federal laws, codes, rules, or regulations; or ordinance numbering and section/subsection numbering.

Section 3. Severability. Should any section, paragraph, sentence, clause, or phrase of this Ordinance, or its application to any person or circumstance, be declared unconstitutional or otherwise invalid for any reason, or should any portion of this Ordinance be pre-empted by state or federal law or regulation, such decision or pre-emption shall not affect the validity of the remaining portions of this Ordinance or its application to other persons or circumstances.

Section 4. Transmittal to State. Pursuant to RCW 36.70A.106, a complete and accurate copy of this Ordinance shall be transmitted to the Department of Commerce within ten (10) days of adoption.

Section 5. Effective Date. This Ordinance shall take effect and be in force five (5) days after its approval, passage, and publication as required by law.

ADOPTED BY THE CITY COUNCIL AT A REGULAR MEETING THEREOF ON THE XX DAY of JULY, 2024.

SUMMARY STATEMENT:				
<p>Recently, the Pierce County Council adopted a local ordinance (Ordinance 02024-524s - Endangerment with a Controlled Substance) to address deficiencies in State law relating to exposing children and dependents to harmful drugs. Currently, RCW 9A.42.100 (Endangerment with a controlled substance, a Felony crime) only includes the drug methamphetamine and fails to protect children and dependents from other drugs currently being encountered. The Pierce County Prosecutors office has urged local jurisdictions to adopt similar language to protect their citizens from the larger scope of drugs that in some cases, are far more deadly.</p>

Subject: New Criminal Ordinance: Endangerment with a Controlled Substance
Date: Monday, August 26, 2024 4:45:41 PM

Dear Mayor Penner and Councilmembers,

You are likely aware of the tragic incidents of children exposed to fentanyl, heroin, oxycodone and other drugs. Adults leave pills, needles, and other paraphernalia within reach of children, and smoke drugs in enclosed spaces with children present. The health impacts on children are significant, and sometimes lethal.

As Prosecuting Attorney, my office has not had appropriate tools to respond to these harmful scenarios. The felony in state law, [Endangerment with a Controlled Substance](#), was passed in 2002 and only applies to methamphetamine (and only to manufacturing scenarios, at that), rather than the drugs commonly used today. We urged the Legislature to update the felony statute with [SB 5010](#), which received great support in the Senate but died in the House in both 2023 and 2024.

Consequently, Pierce County recently took the initiative to adopt a *local* ordinance of Endangerment with a Controlled Substance. The County ordinance makes it a gross misdemeanor to knowingly or recklessly permit a child or dependent person to have contact with a controlled substance other than cannabis. The crime does not apply if the controlled substance was obtained by prescription or in the course of delivering health care services. The full text is available [here](#). The County Council passed this ordinance unanimously and the County Executive signed it. I bring it to your attention with two recommendations:

- I encourage your city to consider similar legislation in order to address these harmful scenarios. Feel free to use the [County ordinance](#) as model language. Following the *Blake* decision, the statutes for unlawful possession of a controlled substance needed to be updated, but the Legislature failed to act until local governments began adopting their own ordinances. Similarly, passing local ordinances on Endangerment with a Controlled Substance will serve as signals to the state Legislature on the need to adequately update the felony statute.
- If instances of endangerment occur within your city limits and your city has *not* passed a similar criminal ordinance, please consider referring the criminal case to my office for a charging decision. The county Prosecuting Attorney is authorized to prosecute crimes that occur within city limits when that city does not have a similar municipal ordinance. Questions on referring specific cases can be directed to two of my supervising deputy prosecuting attorneys:
 - Robert Yu, Assistant Chief of the Criminal Division, robert.yu@piercecounitywa.gov (253) 798-6445
 - Sarah Eaquinto, Misdemeanors Supervisor, sarah.eaquinto@piercecounitywa.gov (253) 798-4174

I will continue to urge the Legislature to update the felony statute. If you have any questions, please don't hesitate to contact me.

Sincerely,

Mary Robnett

CITY OF ORTING
WASHINGTON
ORDINANCE NO. 2024-XX

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF ORTING, WASHINGTON ADOPTING A
NEW CHAPTER 6-18-19 OF THE ORTING
MUNICIPAL CODE, “ENDANGERMENT WITH A
CONTROLLED SUBSTANCE”, AND
PROVIDING FOR SEVERABILITY AND
ESTABLISHING AN EFFECTIVE DATE**

Whereas, the misuse of controlled substances in Washington State is a growing public health crisis, resulting in negative health outcomes such as addictions, overdoses, and deaths for far too many community members; and

Whereas, drug overdose and drug poisoning moved from the sixth leading cause of death among children aged 1-19 years of age in the United States in 2019 to third in 2020, which included a 110.6 percent increase in unintentional poisonings; and

Whereas, drug poisonings in Washington have increased steadily since 2014, increasing 30 percent from 2019 to 2020, another 30 percent from 2020 to 2021, and 17 percent from 2021 to 2022 according to the University of Washington Addictions, Drug, and Alcohol Institute; and

Whereas, opioid-related overdose is the most common cause of accidental death in Pierce County, outnumbering motor vehicle collisions and firearm deaths according to the Tacoma-Pierce County Health Department; and

Whereas, between 2020 to 2022, Pierce County experienced 32.53 deaths per 100,000 residents due to overdose, a higher rate than the state average of 27.98 for the same period; and

Whereas, controlled substances come in all forms, and they are regularly made into powders, pills, candies, eye droppers, and nasal sprays; and

Whereas, users are entirely unable to discern by sight, taste, or smell just how potent and dangerous these illicit drugs may be due to unregulated sources. The identity, purity, and quantity are uncertain and inconsistent, thus posing significant adverse health risks not only to the user, but also to their family members or members of the public who may be exposed inadvertently or through secondhand contact; and

Whereas, these risks are particularly high for children and other dependent persons who may live in close proximity to and come in contact with controlled substances through no fault of their own; and

Whereas, 1 in 8 children nationwide aged 17 or younger lived in households with at least one parent who had a past substance use disorder according to a 2014 report by the Substance Abuse and Mental Health Services Administration (SAMHSA); and

Whereas, fentanyl is often up to 50 times more potent than heroin and other synthetic opioids such as nitazenes and carfentanil; and

Whereas, the ease of illicit manufacture and potency of synthetic opioids has driven down illegal drug prices and caused synthetic opioids to be mixed with street drugs such as heroin, cocaine, and methamphetamine; and

Whereas, the Washington State Office of the Family and Children's Ombuds Child Fatalities and Near Fatalities in Washington State September 2023 report states that over a quarter of the child fatalities and more than half of the child near fatalities involved accidental ingestions and overdoses in 2022; and

Whereas, the same report reflects that 1 unknown, 8 multiracial, 8 African American/ Black, 9 Latino/Hispanic, and 39 Caucasian/White youths were involved in accidental ingestion and overdose accidents in 2022; and

Whereas, according to the Tacoma-Pierce County Health Department, deaths and emergency room visits from overdoses involving synthetic opioids, methamphetamine, and cocaine are on the rise and neighboring counties are starting to see overdoses related to tranquilizers like xylazine; and

Whereas, the Washington Poison Center had 116 cases in 2020 which involved the accidental exposure of children ages 0-5 years to opioids and opiates and it is believed many more cases go unreported; and

Whereas, the Washington State Department of Health reports youth (ages 0-17) died from drug overdoses at the rate of 148 youth in 2016, 160 youth in 2017, 159 youth in 2018, 149 youth in 2019, 247 youth in 2020, 340 youth in 2021, 346 youth in 2022, and 378 youth in 2023; and

Whereas, in August of 2022, a two-year-old child nearly died after consuming a fentanyl pill at a residence in Pierce County; and

Whereas, for those who survive exposure, an overdose can result in acute and chronic medical complications, including cognitive impairment, brain injury, and cardiac arrhythmia; and

Whereas, exposure to controlled substances is a threat to the health and safety of all City residents, especially so for the children and dependent persons who are in close proximity to individuals who use illegal substances; and

Whereas, sufficient mechanisms must be in place to hold people accountable when children and dependent persons are exposed to life-threatening harms; and

Whereas, the City of Orting City Council encourages the State Legislature to consider mending RCW 9A.42.100, "Endangerment with a Controlled Substance," to include all 6 controlled substances as a Class B felony; in the interim, the City Council finds it necessary and appropriate to take action in its capacity to establish Municipal Code to protect public health and safety, and desires to take immediate steps to deter the endangerment of children and other vulnerable populations caused by the dangers of exposure to controlled substances;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ORTING, WASHINGTON:

Section 1. A new chapter 6-18-19 to the Orting Municipal Code, “Endangerment with a Controlled Substance,” is hereby adopted as shown in Exhibit A, which is attached hereto and incorporated herein by reference.

Section 2. The City Clerk is authorized to make necessary corrections to this resolution including, but not limited to, the correction of scrivener's/clerkal errors, references, resolution numbering, section/subsection numbers and any references thereto.

SUMMARY STATEMENT:				
<p>Pierce County is requesting the City sign an ILA for certain specialized services it provides to agencies requesting their assistance. Some services remain free of charge (air support and bomb disposal responses). However, official requests for County SWAT services will be charged back to the requesting agency. The County, via this ILA, would like agencies to choose a payment model that suits their needs. Agencies are only charged if an official request for services is made, and billing will be via the method chosen in the ILA.</p> <p>Staff recommends the City choose the “Per Incident” model as these services are currently covered by existing agreements with our small city partners.</p>

**INTERLOCAL AGREEMENT
BETWEEN
PIERCE COUNTY AND THE CITY OF ORTING
FOR THE PROVISION OF SPECIALIZED LAW ENFORCEMENT SERVICES**

THIS INTERLOCAL AGREEMENT (“Agreement”) is entered into by and between **PIERCE COUNTY**, a political subdivision of the State of Washington (“County”) and **THE CITY OF ORTING**, a municipal corporation of the State of Washington (“City”) (together, “Parties”) as follows:

WHEREAS, the City of Orting on behalf of the Orting Police Department has requested the County provide certain law enforcement services to the City; and

WHEREAS, the County has the resources necessary through the Pierce County Sheriff’s Department (PCSD) to provide specialized law enforcement services to the City; and

WHEREAS, the County is willing to provide these services to the City; and

WHEREAS, the parties are authorized to enter into such agreements by virtue of RCW Chapter 39.34, the Interlocal Cooperation Act.

NOW, THEREFORE, in consideration of the terms and conditions contained herein, it is mutually agreed by and between the County and the City as follows:

SECTION 1. PURPOSE.

The purpose of this agreement is for the County to provide the City with specialized law enforcement services by and through the Pierce County Sheriff’s Department. Both parties to this agreement have responsibility to provide police protection within their respective boundaries. The Pierce County Sheriff’s Department has developed an expertise in certain areas of specialized response. The City recognizes that the expertise of the County, and the Pierce County Sheriff’s Department, would be of benefit in such matters. In order to allow towns and cities to take advantage of the expertise of the County, the Pierce County Sheriff’s Department is willing to provide certain services on a reimbursable basis. This agreement sets forth the respective rights and duties of each of the parties in the provision of these services.

SECTION 2. DUTIES/RESPONSIBILITIES OF THE COUNTY.

- A. To provide access to the agreed upon services between the Sheriff’s Department and the City.

- B. To provide a timely response for services requested.
- C. To provide all necessary personnel and command.
- D. To provide all reasonably needed and necessary equipment for the response.
- E. To handle the call to completion, to include all necessary reports, testimony, or other follow-up.
- F. To provide a full and complete invoice on all services, personnel and equipment utilized hereunder, only if the per response billing basis option is pre-selected by the City.

SECTION 3. DUTIES/RESPONSIBILITIES OF THE CITY.

- A. To determine when to request specialized services from the County.
- B. To provide a contact person of command level to act as liaison between the contracting agencies.
- C. To provide traffic control or other perimeter security as may be required.
- D. To provide schematics, floor plans, or other items of information which may be required as part of a response.
- E. To allow training at sites within the City as may be desired by the County to assure knowledgeable response.
- F. To provide reimbursement hereunder for the services rendered.

SECTION 4. JOINT DUTIES/RESPONSIBILITIES.

- A. To provide joint law enforcement response as necessary to keep and restore the peace.
- B. To complete and submit all necessary reports, documents, and other needed information in a timely manner for any law enforcement or prosecution need.
- C. To mutually cooperate to assure the success of any and all law enforcement missions.

SECTION 5. SERVICE DESCRIPTIONS.

The County will provide the specialized law enforcement services as described in the categories below within the City's service area. The type of service selected by the City and cost for service provided by the County is detailed in Exhibit "A," which is also attached hereto and incorporated herein by this reference.

- A. **Major Crimes Investigations:** This service shall consist of criminal investigation carried out by detectives often in conjunction with forensic trained individuals when necessary. Investigations will be supported by crime scene analysis, crime laboratory, polygraph, identifications, evidence control, Automatic Fingerprint Identification System (AFIS) and any other technology then in the possession of the Sheriff and determined by the lead investigator as appropriate for the investigation. Unless otherwise agreed by the County, the crimes to be investigated shall typically be homicides, abductions, and aggravated assaults which involve substantial bodily harm as set forth by RCW 9A.04.110 or the possibility of death. This service will only be available on a pre-determined hourly basis or on a pre-determined per capita basis.

For other felony crimes that are not homicides, abductions, or aggravated assaults, members of the Sheriff's Criminal Investigations Bureau can be requested through the Sheriff's CDO on a per hourly basis.

- B. **Major Crimes Forensics**: This service shall be for major crimes outlined in Section A and shall include a fully trained Forensics Investigator who shall have the ability and training to take photographs and measurements, document other important physical evidence, obtain and process fingerprints, utilize all technology available to the Forensics Investigator, and perform all other services and procedures to assist in the processing of a crime scene or subject. Forensics will respond to incidents after-hours if a Sheriff's detective will be acting as the lead investigator.

This service will be available for major crimes on a pre-determined hourly basis or on a pre-determined per capita basis.

Forensics services for crimes other than the major crimes outlined in Section A can be requested through the Sheriff's CDO on a pre-determined hourly basis.

If only forensics services – and no detective services – are provided by members of the Sheriff's Department in response to an incident, then all property/evidence collected by forensics will be retained by the lead agency in the investigation and not the Sheriff's Department.

- C. **Internal Affairs Investigations**: This service shall involve a member of the Sheriff's Department who shall perform any matter involving an Internal Affairs complaint or investigation. The investigator will be trained in investigating such matters and will provide Garrity warnings and other aspects of due process, etc. which are required by law, contract, etc. If needed, polygraph services may be included for such services. Unless otherwise agreed by the County, the matters to be investigated shall typically be: complaints of criminal acts; excessive force; complaints of racial, sexual or other types of protected status harassment; cases of high public interest.

This service will be included at no additional cost only if the City has a current agreement with the County for Major Crimes Investigations on pre-determined per capita billing basis. This service is not available on an hourly basis or a per incident basis.

- D. **Special Weapons And Tactics (SWAT)**: This service shall be in the nature of a team response, which may call for a variety of disciplines (negotiators, sharpshooters, snipers, entry, and others). Each SWAT call response is made as a team and each call is staffed as a team. The team, and each member, is responsible to the success of every SWAT Team mission.

This service will be available on a pre-determined per capita billing basis or on a pre-determined per incident billing basis.

- E. **Hazardous Devices (Bomb Squad)**: This service shall include the Hazardous Devices Unit (HDU) and will typically be a multi-officer response for safety reasons. The team will include an

explosive specialist, and will provide the necessary and required equipment to address the threat.

The Sheriff's Department Hazardous Devices Unit is considered as a Regional Asset when responding to an emergency call for service. There are no applicable charges or billings associated with regional deployment under mutual aid.

- F. **Marine Services/Dive**: This service shall involve deputies and other personnel who are trained in areas of marine rescue or dive techniques, including rescue and recovery. This may include a response with vessels or other watercraft, and will typically include a response with multiple personnel for safety and deployment reasons.

The Sheriff's Department Marine Services Unit and Dive Team are as considered as a Regional Asset when responding to an emergency call for service. There are no applicable charges or billings associated with regional deployment under mutual aid.

- G. **Air Operations**: This service shall involve deputies and other personnel who are trained in flight operations, to include pilots and tactical flight observers. This may include a response with an aircraft capable of deployment in search & rescue, natural disaster, and major incidents/crime scenes.

The Sheriff's Department airplane is considered as a Regional Asset when it is in operation. There are no applicable charges or billings associated with regional deployment under mutual aid.

SECTION 6. SELECTION OF BILLING BASIS AND SERVICES.

The City shall select to be billed on either a per capita or a per incident basis, and select the services to be provided by the County. These mutually agreed up selections are set forth in "Exhibit A", which is attached hereto and made a part hereof. If a service is not listed, it will not be provided absent a separate request and it will be charged in accordance with the Default Costing described in Section 6-D.

- A. **Per Capita**: The City shall pay a sum, as outlined in Exhibit A, which is attached hereto and made a part hereof, which shall be that cost which is multiplied by the population of the City, as determined by the most recent estimate by the Office of Financial Management. This cost shall be the cost irrespective of the quantity or duration of the calls for service responded.
- B. **Per Incident**: The City shall pay a sum based upon the hourly rate or incident rate, as outlined in Exhibit A, which is attached hereto and made a part hereof, which shall be that cost multiplied by the hours expended. Those items which are indicated as a per incident response will be paid irrespective of the time needed to resolve the matter. If the matter is being charged on an hourly basis, then the time shall commence on the time such services are requested by the City and shall end at such time as when the scene is secured or the need for services is terminated. The need for services shall include whatever reasonable time is necessary for the completion of

paperwork, reports, interviews, analysis or other necessary follow-up work. All accountings of time by the County shall be in increments of 30 minutes (half-hours). If the response is cancelled while personnel are responding, the City will be billed for those specific personnel at a three-hour overtime minimum.

- C. **Mixed Costing:** The City shall have the right to elect to reimburse the County on a per capita cost for some specialized services and a per incident cost for other specialized services. Such election must be pre-determined and mutually agreed upon by both parties, and incorporated within Exhibit A.
- D. **Default Costing:** In the event that the City has not selected a payment method for any service provided hereunder and the City shall make a request for service from the County, the City shall reimburse to the County a sum based upon the Per Incident basis as set forth in Section 6.B.

SECTION 7. BILLING.

If per capita billing is selected, the County will provide the City with an annual invoice for the provision of services. For all other billing methods that include a per incident response, the County will provide the City with an invoice for the provision of services to include description of the specialized services, dates of service, hours of service, and hourly rate for the service.

Billings shall be mailed to:

City of Orting
104 Bridge Street S.
Orting, WA 98360

The City shall reimburse the County within 30 days of receipt of invoice by mailing payment to:

Pierce County Sheriff's Department
ATTN: Business Unit
930 Tacoma Ave. S.
Tacoma, WA 98402

Rates may be adjusted annually by the County, and the new rate schedule will be provided to the City no less than 30 days prior to the beginning of each calendar year. The parties are authorized to negotiate annual rate and service adjustments, and execute written agreements that reflect agreed-upon adjustments.

SECTION 8. INDEMNIFICATION AND DEFENSE.

To the extent permitted by law, each Party agrees to protect, defend, indemnify, and save harmless the other Party, its elected and appointed officials, officers, employees, agents, and volunteers, from and against any and all claims, damages, losses, judgements, and expenses, including but not limited to court costs, attorney's fees, and alternative dispute resolution costs, for any injury or damage of any kind

which are alleged or proven to be caused by an act or omission related to the actions under this Agreement, negligent or otherwise, of the Party, its elected and appointed officials, officers, employees, agents, and volunteers.

A Party shall not be required to indemnify, defend, or hold the other Party harmless if the claim, damage, loss, judgement, or expense for any injury or damage of any kind is caused by the sole act or omission of the other Party or its elected and appointed officials, officers, employees, agents, or volunteers.

In executing this Agreement, neither Party shall assume liability or responsibility for or in any way release the other Party from any liability or responsibility which arises in whole or in part from the existence or effect of the other Party's ordinances, rules, regulations, resolutions, customs, policies or practices. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such ordinance, rule, regulation, resolution, custom, policy or practice is at issue, the appropriate Party shall defend the same at its sole expense, and if judgment specifically attributable to such Party's provisions is entered and damages are awarded against the City, the County, or both, the appropriate Party shall satisfy the same, including all reasonable attorney's fees and costs.

The Parties agree that where such claims, suits, or actions result from the concurrent negligence of the Parties, the indemnity provisions herein shall be valid and enforceable only to the extent of a Party's own negligence.

It is further understood that no liability shall attach to either Party by reason of entering into this Agreement except as expressly provided herein.

Obligations under this section shall survive the expiration or termination of this Agreement.

SECTION 9. NO THIRD-PARTY BENEFICIARY.

Pierce County does not intend by this Agreement to assume any contractual obligations to anyone other than the City of Orting, and the City does not intend by this Agreement to assume any contractual obligations to anyone other than the County. The County and the City do not intend that there be any third-party beneficiary to this Agreement.

SECTION 10. INSURANCE.

The County maintains a comprehensive self-insurance program that is funded to pay claims, judgements, and settlements for which the County is found to be wholly or partially responsible.

The City is a member of a self-insured risk management pool formed pursuant to Chapter 48.62 RCW which provides its members with insurance coverage and is funded to pay claims, judgements, and settlements for which the City is found to be wholly or partially responsible.

Evidence of coverage shall be delivered to each of the Parties prior to the execution of this Agreement. It is the responsibility of each Party to ensure a valid certificate of coverage is in effect at all times throughout the course of this Agreement. If the insurance programs for either party is modified, the party needs to continue to provide proof of coverage in whatever form the coverage takes.

SECTION 11. MODIFICATION.

Any amendments to this agreement must be in writing and signed by all parties.

SECTION 12. ENTIRE AGREEMENT.

This written agreement constitutes the entire agreement between the parties and supersedes any prior oral statements, discussions, or understandings between the parties.

SECTION 13. TERM OF AGREEMENT.

This agreement shall become effective November 1, 2024, and remain in effect through October 31, 2025. It shall automatically renew on January 1 of each calendar year thereafter, to extend no later than October 31, 2029, unless either party chooses to terminate the agreement by providing ninety (90) days written notice of termination.

SECTION 14. OPERATIONAL ISSUES.

Both parties recognize that any response may have many serious operational matters, which attend each individual call. These issues are separately covered in the Pierce County Sheriff's Department Specialized Services Protocols which are set forth in "Exhibit B", which is attached hereto and made a part hereof. The protocols involve issues such as criteria for mobilization of the SWAT Team, authority to determine size of response, handling of media, SWAT command, miscellaneous costs due to damage, cost of meals, etc.

SECTION 15. INDEPENDENT CONTRACTOR.

Pierce County, when providing the special services contemplated by the terms of this agreement, is acting as an independent contractor of the City. Pierce County will control the method, means and timing of providing the specialized services, and all County employees shall remain under the supervisory control of the County. The City may, in a given circumstance, exercise direction and control pursuant to R.C.W. 10.93.040.

(See the Air Support Unit Manual for additional details)

2. *Mobilization*

The Sheriff or his/her designee in conjunction with the Air Operations Supervisor and Pilot in Command (PIC) shall have the sole authority to determine the nature, size, duration and configuration of any mobilization. (See the Air Support Unit Manual for additional details.)

3. *Authority for Stand-down/De-mobilization*

The Sheriff, Air Operations Supervisor/PIC shall be the sole authority in determining if a deployment is no longer productive or if the deployment has become too dangerous for pilot, crew or aircraft. When possible, this decision will be done in consultation with the Chief of Police/Agency Contact or his/her designee, who may likewise make a decision to terminate the deployment for any reason.

4. *Command*

The Air Operations Unit will be commanded by a member of the Pierce County Sheriff's Department. Operational direction for the unit will come from the Air Operations Supervisor. Tactical direction will be from the Incident Commander at the scene of the incident in conjunction with the Air Operations Supervisor/PIC. However, the Chief of Police/Agency Contact, Sheriff or his/her designee retain the authority to discontinue the deployment at their discretion.

5. *Information Available to Chief of Police/Agency Contact*

The supervisor of the Air Operations Unit/PIC or another person in command shall periodically inform the Chief of Police/Agency Contact or his/her designee of progress in the operation to the extent practical in light of communications availability and tactical considerations.

6. *Community Liaison*

The Pierce County Sheriff's Department and the utilizing agency shall jointly share the responsibility to liaison with the community both during and after mobilization. Both parties agree to provide necessary personnel for this purpose.

7. *Miscellaneous Costs*

The Pierce County Sheriff's Department shall assume responsibility for damage to their equipment, which may occur coincident to the mobilization and response provided, however, that damage caused by the negligence of any other party shall be the responsibility of that party. Damage which shall occur to property as a consequence of the Air Operations Unit shall be the responsibility of Pierce County.

8. *Media*

The Public Information Officer of the Pierce County Sheriff's Department shall be the contact person for handling news media inquiries during the course of the mobilization and while the unit is deployed. This contact will be made, whenever possible, after consultation with the Chief of Police/Agency Contact or his/her designee. When the unit is no longer deployed, responsibility for news media contact will remain with the Chief of Police/Agency Contact unless the Chief/Agency Contact requests and the Sheriff approves that the Sheriff's Department Public Information Officer will continue as liaison.

Hazardous Devices Unit

1. *Criteria for Mobilization*

The Chief of Police/Agency Contact or his/her designee shall have the authority to request a Hazardous Devices Unit response. The County shall provide a person or persons to whom the request will be made. Response will be made unless the Command Duty Officer/designee or Hazardous Devices Unit supervisor determines, based on information received and other conditions (e.g. exceptional character of the device), that mobilization would create undo danger or not serve as a bona fide law enforcement purpose related to standard use of the Hazardous Devices Unit.

2. *Mobilization*

The Hazardous Devices Unit supervisor shall have the sole authority to determine the nature, size, duration and configuration of any mobilization.

3. *Authority for Stand-down/De-mobilization*
